

**DEVELOPER'S PUBLIC REPORT
FOR A CONDOMINIUM**

CONDOMINIUM PROJECT NAME	MANOA HALE
Project Address	3156 Oahu Avenue Honolulu, Hawaii 96822
Registration Number	7063 (Conversion)
Effective Date of Report	March 30, 2011
Developer(s)	Frank T. Rogers, as Trustee

Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

SPECIAL NOTICE:

1. This Public Report does NOT constitute an approval of the project by the Real Estate Commission.
2. This Project does NOT involve the sale of individual subdivided lots. The land area beneath and immediately adjacent to each unit as shown on the Condominium Map is designated as a limited common element for that unit and does not represent a legally subdivided lot. The dotted lines on the Condominium Map merely represent the location of the limited common element assigned to each unit.
3. Facilities and improvements normally associated with County approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for and services such as County street maintenance and trash collection will not be available for interior roads and driveways.
4. Unit 3156A (Ohana Unit). On May 12, 2010, a zoning adjustment (File No. 2010/ZA-9) was approved with conditions to allow the rebuilding of Unit 3156A (see attached Exhibit "L"). Any future rebuilding or reconstruction of Unit 3156A would require a new zoning adjustment from the City and County of Honolulu. Prospective purchasers should carefully consider the impacts of this requirement and consult with legal counsel regarding its potential impact on ownership and mortgage financing of Unit 3156A.
5. As described in this report, Unit 3156A was substantially rebuilt and enlarged in 2011. The general contractor for that work provided the Developer a warranty regarding the work, but the Developer has elected NOT to pass that warranty through to purchasers of Unit 3156A. Further, as set forth below the Developer makes no warranties regarding the Units in this project. ACCORDING, PURCHASERS OF THE UNITS IN THIS PROJECT SHOULD BE AWARE THAT ALTHOUGH THE UNITS ARE NEWLY RENOVATED OR REBUILT THERE ARE NO WARRANTIES REGARDING THE UNITS BY THE DEVELOPER OR THE DEVELOPER'S CONTRACTOR, INCLUDING WARRANTIES OF CONSTRUCTION, WORKMANSHIP OR MATERIALS WITH RESPECT TO THE NEWLY REBUILT UNIT 3156A. THIS MEANS THAT IF PURCHASERS DISCOVER ANY DEFECTS WITH EITHER UNIT, THEY WILL HAVE NO WARRANTY CLAIM AGAINST THE DEVELOPER OR THE DEVELOPER'S CONTRACTOR, AND MAY THEREFORE BEAR THE ENTIRE COST OF REMEDYING THOSE DEFECTS. PURCHASERS SHOULD CAREFULLY CONSIDER THIS IN DECIDING WHETHER TO PROCEED WITH A PURCHASE, AND ARE STRONGLY ENCOURAGED TO HAVE THEIR OWN PROFESSIONAL INSPECTION OF THEIR UNIT BEFORE BUYING.
6. BUILDING AND OTHER IMPROVEMENTS. The Developer does not make any warranties for the Project. The Project is being sold in "as is" condition. SEE ABOVE PARAGRAPH 5 FOR IMPORTANT DISCLOSURES REGARDING THE LACK OF WARRANTIES FOR THIS PROJECT.
7. THIS REPORT AND OTHER PROJECT INSTRUMENTS AND DOCUMENTS WERE PREPARED BY THE DEVELOPER AND/OR THEIR AGENT AND NOT AN ATTORNEY.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

----------	------------------------------

Note: Net Living Area is the floor area of the unit measured from the interior surface of the perimeter walls of the unit. Other documents and maps may give floor area figures that differ from those above because a different method of determining floor area may have been used.

1.4 Parking Stalls

Total Parking Stall in the Project:	4
Number of Guest Stalls in the Project:	0
Number of Parking Stalls Assigned to Each Unit:	2
Attach Exhibit _____ specifying the Parking Stall number(s) assigned to each unit and the type of parking stall(s) (regular, compact or tandem and indicate whether covered or open).	
If the Developer has reserved any rights to assign or re-assign parking stalls, describe such rights.	

1.5 Boundaries of the Units

Boundaries of the unit: See Exhibit "B"
--

1.6 Permitted Alterations to the Units

Permitted alterations to the unit (if the unit is defined as a non-physical or spatial portion of the project, also describe what can be built within such portion of the project): See Exhibit "I"
--

1.7 Common Interest

Common Interest: Each unit will have a percentage interest in the common elements appurtenant to each unit. This interest is called the "common interest". It is used to determine each unit's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by unit owners. The common interest for each unit in this project, as described in Declaration, is:
Described in Exhibit _____ .
As follows: Unit 3156: 50% Unit 3156A: 50%

1.8 Recreational and Other Common Facilities (Check if applicable):

<input checked="" type="checkbox"/>	Other (describe): parking area

1.9 Common Elements

Common Elements: Common elements are those parts of the condominium project other than the individual units and any other real estate for the benefit of unit owners. Although the common elements are owned jointly by all unit owners, those portions of the common elements that are designated as limited common elements (see Section 1.10 below) may be used only by those units to which they are assigned. In addition to the common facilities described in Section 1.8 above, the common elements for this project, as described in the Declaration, are set forth below.

Described in Exhibit "C" _____.

Described as follows:

Common Element	Number
Elevators	0
Stairways	0
Trash Chutes	0

1.10 Limited Common Elements

Limited Common Elements: A limited common element is a portion of the common elements that is reserved for the exclusive use of one or more but fewer than all units in the project.

Described in Exhibit "D" _____.

Described as follows:

1.11 Special Use Restrictions

The Declaration and Bylaws may contain restrictions on the use and occupancy of the units. Restrictions for this project include, but are not limited to, those described below.

<input type="checkbox"/>	Pets:
<input type="checkbox"/>	Number of Occupants:

<input checked="" type="checkbox"/>	There are no special use restrictions.

1.12 Encumbrances Against Title

An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of a unit in the project. Encumbrances shown may include blanket liens which will be released prior to conveyance of a unit (see Section 5.3 on Blanket Liens).

Exhibit "E" _____ describes the encumbrances against title contained in the title report described below.

Date of the title report: January 13, 2011

Company that issued the title report: Fidelity National Title Insurance Company

Describe any variances that have been granted to zoning code			See Exhibit "L"	

1.14 Other Zoning Compliance Matters

Conforming/Non-Conforming Uses, Structures and Lots

In general, a non-conforming use, structure or lot is a use, structure or lot that was lawful at one time but that does not now conform to present zoning requirements. Under present zoning requirements, limitations may apply to extending, enlarging or continuing the non-conformity and to altering and repairing non-conforming structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

If a variance has been granted or if uses, structures or lots are either non-conforming or illegal, the purchaser should consult with county zoning authorities as to possible limitations that may apply in situations such as those described above.

A purchaser may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure or lot.

	Conforming	Non-Conforming	Illegal
Uses	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Structures	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lot	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

If a non-conforming use, structure or lot exists in this project, this is what will happen under existing laws or codes if the structure is damaged or destroyed:

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

Land Court or Bureau of Conveyances	Date of Document	Document Number
Land Court	January 5, 2011	4039211

Amendments to Declaration of Condominium Property Regime

Land Court or Bureau of Conveyances	Date of Document	Document Number
Land Court	March 17, 2011	4057503

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

Land Court or Bureau of Conveyances	Date of Document	Document Number
Land Court	January 5, 2011	4039212

Amendments to Bylaws of the Association of Unit Owners

Land Court or Bureau of Conveyances	Date of Document	Document Number

3.3 Condominium Map

The Condominium Map contains a site plan and floor plans, elevations and layout of the condominium project. It also shows the floor plan, unit number and dimensions of each unit.

Land Court Map Number	2090
Bureau of Conveyances Map Number	
Dates of Recordation of Amendments to the Condominium Map:	

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:		
Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input type="checkbox"/>	
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>	

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	100%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input checked="" type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input type="checkbox"/>	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House Rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows:

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

<u>Management of the Common Elements:</u> The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.	
The initial Condominium Managing Agent for this project is (check one):	
<input type="checkbox"/>	Not affiliated with the Developer
<input checked="" type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

<u>Estimate of the Initial Maintenance Fees:</u> The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit "G" contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:

5. SALES DOCUMENTS

5.1 Sales Documents Filed with the Real Estate Commission

<input checked="" type="checkbox"/>	Specimen Sales Contract Exhibit "J" contains a summary of the pertinent provisions of the sales contract. Including but not limited to any rights reserved by the Developer.
<input checked="" type="checkbox"/>	Escrow Agreement dated: January 5, 2011 Name of Escrow Company: Fidelity National Title and Escrow of Hawaii, Inc. Exhibit "H" contains a summary of the pertinent provisions of the escrow agreement.
<input type="checkbox"/>	Other:

5.2 Sales to Owner-Occupants

If this project contains three or more residential units, the Developer shall designate at least fifty percent (50%) of the units for sale to Owner-Occupants.

<input type="checkbox"/>	The sales of units in this project are subject to the Owner-Occupant requirements of Chapter 514B.
<input type="checkbox"/>	Developer has designated the units for sale to Owner-Occupants in this report. See Exhibit ____ .
<input type="checkbox"/>	Developer has or will designate the units for sale to Owner-Occupants by publication.

5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

<input type="checkbox"/>	There are <u>no</u> blanket liens affecting title to the individual units.
<input checked="" type="checkbox"/>	There are <u>blanket liens</u> that may affect title to the individual units.

Type of Lien	Effect on Purchaser's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance
Mortgage	If Developer defaults under its mortgage then the Buyer's contract may be canceled. Upon cancellation all of the Buyer's deposits will be refunded less any escrow cancellation fees.

5.4 Construction Warranties

Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:

Building and Other Improvements:

See Paragraphs 5 and 6 on Page 1a

Appliances:

The Developer will pass on the manufacturer's warranties made to it, if any, and if such warranties can be transferred on any appliances included as part of the Unit being purchased.

5.5 Status of Construction, Date of Completion or Estimated Date of Completion

<p>Status of Construction: Unit 3156 was originally constructed in 1939 and renovated in 2008. Unit 3156A was originally constructed in 1988, and has been renovated, enlarged and completed in March, 2011.</p>
<p>Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.</p>
<p>Completion Deadline for any unit not yet constructed, as set forth in the sales contract:</p>
<p>Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract:</p>

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i></p>
-------------------------------------	--

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):

<input type="checkbox"/>	<p>For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or</p>
<input type="checkbox"/>	<p>For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.</p>

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

1.	Developer's Public Report
2.	Declaration of Condominium Property Regime (and any amendments)
3.	Bylaws of the Association of Unit Owners (and any amendments)
4.	Condominium Map (and any amendments)
5.	House Rules, if any
6.	Escrow Agreement
7.	Hawaii's Condominium Property Act (Chapter 514B, HRS, as amended) and Hawaii Administrative Rules (Chapter 16-107, adopted by the Real Estate Commission, as amended), provided that rules and regulations under Chapter 514B have not yet been adopted.
8.	Other:

Copies of the condominium and sales documents and amendments made by the Developer are available for review through the Developer or through the Developer's sales agent, if any. The Condominium Property Regime law (Chapter 514B, HRS) and the Administrative Rules (Chapter 107, HAR), are available online. Please refer to the following sites:

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.
(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

(b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or

(c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

HAZARDOUS MATERIALS

The Developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The Developer has made no independent investigation as to asbestos or other hazardous substances in the apartments or in, under and around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos or other hazardous substances in the apartments, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the apartment inspected to determine the extent (if any) of such contamination and any necessary remedial action. The Developer will not correct any defects in the apartments or in the Project or anything installed or contained therein and Buyer expressly releases the Developer from any liability to Buyer if any hazardous materials are discovered.

LEAD WARNING STATEMENT

Pursuant to federal law, 42, U.S.C. 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead based paid hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

DISCLOSURE RE: SELECTION OF REAL ESTATE BROKER:

As of the effective date of this Developer's Public Report, the Developer has not executed a listing agreement for the sale of this condominium project with any duly licensed Hawaii real estate broker. Thus, the Developer cannot offer to sell or sell any units in this registered condominium project until: (1) the Developer executes a listing agreement for the sale of this condominium project, 2) amends this Developer's Public Report to reflect the new information, and (3) delivers this Developer's Public Report and any amendments to the prospective purchaser. The conditions for a binding sales contract are listed on pages 16-17, paragraph 5.8.1.

EASEMENT IN FAVOR OF UNIT 3156.

A portion of the roof of Unit 3156, together with some window sills, encroach onto Dwelling Area 3156A. The Owner of Unit 3156A has granted an easement in favor of Unit 3156 to allow such encroachment. Unit 3156 is also granted an easement for access purposes for maintenance of the encroaching roof and window sills.

EASEMENT IN FAVOR OF UNIT 3156A.

Unit 3156A has appurtenant thereto a perpetual easement for pedestrian access purposes across that portion of Dwelling Area 3156, as shown and designated on the Condominium Map as "Easement A".

ACTIVE BUILDING PERMIT FOR UNIT 3156A. As of the date hereof, there is one building permit outstanding and active with respect to Unit 3156A. Developer must close out this permit (and any work associated with it) prior to offering Unit 3156A for sale to a buyer.

RENOVATION OF UNITS. Developer states the following:

Unit 3156 was originally constructed in 1939, and Developer has extensively renovated the Unit when he acquired the Project in 2008. Developer has replaced most of the electrical to ensure the plugs were grounded. The Unit was freshly painted and new flooring was installed together with new kitchen cabinets, new appliances and new hot water solar heater. Unit 3156 has a standing seam metal roof, which is the most maintenance free roof in Hawaii, and said roof is approximately six or seven years old. See engineer's report attached hereto as Exhibit "M".

Unit 3156A was originally built in 1988 and has been renovated, enlarged in March, 2011. The Unit is a newly built house (except for parts of the foundation and walls that were in good shape and have been retained) with new paint, new roof, walls and flooring in addition to new windows and doors, new plumbing and electrical fixtures. See engineer's report attached hereto as Exhibit "M".

Management Conflicts & Deadlocks; Dispute Resolution. The Project's Association of Unit Owners and Board of Directors are responsible for management of the Project. Under the Declaration and Bylaws for this Project, any decision of the Project's Association or Board requires the concurrence of both Owners or their designated representatives on the Board, respectively. The Declaration and Bylaws contain no provisions for breaking deadlocks. In the event of conflicts, disputes or deadlocks between the Owners or their representatives on the Board that cannot resolved by mutual agreement, the Owners' recourse will be to mediation Section 514B-161 of the Act, arbitration pursuant to Section 514B-162 of the Act, or litigation in court. Those methods of dispute resolution can be costly and time-consuming. Where there are disputes between Owners, this management structure can impair the efficient operation of the Project.

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

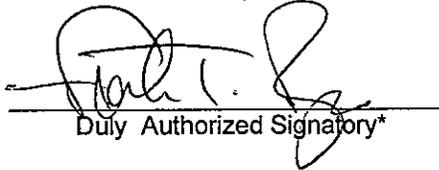

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

EXHIBIT "A"

Description of Unit Types and Sizes of Units

Unit 3156. Unit 3156 was originally constructed in 1939 and renovated from time to time. On the lower level of Unit 3156 are located two wet bars, two and one-half bathrooms and three (3) bedrooms. On the upper level of Unit 3156 are located a kitchen, dining room, family room, den/library, living room, two (2) bathrooms and two (2) bedrooms. The total net living area of the Unit is approximately 2,908 square feet. Unit 3156 also contains a lanai of approximately 724 square feet.

Unit 3156A. Unit 3156A was originally constructed in 1988 and is being renovated and enlarged, and will be completed in February 2011. On the lower level of Unit 3156A are located a kitchen, living/dining room, two (2) bathrooms and two (2) bedrooms. On the upper level of Unit 3156A are located a great room, wet bar, study, utility room, two (2) bathrooms and two (2) bedrooms. The total net living area of the Unit is approximately 2,206 square feet. Unit 3156A also contains a covered lanai of approximately 238 square feet, and two (2) decks, the total area of which is approximately 237 square feet.

Construction Materials

Unit 3156 and Unit 3156A are constructed principally of wood. Both Units are built on a concrete slab foundation. Unit 3156 has a standing seam metal roof, and Unit 3156A has a built-up Elastomeric membrane roof system.

EXHIBIT "B"

Boundaries of the Units

Paragraph 3.10 of the Declaration states:

3.10 Designation and Boundaries of Units.

(a) One (1) freehold estate is hereby designated in each of the two (2) Units within the Project.

(b) Each Unit consists of (i) all footings, floors, foundations, perimeter walls and roofs of the building and all other improvements from time to time located upon the Dwelling Area appurtenant to the Unit; (ii) all of the space, fixtures, walls and other improvements located within such footings, floors, foundations, perimeter walls and roofs; (iii) all exterior surfaces and finishes of such footings, floors, foundations, perimeter walls and roofs; (iv) all decks, lanais, porches, steps, stairs or other improvements physically attached to any such building which is for the exclusive use of such Unit; and (v) all portions of any carport or garage attached to any building or any parking stall located on the Dwelling Area appurtenant to the Unit and which is for the exclusive use of the Owner of such Unit. Notwithstanding the foregoing, a Unit shall not be deemed to include any pipes, wires, ducts, conduits, or other utility or service lines running through a Unit which are utilized by or which serve any other Unit.

(c) The foregoing, as initially established or as hereafter changed pursuant to Paragraph 19.1 of this Declaration, is referred to herein as a "Unit."

(d) Should the descriptions and divisions set forth in this Declaration conflict with the depictions and divisions shown on the Condominium Map, the Condominium Map shall control. The Condominium Map, however, is intended to show only the layout, location, Unit numbers and dimensions of the Units and elevations of the buildings and is not intended and shall not be deemed to contain or make any other representation or warranty.

The approximate net living floor areas set forth in this Declaration or on the Condominium Map are based on measurements taken from the interior surface of all perimeter walls.

EXHIBIT "C"

Common Elements

Paragraph 4 of the Declaration designates certain portions of the Project as "common elements", including specifically but not limited to:

COMMON ELEMENTS.

One freehold estate is also designated in all the portions of the Project other than the Units. Such are referred to as "common elements". The common elements include, but are not limited to:

- (a) The Land in fee simple;
- (b) Any pipes, wires, ducts, conduits or other utility or service lines, drainage ditches or appurtenant drainage structures and retaining walls (if any), which are located outside the Units and which are utilized for or serve more than one Unit; and
- (c) Any fences, walls and trees that are located on the boundaries separating the Dwelling Areas appurtenant to each of the Units.
- (d) The "'Common Element" 584 Sq. Ft.", as shown on the Condominium Map.

EXHIBIT "D"

Limited Common Elements

Paragraph 5 of the Declaration designates:

LIMITED COMMON ELEMENTS.

Certain parts of the common elements, referred to as the "limited common elements", are designated and set aside for the exclusive use of certain of the Units, and each Unit has appurtenant thereto exclusive easements for the use of all such limited common elements set aside and reserved for such Unit's exclusive use.

Unless otherwise specified, all costs of every kind pertaining to a limited common element, including but not limited to, costs of landscaping, maintenance, repair, replacement and improvement, shall be paid for by the Owner of the Unit to which such limited common element is appurtenant.

1. The limited common elements so set aside and reserved for the exclusive use of Unit 3156 are as follows:

(a) The site on which Unit 3156 is located, consisting of the land area beneath and immediately adjacent to Unit 3156, as shown and delineated on the Condominium Map as "'Dwelling Area 3156" 3,445 Sq. Ft." (including the airspace above such site) is for the exclusive benefit of Unit 3156 (which may be herein referred to as "Dwelling Area 3156");

(b) A mailbox designated by Declarant for the use of Unit 3156; and

(c) The two (2) uncovered parking stalls located in the area designated on the Condominium Map as "Parking for the Exclusive Use of Unit 3156".

2. The limited common elements so set aside and reserved for the exclusive use of Unit 3156A are as follows:

(a) The site on which Unit 3156A is located, consisting of the land beneath and immediately adjacent to Unit 3156A, as shown and delineated on the Condominium Map as "'Dwelling Area 3156A" 3,173 Sq. Ft." (including the airspace above such site) is for the exclusive benefit of Unit 3156A (which may be herein referred to as "Dwelling Area 3156A");

(b) A mailbox designated by Declarant for the use of Unit 3156A; and

(c) The two (2) uncovered parking stalls located in the area designated on the Condominium Map as "Parking for the Exclusive Use of Unit 3156A".

3. Any other common element of the Project which is rationally related to fewer than all the Units shall be deemed a limited common element appurtenant to and for the exclusive use of such Unit to which it is rationally related.

Note: The "Dwelling Areas" herein described are not legally subdivided lots.

Dear Ms. Hung:

Subject: Condominium Conversion Project
3156 Oahu Avenue
Tax Map Key: 2-9-035: 023

This is in response to your letter dated November 25, 2009, requesting verification that the structures on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the two-story single-family detached dwelling and the one-story Ohana dwelling with four all-weather-surface off-street parking spaces met all applicable code requirements when they were constructed in 1939 and 1988, respectively, on this 7,202-square-foot R-7.5 Residential-District-zoned lot.

On August 14, 2009, Building Permit No. 645707 was issued for a two-story addition/alteration to the existing Ohana dwelling unit. A zoning adjustment was required for the addition to the Ohana dwelling unit. On May 12, 2010, a zoning adjustment (File No. 2010/ZA-9) was approved with conditions to allow the rebuilding of the Ohana dwelling. This building permit is still active.

For your information, the Department of Planning and Permitting cannot determine all legal nonconforming uses or structures, as a result of the adoption or amendment of any ordinance or code.

No variances or other permits were granted to allow deviations from any applicable codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

Honolulu, Hawaii 96822

Telephone: (808) 383-6932
- (c) MANAGING AGENT: Self-Managed by the Association of Apartment Owners

2. Breakdown of annual maintenance fees and monthly estimate costs for each unit are more fully described on Exhibit "1" attached hereto (revised and updated every twelve (12) months and certified to have been based on generally accepted accounting principles).

Note: Developers disclose that no reserve study was done in accordance with Chapter 514B-148, HRS, and replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended.

3. DESCRIPTION OF ALL WARRANTIES COVERING THE UNITS AND COMMON ELEMENTS:

The Developer is not giving any warranty on the materials and workmanship of the Units.

4. USE OF UNITS. The MANOA HALE Condominium Project will consist of two (2) units which shall be occupied and used only for residential purposes by the respective owners thereof, their tenants, families, domestic servants and social guests and for any other purpose permitted by the Land Use Ordinance for the City and County of Honolulu ("LUO") then in effect.

Unit 3156A is hereby designated as the "Ohana" Unit within the Project. Its use is subject to the "ohana" rules under the LUO and other ordinances of the City and County of Honolulu, as such may be amended from time to time.

Summary of the Material Provisions of the Escrow Agreement

Summary of the Condominium Escrow Agreement between the Developer and Fidelity National Title & Escrow of Hawaii.

1. All deposits will be paid to Escrow. A copy of each Sales Contract and all payments made to purchase a Unit shall be turned over to the Escrow Agent. Any interest earned on funds deposited in escrow shall accrue to the credit of the Developer; except that, if Escrow is requested to establish a separate account for a purchaser, the purchaser shall pay Escrow a fee of \$25.00 for each such separate account and shall furnish Escrow the purchaser's social security or federal identification number, and any interest earned on funds deposited in such account shall accrue to the credit of the purchaser.

2. Conditions to be Met Prior to Disbursement. No disbursements of funds held in escrow with respect to a sales contract shall be made unless and until the following conditions have been fulfilled:

(a) The Real Estate Commission shall have issued an effective date of the Developer's Public Report on the Project;

(b) The purchaser shall have been given and shall have acknowledged receipt of (i) a copy of said Public Report and (ii) notice of purchaser's thirty-day cancellation right upon a form prescribed by the Real Estate Commission;

(c) The purchaser shall have waived the right to cancel or be deemed to have the right to cancel, in accordance with Section 514B-86 of the Act; and

(d) The Developer shall have given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract.

At the request of Escrow, Developer's attorney shall delivered a written opinion to Escrow that the foregoing conditions shall have been complied with and the purchaser's sales contract has become effective.

3. Return of Funds and Documents. A purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such purchaser, without interest, if any one of the following has occurred:

(a) Developer and the purchaser shall have requested Escrow in writing to return to purchaser the funds of purchaser held hereunder by Escrow; or

(b) Developer shall have notified Escrow of Developer's exercise of any option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer; or

(c) A purchaser shall have exercised his thirty-day cancellation right to rescind the sales contract pursuant to Section 514B-86 of the Act; or

(d) In the event of a material change in the Project, a purchaser shall have exercised his thirty-day cancellation right to rescind the contract pursuant to Section 514B-87 of the Act.

In any of the foregoing events, Escrow shall, upon the occurrence of the event described in (a) or (b) above or upon receipt of a written request for a refund from purchaser upon the occurrence of an event described in (c) or (d) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to said purchaser (less a cancellation fee commensurate with the work done by Escrow prior to such cancellation) and thereupon said sales contract and any conveyance document theretofore delivered to Escrow shall be returned to Developer and shall be deemed no longer held hereunder; provided, however, that no refund shall be made to a purchaser at purchaser's request prior to receipt by Developer of written notice from Escrow of its intent to make such refund and the purchaser shall not be required to pay a cancellation fee to Escrow for any rescission pursuant to HRS §514B-87.

(e) If the purchaser indicated the purchaser's intention to be an owner-occupant of a Unit under Section 514B-95 et. seq. of the Act by signing a document entitled "Affidavit of Intent to Purchase and Reside in an Owner-Occupant Designated Condominium Residential Unit," and if the purchaser and the Developer so request in writing, Escrow will refund the purchaser's deposits upon the occurrence of any of the following events:

(i) No sales contract has been offered to the purchaser (A) within six (6) months of the issuance of an effective date for the Project's first condominium public report (if the "chronological system" defined in section 514B-95 of the Act has been used to establish a final reservation list), or (B) within six (6) months of the public lottery (if the "lottery system" described in section 514B-95 of the Act has been used to establish a final reservation list). In this case only, no cancellation fees will be subtracted from the refund; or

(ii) Before signing a sales contract, the purchaser requests that his name be removed from the Developer's final reservation list; or

(iii) The purchaser chooses not to sign a sales contract; or

(iv) The purchaser is unable to obtain a loan (or a commitment for a loan) for sufficient funds to purchase the Unit by the time the sales contract allows the purchaser to obtain a loan or a commitment for a loan, and either the purchaser or the Developer chooses to cancel the sales contract. The Act requires that the purchaser shall have at least fifty (50) calendar days from the day the Developer signs and accepts the sales contract to obtain a loan or a commitment for a loan; or

(v) The purchaser is required by the Act to rescind the sales contract because the purchaser will not or cannot reaffirm at closing the purchaser's intention to be an owner-occupant of the Unit. In this case, Escrow will refund only what remains (if anything) of purchaser's deposits after Escrow pays the Developer the greater of five percent (5%) of the purchaser's deposits or a sum equal to the Developer's actual damages caused by the purchaser's rescission of the sales contract.

Except for cancellations under subparagraph (e) (i) above, Escrow may deduct from any such refund made to a purchaser a cancellation fee as set forth above.

4. Purchaser's Default. Developer shall give notice in writing to Escrow of the occurrence of each event which initiates an obligation of a purchaser to make a payment to Escrow pursuant to the sales contract as well as notice of the amount and due date of such payment. Escrow shall thereupon promptly give the purchaser notice of the amount and due date of such payment. If the purchaser fails to make such payment to Escrow on or before the due date thereof or if the purchaser fails to perform in any matter which is being handled by Escrow, Escrow shall promptly notify Developer of any such failure on the part of the purchaser. If Developer subsequently certifies in writing to Escrow that Developer has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's sales contract as funds of Developer and not as funds of the purchaser. Thereafter, such funds shall be free of the escrow established by Developer. Upon written request by Developer, Escrow shall pay such sums to Developer, less any escrow cancellation fee, shall return to Developer the sales contract of such purchase and any other documents theretofore delivered by Developer to Escrow, and shall return other documents theretofore delivered to Escrow in connection with the purchase of the unit to the person from whom, or entity from which, such documents were received; and, Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.

PERMITTED ALTERATIONS TO UNITS

Paragraph 19.1 of the Declaration states:

"19.1 **Changes to Units.** Notwithstanding anything to the contrary contained in the Declaration, a Unit Owner, with the consent by the holder of any mortgage affecting the Owner's Unit (if required by such mortgage), shall have the right at his sole option at any time and from time to time without the consent of any other Unit Owner or other person or entity, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make or build improvements upon the Dwelling Area appurtenant to his Unit (each of the foregoing is referred to as a "change" and collectively, they are referred to as "changes") subject to the following conditions:

(i) All building plans for any such changes shall conform with applicable City and County building, zoning laws and ordinances. In particular, any change relating to Unit 3156A, which is an "ohana" unit, shall conform to City and County of Honolulu LUO and any other ordinances relating to "Ohana" dwellings, as such may be amended from time to time.

Note that Zoning Adjustment may be required.

(ii) Any change to a Unit must be made within the Dwelling Area which is appurtenant to the Unit;

(iii) No change to a Unit will be made if the effect of such change would be to exceed the Unit's "proportionate share" of allowable development rights applicable to the Land (such to include without limitation, maximum building areas and number of units) as set forth in the LUO when the change is to be made; provided, that each Unit shall be allocated at least one unit; and provided also, that if one Unit (such as an ohana unit) may not be legally enlarged, then any such additional floor area allowed under the LUO on the Land may be utilized by the other Unit. The "proportionate share" for each Unit shall be the same as its common interest in the Land.

(iv) All such changes shall be at the expense of the Owner making the change and shall be expeditiously made and in a manner that will not unreasonably interfere (except on a temporary basis) while such change is being made with the other Owner's use of his Unit or its appurtenant Dwelling Area.

(v) The Owner of the changed Unit shall have the right to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the Unit affected by such change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any interruption in the service of such utilities to any other part of the Project or otherwise materially interfere with their use by the other Owner;

(vi) If the consent to the change or joinder of the other Owner in obtaining a permit or utilities, for example, is required by the Act, a governmental entity or a utility, then each Owner shall give such consent or joinder promptly following the request of the Owner making such change, provided that all costs and expenses associated with the change shall be borne by the Unit Owner making such change.

(vii) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a Dwelling Area shall reserve to each Owner the rights set forth in this paragraph."

EXHIBIT "J"

SUMMARY OF SALES CONTRACT

The Sales Contract consists of two documents: a Hawaii Association of Realtors Standard form "Purchase Contract" ("Purchase Contract") and a document attached to the Purchase Contract which is entitled "Special CPR Provisions to the Purchase Contract" ("Special Provisions").

The Special Provisions are intended to amend the Purchase Contract, and unless the context would indicate clearly to the contrary, then in the event of any conflict between a provision contained in the Special Provisions and a provision contained in the Purchase Contract, the provision contained in the Special Provisions will prevail.

1. Description of the Property to be Conveyed: Fee simple title to the Unit, together with the furnishings and appliances, if any, and the undivided interest in the common elements set forth in the Purchase Contract. Title will be conveyed subject to the encumbrances of record.
2. Purchase Price and Terms. The purchase price for the Unit is set forth on page 2 of the Purchase Contract is to be paid in the method and at the times set forth in the Purchase Contract. This may include payment of (a) an initial deposit; (b) an additional cash deposit, if set forth in the Purchase Contract; and (c) the balance of the purchase price is to be paid to escrow by purchaser on or before closing.
3. Financing of Purchase. Paragraph C-24 of the Purchase Contract Form (if elected) provides if Buyer desires financing, a loan application must be made within a certain number of days and if Buyer's application is not approved within a certain number of days after the application, then either Seller or Buyer may cancel the Sales Contract. Upon such cancellation, Buyer's deposits will be refunded by escrow without interest.
4. Closing Costs. Closing costs and escrow fees are to be shared in accordance with the Purchase Contract, except that Seller does have the option to require two months' advance payment of Association maintenance fees and a start up expense for the Association of Unit Owners equal to two months' of Association maintenance fees. Buyer's proportionate share of any liability insurance premium, real property taxes, maintenance fees and any other charges with respect to the Property shall be pro-rated between Seller and Buyer as of the date of closing.
5. Closing. Seller has agreed to cause the Unit to be sold to the Buyer within the time period set forth on page 3 of the Purchase Contract .
6. Sales Contract May be Subject to Seller's Mortgage(s).
 - (a) The Sales Contract is an agreement by Seller to transfer the Unit in the future on the closing date. Until closing, Seller has the right to have a mortgage or mortgages placed against the Unit. If the Seller places a future mortgage against the Unit prior to the closing date, Buyer's rights will be subject to such mortgage or mortgages. If Seller were to default under such mortgage or mortgages prior to the closing, then Buyer could lose his rights under the Sales Contract. If such event were to occur, then Buyer's deposits would be returned to him.
 - (b) Notwithstanding that the Sales Contract may be subject to a mortgage or mortgages prior to closing, if the Buyer performs his obligations under the Sales Contract, then Seller is required to convey the Unit to Buyer at closing free and clear of any mortgage.
7. Seller's Rights to Cancel Sales Contract. The Seller may cancel the Sales Contract with the Buyer if (a) Buyer fails to qualify for a permanent loan (if Paragraph C-24 of the Purchase Contract is selected; (b) Buyer defaults under the Sales Contract (paragraph 6(b) of the Special Provisions); (c) Buyer dies prior to Closing Date (paragraph 6(a) of the Special Provisions) or (d) the Developer's Public Report shall not have been issued and Buyer shall not have waived his right to cancel (called the "Effective Date"). Pursuant to Paragraph 6(b) of the Special Provisions, if Buyer fails to close as required, then in the case only of non-monetary default after ten (10) days following Seller's notice of Buyer's default or otherwise without notice as to monetary defaults, the Seller may cancel the Sales Contract and all sums previously paid by Buyer will belong absolutely to the Seller as liquidated damages. Additionally, Seller may pursue any other remedy, and all costs, including reasonable attorney's fees, incurred by reason of default by the Buyer shall be borne by the Buyer. Time is the essence of the Sales Contract.

8. Rights of Buyer to Cancel the Sales Contract.

(A) Paragraph 6 of the Sales Addendum gives the Buyer the right to cancel the Sales Contract for any reason subject to the conditions set forth therein. Pertinent provisions within Paragraph 6 are as follows:

- "(a) The Buyer may cancel the Sales Contract at any time up to midnight of the thirtieth day after:
- (i) The date that the Buyer signs the Sales Contract; and
 - (ii) All of the items specified in subsection (a)(1) of §514B-86 HRS (which are listed in Paragraph 11 [of the Sales Contract]) have been delivered to the Buyer.
- (b) If the Buyer cancels, then the Buyer will be entitled to receive the refund of any down payment or deposit, less any escrow cancellation fees and other costs associated with the purchase, which cost and fees shall not exceed \$250.
- (c) The Buyer may waive the right to cancel, or shall be deemed to have waived the right to cancel, by:
- (i) Checking the waiver box on the cancellation notice and delivering it to the Seller.
 - (ii) Letting the thirty-day cancellation period expire without taking any action to cancel; or
 - (iii) Closing the purchase of the unit before the cancellation period expires.

(B) Paragraph 7 of the Sales Addendum gives the Buyer the right to cancel the Sales Contract if there are material changes in the Property or the Project, subject to the conditions set forth therein. Pertinent provisions within Paragraph 7 are as follows:

"(a) Rescission Right. Except for any additions, deletions, modifications and exercise by Seller of reservations made pursuant to the terms of the Declaration of Condominium Property Regime for the Project, the Buyer may rescind his purchase of the Property even though this sales contract is binding upon him if there is a material change in the Project which directly, substantially, and adversely affects the use or value of (1) the Buyer's Property or appurtenant limited common elements, or (2) those amenities of the Project available for the Buyer's use.

(b) Waiver of Rescission Right. Upon delivery to the Buyer of a description of the material change on a form prescribed by the Real Estate Commission, the Buyer may waive the buyer's rescission right provided in subsection (a) by:

- (i) Checking the waiver box on the option to rescind sales contract instrument, signing it, and delivering it to the Seller;
- (ii) Letting the thirty-day rescission period expire without taking any action to rescind;
or
- (iii) Closing the purchase of the unit before the thirty-day rescission period expires.

(c) In the event of rescission pursuant to the provisions of this section, the Buyer shall be entitled to a prompt and full refund of any moneys paid."

(C) Buyer may also cancel the Sales Contract if Buyer fails to qualify for permanent financing if Paragraph C-24 of the Purchase Contract has been selected.

9. Paragraph 11 of the Special Provisions provides that the Buyer acknowledges Buyer having received (a) a true copy of the Developer's Public Report including all amendments with an effective date issued by the Real Estate Commission, together with the Project's recorded declaration and bylaws, house rules if any, a letter-sized condominium project map, and all amendments. (Provided, that where it is impractical to include a letter-sized condominium project map, the prospective purchaser or purchaser shall have an opportunity to examine the map), and (b) a notice of the buyer's thirty-day cancellation right on a form prescribed by the Real Estate Commission.

Seller reserves the right to modify the above documents as may be required by law, any title insurance company, or any institutional mortgagee.

10. Paragraph 12 provides that Because of the age of the Property, Seller shall convey the Property (including the common elements) in "as is" condition. This means that SUBJECT TO SELLER'S OBLIGATIONS UNDER CHAPTER 514B, HAWAII REVISED STATUTES, TO MAKE FULL DISCLOSURES REGARDING ALL SUBJECTS COVERED BY THIS DEVELOPER'S PUBLIC REPORT AND ANY OTHER FACTS, DOCUMENTS OR INFORMATION THAT WOULD HAVE A MATERIAL IMPACT ON THE USE OR VALUE OF A UNIT OR ANY LIMITED COMMON ELEMENTS OR AMENITIES OF THE PROJECT: (i) Buyer is assuming all risks as to the condition of the Property and the Project, including the land; (ii) Seller will not be obligated to correct any defects in the Property or the Project (including the land) or anything installed or contained therein if such defects are later discovered, and (iii) Buyer shall not have the right to file any lawsuit for damages against Seller for any defects later discovered.

The Summary contained in this Exhibit is merely a summary and is not intended to be a substitute for the Buyer's careful review of the Sales Contract.

EXHIBIT "K"

Provisions of Land Use Ordinance Section 21-2.140(i)(1) and (2) relating to Ohana Units presently in effect:

(1) Rebuilding of Ohana Units

Any ohana dwelling unit that is destroyed by any means to the extent of more than fifty percent (50%) of the unit's replacement value may be rebuilt to its previously existing dwelling type under the following conditions:

- (A) It can be demonstrated that the ohana dwelling unit was legally constructed.
- (B) It can be demonstrated that the replacement ohana dwelling unit will meet all current underlying district standards including but not limited to height limits, required yards and setbacks, maximum building area and parking.
- (C) Any ohana dwelling unit rebuilt under the provisions of this subdivision (1) shall not be expanded to increase the floor area beyond the larger of:
 - (i) The floor area shown on approved building plans prior to its destruction; or
 - (ii) The floor area allowable under the current maximum building area development standard in the applicable zoning district.

(2) Expansion

- (A) Notwithstanding subdivision (1), an ohana dwelling unit owned under the provisions of Chapter 514A, Hawaii Revised Statutes, may be expanded; provided that:
 - (i) The declaration of condominium property regime or declaration of horizontal property regime was filed with the bureau of conveyances of the State of Hawaii on or before December 31, 1988; and
 - (ii) The building permit was issued prior to April 28, 1988, the effective date of Ordinance No. 88-48 which placed floor area restrictions on ohana dwellings.
- (B) Expansion of an ohana dwelling unit pursuant to this subdivision (2) is subject to the following conditions:
 - (i) The maximum building area for each dwelling unit on the zoning lot shall not exceed the ratio of that unit's proportionate share of the common interest to the total common interest of all units on the same zoning lot multiplied by the maximum building area of the zoning lot. The common interest shall be as specified in the applicable condominium property regime documents.
 - (ii) Any such expansion shall conform to yard requirements and other development standards for the applicable zoning district.
 - (iii) In the event the maximum building area has already been reached or exceeded, no additional expansion shall be permitted.

DATE: March 16, 2011

I made a limited visual inspection of the structures, electrical, plumbing and mechanical systems of the MANOA HALE condominium project.

The following summary resulted from discussions with the Developer and Owner and from my own observations during this inspection with respect to Unit 3156.

1. Unit 3156 appears to have been originally built 50 or more years ago and was extensively renovated in 2008.

2. Unit 3156 appears to be in good physical and structural condition.

- A. The roof is constructed with standing seam metal roofing.
- B. A small amount of ceiling board that appeared to have been damaged by a leak was replaced at the lower level.
- C. Unit 3156 was repainted both inside and at the exterior.
- D. The upper level balcony was waterproofed with elastomeric paint.
- D. Short retaining walls were built around the property to channel water away from the dwelling.
- E. New flooring was installed together with new kitchen cabinets.
- F. All appliances were replaced.

3. The electrical, plumbing and mechanical systems are operable and in good working order.

- A. Most of the electrical were replaced to ensure the plugs were grounded.
- B. A solar water heater was added.

The following summary is with respect to Unit 3156A:

1. Unit 3156A, hereinafter referred to as "Unit", was originally constructed in 1988 and is renovated and enlarged in 2011. The Unit is a newly built house except for sections of the foundation system and existing walls which are in acceptable condition and are therefore retained.

2. The beams, joists, framing systems as well as the foundation systems of the Unit meet structural requirements and are built according to the plans, with fresh paint, new roof, walls and flooring in addition to new windows and doors, new

plumbing and electrical fixtures.

My inspection was limited and did not include, by way of example, the condition of the soils or roofing or evidence of termite or other pests on the Project.

I have been informed that the Developer will be disclaiming any warranties relating to the construction, materials, design or workmanship of Unit 3156 or Unit 3156A, soils or the common elements of the Project.

Accordingly, my visual inspection should not be a substitute for a more complete inspection by a prospective buyer of either Unit 3156 or Unit 3156A. A prospective buyer is urged to understand the importance of making his own investigation or having an investigation made by trained professionals.

Very truly yours,
