**Preparation of this Report**

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

## SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

1. This Public Report does not constitute an approval or disapproval of the project nor a representation that the project is in compliance with all County codes, ordinances and subdivision requirements.
2. This project does not involve the sale of individual subdivided lots. The land area beneath and immediately adjacent to each Unit as shown on the Condominium Map is designated as a limited common element for that Unit and does not represent a legally subdivided lot. The dark dashed lines on the Condominium Map do not represent legally subdivided lots, but merely the location of the limited common element yard area assigned to each Unit.
3. Facilities and improvements normally associated with County-approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for and services such as County street maintenance and trash collection may not be available for interior driveway(s).
4. Pursuant to Section 514B-41, HRS, each Unit owner shall be obligated for the payment of the Unit owner's share of the common expenses commencing upon such owner's acquisition of its Unit; until such date the Developer shall assume all actual common expenses for such Unit.
5. Certain renovations, including electrical and plumbing by licensed electrician/plumber JJA Electric & Kold, were completed for Unit A and Unit B in or about July 2010 under Building Permit Nos. 658408 and 658406, respectively. Accepted Value of Work under each permit was \$10,000. The letter dated August 5, 2010, issued by Department of Planning and Permitting ("DPP"), attached hereto as Exhibit F, indicates that Building Permits Nos. 658406 and 658408 were currently active as of such date. However, the DPP website confirms that the final inspection for such work occurred in November 2010 and such permits were "closed out" pursuant to such inspection and are no longer active.
6. It is possible Chapter 672E, Hawaii Revised Statutes, the "Contractor Repair Act", may apply to the renovations described in the preceding paragraph. Each prospective purchaser should carefully review such statute and obtain any necessary professional guidance in connection therewith. Section 672E-11(b), HRS, provides as follows:  
"CHAPTER 672E OF THE HAWAII REVISED STATUTES CONTAINS IMPORTANT REQUIREMENTS YOU MUST FOLLOW BEFORE YOU MAY FILE A LAWSUIT OR OTHER ACTION FOR DEFECTIVE CONSTRUCTION AGAINST THE CONTRACTOR WHO DESIGNED, REPAIRED, OR CONSTRUCTED YOUR HOME OR FACILITY. NINETY DAYS BEFORE YOU FILE YOUR LAWSUIT OR OTHER ACTION, YOU MUST SERVE ON THE CONTRACTOR A WRITTEN NOTICE OF ANY CONSTRUCTION CONDITIONS YOU ALLEGE ARE DEFECTIVE. UNDER THE LAW, A CONTRACTOR HAS THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR AND/OR PAY FOR THE DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY A CONTRACTOR. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER THE LAW, AND FAILURE TO FOLLOW THEM MAY NEGATIVELY AFFECT YOUR ABILITY TO FILE A LAWSUIT OR OTHER ACTION."

## **General Information On Condominiums**

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

## **Operation of the Condominium Project**

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

**1.4 Parking Stalls**

Total Parking Stall in the Project:	4
Number of Guest Stalls in the Project:	0
Number of Parking Stalls Assigned to Each Unit:	2
Attach Exhibit <u>N/A</u> specifying the Parking Stall number(s) assigned to each unit and the type of parking stall(s) (regular, compact or tandem and indicate whether covered or open).	
If the Developer has reserved any rights to assign or re-assign parking stalls, describe such rights. N/A	

**1.5 Boundaries of the Units**

Boundaries of the unit:
-------------------------

**1.6 Permitted Alterations to the Units**

Permitted alterations to the unit (if the unit is defined as a non-physical or spatial portion of the project, also describe what can be built within such portion of the project):  Each individual Unit owner may improve, remodel, relocate, expand, replace, renovate and/or otherwise alter its Unit as described in Section 10 of the Declaration; subject, however, to the terms and conditions of the Existing Use Permit.
--

**1.7 Common Interest**

<u>Common Interest</u> : Each unit will have a percentage interest in the common elements appurtenant to each unit. This interest is called the "common interest". It is used to determine each unit's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by unit owners. The common interest for each unit in this project, as described in Declaration, is:
Described in Exhibit <u>N/A</u> .
As follows:  Each Unit has a common fifty percent (50%) interest for all purposes, including voting.

**1.9 Common Elements**

Common Elements: Common elements are those parts of the condominium project other than the individual units and any other real estate for the benefit of unit owners. Although the common elements are owned jointly by all unit owners, those portions of the common elements that are designated as limited common elements (see Section 1.10 below) may be used only by those units to which they are assigned. In addition to the common facilities described in Section 1.8 above, the common elements for this project, as described in the Declaration, are set forth below.

Described as follows:

See attached Exhibit "B".

**1.11 Special Use Restrictions**

An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of a unit in the project. Encumbrances shown may include blanket liens which will be released prior to conveyance of a unit (see Section 5.3 on Blanket Liens).

Exhibit  C  describes the encumbrances against title contained in the title report described below.

**1.14 Other Zoning Compliance Matters**

Conforming/Non-Conforming Uses, Structures and Lots			
<p>In general, a non-conforming use, structure or lot is a use, structure or lot that was lawful at one time but that does not now conform to present zoning requirements. Under present zoning requirements, limitations may apply to extending, enlarging or continuing the non-conformity and to altering and repairing non-conforming structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.</p> <p>If a variance has been granted or if uses, structures or lots are either non-conforming or illegal, the purchaser should consult with county zoning authorities as to possible limitations that may apply in situations such as those described above.</p> <p>A purchaser may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure or lot.</p>			
	Conforming	Non-Conforming	Illegal
Uses	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Structures	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lot	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>If a non-conforming use, structure or lot exists in this project, this is what will happen under existing laws or codes if the structure is damaged or destroyed:</p> <p>The dwellings are non-conforming because under current zoning ordinances, only two dwellings can be constructed on the Property. Accordingly, Developer has obtained an Existing Use Permit. Purchaser should refer to the attached Existing Use Permit with respect to the issue of what happens in the event of damage to or destruction of any dwelling.</p>

### 3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

#### 3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

**3.4 House Rules**

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input type="checkbox"/>	
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>	

**3.5 Changes to the Condominium Documents**

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

**3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents**

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input checked="" type="checkbox"/>	<p>Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House Rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows:</p> <p>Section 22.b. of the Declaration permits the Developer to amend the Declaration to file the "as built" verified statement (with plan, if applicable) required by Section 514B-34, HRS.</p> <p>Section 27 of the Declaration provides as follows: See attached Exhibit "G"</p>

## 4. CONDOMINIUM MANAGEMENT

### 4.1 Management of the Common Elements

<b>Management of the Common Elements:</b> The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.	
The initial Condominium Managing Agent for this project is (check one):	
<input type="checkbox"/>	Not affiliated with the Developer
<input checked="" type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

### 4.2 Estimate of the Initial Maintenance Fees

<b>Estimate of the Initial Maintenance Fees:</b> The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit <u>H</u> contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

### 4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:	
<input type="checkbox"/>	Electricity for the common elements
<input type="checkbox"/>	Gas for the common elements
<input type="checkbox"/>	Water
<input type="checkbox"/>	Sewer
<input type="checkbox"/>	TV Cable
<input type="checkbox"/>	Other (specify)

### 5.4 Construction Warranties

**Construction Warranties:** Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:

**Building and Other Improvements:**  
No warranties are being given by Developer. Developer hereby disclaims all express or implied warranties, including without limitation warranties of habitability and fitness for a particular use.

**Appliances:**  
None.

**5.5 Status of Construction, Date of Completion or Estimated Date of Completion**

<p>Status of Construction: The Units were originally constructed in or about the following years: Unit A: 1976, and Unit B: 1946.</p>
<p>Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.</p>
<p>Completion Deadline for any unit not yet constructed, as set forth in the sales contract: N/A</p>
<p>Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract: N/A</p>

**5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance**

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

**5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance**

<input checked="" type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i></p>
-------------------------------------	--

**5.6.2 Purchaser Deposits Will Be Disbursed Before Closing**

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):

<input type="checkbox"/>	<p>For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or</p>
<input type="checkbox"/>	<p>For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.</p>

In connection with the use of purchaser deposits (check Box A or Box B):

<p><b>Box A</b></p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><b><u>Important Notice Regarding Your Deposits: Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</u></b></p>
<p><b>Box B</b></p> <p><input type="checkbox"/></p>	<p>The Developer has <b><u>not</u></b> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <b><u>Important Notice Regarding Your Deposits</u></b> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <b><u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u></b> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <b><u>Important Notice Regarding Your Deposits</u></b> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

**Material House Bond.** If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

## 5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

1.	<b>Developer's Public Report</b>
2.	<b>Declaration of Condominium Property Regime (and any amendments)</b>
3.	<b>Bylaws of the Association of Unit Owners (and any amendments)</b>
4.	<b>Condominium Map (and any amendments)</b>
5.	House Rules, if any
6.	Escrow Agreement
7.	Hawaii's Condominium Property Act (Chapter 514B, HRS, as amended) and Hawaii Administrative Rules (Chapter 16-107, adopted by the Real Estate Commission, as amended), provided that rules and regulations under Chapter 514B have not yet been adopted.
8.	Other:

## 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

### 5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
  - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

### **5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed**

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

### **5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change**

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30<sup>th</sup> calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

**6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT**

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

Dear Mr. Byrns:

Subject: Condominium Conversion Project  
690 and 690-A Kihapai Street  
Tax Map Key: 4-3-067: 030

This is in response to your letter dated June 5, 2008, requesting verification that the structures on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the two one-story single-family detached dwellings at 690 Kihapai Street and 690-A Kihapai Street, with four all-weather-surface off-street parking spaces, met all applicable code requirements when they were constructed in 1946 and 1975, respectively, on this 10,021-square-foot R-5 Residential-District-zoned lot.

Investigation also revealed that on July 9, 2010, Building Permit Nos. 658406 and 658408 were issued for 690 and 690-A Kihapai Street, respectively, for interior alterations. These permits are currently active.

For your information, the Department of Planning and Permitting cannot determine all legal nonconforming uses or structures, as a result of the adoption or amendment of any ordinance or code.

No variances or other permits were granted to allow deviations from any applicable codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

In addition to any other rights reserved herein, the Developer hereby reserves the right for itself and its agents, to do the following without the consent of any Unit purchaser or any other person or entity and without any amendment to this Declaration:

(a) Until the recordation in the Office of the Assistant Registrar of deeds or agreements of sale with respect to all of the Units in the Project in favor of parties not a signatory to this Declaration, the Developer hereby reserves the right to amend this Declaration, the Bylaws and the Condominium Map without the approval, consent or joinder of any purchaser of a Unit or any of the persons then owning or leasing any Unit, to make such amendments as may be required by law, by the Real Estate Commission of the State of Hawaii, by any title insurance company issuing a title insurance policy on the Project or any of the Units, by any institutional lender lending funds on the security of the Project or any of the Units, by any purchaser, insurer or guarantor of loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable it to purchase, insure or guarantee a loan made on the security of the Project or any of the Units, or by any governmental agency; provided, however, that except as otherwise provided herein, no such amendment which would substantially change the design, location or size of a Unit shall be made without the consent to such amendment by all persons having an interest in such Unit.

(b) Developer reserves the right to grant to any utility company or public or governmental authority or other person or entity rights-of-way and other easements, and the right to modify or amend any existing or newly granted rights-of-way and easements, which are for the benefit of the Project (or any Unit or Units) or which do not materially interfere with the use or materially impair the value of any Unit, over, across, under and through the common elements and limited common elements for access and for lines and other transmission facilities and appurtenances for electricity, gas, telephone, water, sewer and/or septic system, drainage and other public services and utilities, and rights to enter for the purpose of installing, repairing, altering and removing such lines and facilities and of trimming any trees in the way thereof.

Summary of Sales Contract

Seller intends to use the standard form Purchase Contract with an Addendum as the form of sales contract for the project.

1. Evidence of Title. Seller shall furnish Buyer evidence of Seller's marketable title to the interest which is to be conveyed to Buyer. If Seller fails to deliver title as herein provided, Buyer has the option to terminate this agreement and have any of Buyer's deposits returned to Buyer. The foregoing shall not exclude any other remedies available to Buyer. Buyer will receive an Owner's standard coverage policy of title insurance at closing: (a) Seller shall pay 60% of the premium to be charged for an Owner's standard coverage policy of title insurance to be issued to the buyer in the amount of the sales price; and (b) Buyer shall pay 40% of such premium and any additional costs relating to the issuance of any extended coverage policy, including a Lender's policy.
2. Risk of Loss. Risk of loss passes to Buyer upon transfer of title or occupancy whichever occurs first.
3. Default. It is expressly understood and agreed: First: In the event Buyer fails to pay the balance of the purchase price or complete the purchase as herein provided, Seller may (a) bring an action for damages for breach of contract; (b) retain the initial deposit and all additional deposits provided for herein, as liquidated damages; and (c) Buyer shall be responsible for any cost incurred in accordance with this contract. Second: In the event Seller fails to perform his obligations as herein provided, Buyer not being in default, Buyer may (a) bring an action against Seller for damages for breach of contract; (b) file and maintain an action against Seller for specific performance of this contract; and (c) Seller shall be responsible for any cost incurred in accordance with this contract. The foregoing shall not exclude any other remedies available to either Seller or Buyer. In the event of default and/or a lawsuit arising out of this contract (including a suit by a REALTOR for commission), the prevailing party shall be entitled to recover all costs incurred including reasonable attorneys' fees. All expenses incurred by escrow shall be deducted from deposited funds prior to any disbursement to the prevailing party.
4. Consent. The obligations of Buyer or Seller hereunder are conditioned upon obtaining those necessary consents of vendors, existing mortgagees, lessors and/or condominium, co-op or other such associations, Buyer or Seller agree to cooperate and take all reasonable action to obtain such consents.
5. Time Is Of The Essence. If either Buyer or Seller for reasons beyond his control cannot perform his obligation to purchase or sell the property by the closing date, then such party by giving escrow written notice prior to the closing date called for in this contract with copies to all parties to this contract, can extend closing for no longer than 30 calendar days to allow performance. Thereafter time is of the essence and the default provisions of paragraph 5 apply. Any further extension must then be agreed to in writing by both parties. There is no automatic right to extend. This provision relates only to the extension of the closing date.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE PURCHASE CONTRACT. THE BUYER MUST REFER TO THE BUYER'S PURCHASE CONTRACT TO DETERMINE THE BUYER'S ACTUAL RIGHTS AND OBLIGATIONS. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE PURCHASE CONTRACT, THE PURCHASE CONTRACT WILL CONTROL, NOT THIS SUMMARY.

Summary of Escrow Agreement

The Escrow Agreement ("Agreement") between OLD REPUBLIC TITLE & ESCROW OF HAWAII ("Escrow"), and HEW-HAWAII PARTNERS, a Hawaii limited partnership ("Seller"), contains, among other provisions, the following (which may be modified or otherwise limited by provisions not summarized):

1. Whenever Seller enters into a sales contract for the sale of an apartment, Seller will require that payments due under the sales contract be made to Escrow and will deliver an executed copy of the sales contract to Escrow.
2. Escrow will receive payments under the sales contracts and sums received from any other source with respect to the project. Funds held under the Agreement will initially be deposited in an account for the project.
3. Escrow will release from the Trust Fund and disburse Buyer's funds at closing. No disbursements will be made from Buyer's fund until: (a) the Real Estate Commission has issued a Developer's Public Report on the project; (b) Buyer has waived its right to cancel the sales contract; and (c) Seller has notified Escrow that all other requirements of Sections 514B-82 to 514B-93, Hawaii Revised Statutes ("HRS"), have been met. Where sales contracts are entered into, Escrow will disburse funds upon presentation by Seller of Buyer's signed receipt for the Developer's Public Report and with notification by Seller that all of the requirements of Section 514B-82 to 514B-93, HRS, have been met. Escrow will call for payments by the Buyer upon receipt of notice from Seller that any payments are due under sales contract. Any disbursement of funds for project costs prior to closing or prior to completion of the project will be made in compliance with Section 6.4 of the Agreement and the requirements of Section 514B-92 or 514B-93, HRS, as applicable.
4. Escrow will return deposited sums to the Buyer without interest if Seller gives Escrow written notice to return the funds to Buyer, or with respect to a Buyer whose funds were obtained before the issuance of a Developer's Public Report, Escrow receives from the Buyer a written request to cancel the sales contract or after issuance of the Developer's Public Report and Buyer's waiver of his right to cancel the sales contract in accordance with Section 514B-86, HRS, there shall be any pertinent change and/or material change in the project which directly, substantially and adversely affects the use or value of the Buyer's apartment or appurtenant common elements or those amenities of the project available for Buyer's use, of a nature entitling the Buyer to cancel his sales contract pursuant to Section 514B-87, HRS. These funds shall be returned to Buyer less Escrow's cancellation fee, if any, any mortgagee's cancellation fee and all other costs incurred in connection with the Escrow. Any return of funds to the Buyer will be governed by Section 7 of the Agreement.
5. As Escrow's compensation for its performance under this Agreement, Escrow will receive an amount to be determined by Escrow for each apartment for which an apartment deed of the project is handled by Escrow and recorded in the Bureau of Conveyances of the State of Hawaii. Escrow will record all applicable documents. Title insurance will also cost an additional sum.
6. If Buyer defaults under the sales contract and Seller subsequently certifies in writing to Escrow that Seller has terminated the Sales Contract, Escrow shall thereafter treat all funds of the Purchaser under the sales contract as funds of the Seller and not the Purchaser. Upon Seller's request, Escrow shall pay such funds to Seller less any cancellation fee.

THE ABOVE SUMMARY IS NOT INTENDED TO BE A THOROUGH AND EXHAUSTIVE EXPLANATION OF ALL TERMS AND PROVISIONS CONTAINED IN THE AGREEMENT. WHILE ONE CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE AGREEMENT, HE OR SHE MUST REFER TO THE ACTUAL AGREEMENT TO DETERMINE THE RIGHTS AND OBLIGATIONS OF THE PARTIES. IF ANY CONFLICT OR DIFFERENCE EXISTS BETWEEN THIS SUMMARY AND THE AGREEMENT, THE AGREEMENT WILL CONTROL AND NOT THIS SUMMARY.
