Master Community Association. LAULANI XXI is a condominium project that is also located in the master community association of Ewa by Gentry. As a result, owners in LAULANI XXI are automatically members of the Ewa by Gentry Community Association and are responsible for paying quarterly dues in **addition to** the condominium maintenance fees shown in Exhibit "G". As of January 1, 2013 (and as of the date of this public report), the dues are \$105 per quarter for a total of \$420 per year. No increase in those dues for 2013 is expected as of the date of this public report.

Commencement of Maintenance Fees. Developer will provide the owners in LAULANI XXI with written notice at least thirty (30) days prior to the maintenance fee commencement date. Please see Exhibit "G" of this Developer's Public Report (this "Public Report").

Terminology in Project Documents. The LAULANI XXI condominium documents use the term "Apartment" instead of "Unit" and the term "Apartment Owner" instead of "Unit Owner".

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

Dates of Recordation of Amendments to the Condominium Map:	

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input checked="" type="checkbox"/>	April 2, 2013*
Developer does not plan to adopt House Rules	<input type="checkbox"/>	

* Please see the last paragraph of Section 3 on page 19 of this Public Report regarding a change to the Fining Policy that is attached as Exhibit "A" to the House Rules.

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	75%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input checked="" type="checkbox"/>	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House Rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows: See Exhibit "F"

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

Management of the Common Elements: The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

The Initial Condominium Managing Agent for this project is (check one):

<input checked="" type="checkbox"/>	Not affiliated with the Developer
<input type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

Estimate of the Initial Maintenance Fees: The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit G contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:

5.2 Sales to Owner-Occupants

If this project contains three or more residential units, the Developer shall designate at least fifty percent (50%) of the units for sale to Owner-Occupants.

<input checked="" type="checkbox"/>	The sales of units in this project are subject to the Owner-Occupant requirements of Chapter 514B.
<input type="checkbox"/>	Developer has designated the units for sale to Owner-Occupants in this report. See Exhibit _____.
<input checked="" type="checkbox"/>	Developer has or will designate the units for sale to Owner-Occupants by publication.

5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

<input type="checkbox"/>	There are <u>no blanket liens</u> affecting title to the individual units.
<input checked="" type="checkbox"/>	There are <u>blanket liens</u> that may affect title to the individual units.

<u>Type of Lien</u>	Effect on Purchaser's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance
Mortgage	Lender has priority over Buyer's rights under a sales contract, and has a right to terminate sales contracts upon foreclosure of its mortgage before an apartment sale is closed.

5.4 Construction Warranties

Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:
Building and Other Improvements: See Exhibit "J"
Appliances: See Exhibit "J"

5.5 Status of Construction, Date of Completion or Estimated Date of Completion

Status of Construction: The estimated construction start date of the units is May 2013. The estimated construction completion date of the units is August/early September 2013.
Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract: Subject to certain specific exceptions described in Section G.4 of the Sales Contract, the Developer agrees that completion of construction of each unit will be on or before two years after the buyer signs the Sales Contract for that unit.
Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract:

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

<input type="checkbox"/>	<p>Spatial Units. The Developer hereby declares by checking the box to the left that it is offering spatial units for sale and will not be using purchasers' deposits to pay for any costs to pay for project construction or to complete the project.</p> <p>Should the developer be using purchasers' deposits to pay for any project construction costs or to complete the project including lease payments, real property taxes, architectural, engineering, legal fees, financing costs; or costs to cure violations of county zoning and building ordinances and codes or other incidental project expenses, the Developer has to meet certain requirements, described below in 5.6.1 or 5.6.2.</p>
--------------------------	---

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Sections 5.6.2, which follows below, will not be applicable to the project.</i></p>
-------------------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):

<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has not submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

1. **Developer's Public Report**

2. **Declaration of Condominium Property Regime (and any amendments)**

3. **Bylaws of the Association of Unit Owners (and any amendments)**

4. **Condominium Map (and any amendments)**

5. House Rules, if any

6. Escrow Agreement

7. Hawaii's Condominium Property Act (Chapter 514B, HRS, as amended) and Hawaii Administrative Rules (Chapter 16-107, adopted by the Real Estate Commission, as amended), provided that rules and regulations under Chapter 514B have not yet been adopted.

8. Other:

Master Declaration dated July 21, 1988, as amended (See item 2 of Exhibit "E").
Joint Development Agreement dated July 18, 2008 (See Item 15 of Exhibit "E").

Copies of the condominium and sales documents and amendments made by the Developer are available for review through the Developer or through the Developer's sales agent, if any. The Condominium Property Regime law (Chapter 514B, HRS) and the Administrative Rules (Chapter 107, HAR), are available online. Please refer to the following sites:

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

1. **Ongoing Construction.** Construction of LAULANI XXI will be ongoing while Units are being occupied. This ongoing construction will create dust, noise and increased traffic in the vicinity of occupied Units. Certain hazardous conditions relating to the construction may also exist for a period of time. Additionally, development of the areas around LAULANI XXI will cause dust in and around the Project for several years as development in Ewa by Gentry continues. Buyer understands that Developer will make efforts to minimize the dust but that it is an inevitable result of the ongoing construction.

2. **Ongoing Sales Activity.** Sales activities for LAULANI XXI and neighboring communities will be ongoing. This will result in increased traffic and noise in the vicinity of the sales office located near LAULANI XXI. Portions of the common areas of LAULANI XXI may be used for signage and other sales activities for a period of time while sales are ongoing.

3. **Future Merger.** LAULANI XXI is part of an overall area covered by that certain Agreement for Issuance of Conditional Use Permit under Section 21-5.380 of the Land Use Ordinance (LUO) dated July 18, 2008 and recorded in the Office of the Assistant Registrar of the Land Court of the State of Hawaii ("Land Court") as Document No. 3779579 (the "Joint Development Area"). The Joint Development Area includes the existing Laulani, Laulani II, Laulani III, Laulani IV, Laulani V, Laulani VI, Laulani VII, Laulani VIII, Laulani IX, Laulani X, Laulani XI, Laulani XII, Laulani XIII, Laulani XIV, Laulani XV, Laulani XVI, Laulani XVII, Laulani XVIII, Laulani XIX and Laulani XX condominium communities and LAULANI XXI, as well as additional land that will be developed into residential condominiums similar to LAULANI XXI in the future. The Joint Development Area was designed to operate as a cohesive, integrated detached condominium community that includes shared common facilities and infrastructure, including but not limited to potable water, non-potable well system, irrigation, drain, sewer, and electrical systems, visitor parking stalls, roadways, landscaping a recreation center and mail center. (Developer may later decide to alter development plans to address market conditions and to develop a separate condominium community in the Joint Development Area that differs in design and construction from LAULANI XXI.) The Joint Development Area is also sometimes referred to as "LAULANI" in this Public Report.

The Association of Apartment Owners of Laulani (the "LAULANI AOAO") has been created and incorporated as a Hawaii non-profit corporation. As of the date of this Public Report, the associations of apartment owners for Laulani, Laulani II, Laulani III, Laulani IV, Laulani V, Laulani VI, Laulani VII, Laulani VIII, Laulani IX, Laulani X, Laulani XI, Laulani XII, Laulani XIII, Laulani XIV and Laulani XV have all been administratively merged into the LAULANI AOAO. Developer intends to administratively merge the associations of apartment owners for the rest of the Laulani condominium communities within the Joint Development Area (including LAULANI XXI). The administrative merger of the various Laulani condominium communities into the LAULANI AOAO will be for the purpose of sharing common area costs shared by the various communities (such as roadways, street lighting, utilities, landscaping, recreational facilities and mail center). The use and cost of maintaining and operating the shared infrastructure and facilities will be shared among all owners on a pro rata basis. If the condominium communities in the Joint Development Area have different building types that require different maintenance and reserve assessments, then the LAULANI AOAO will set up cost centers such that each community is responsible only for the maintenance of its building type.

The Board of Directors of the LAULANI AOAO has adopted a schedule of fines and certain protocols for violations of the Declaration, the By-Laws and the House Rules, as set forth in that certain Resolution of the Board of Directors of the Association of Apartment Owners of Laulani Adopting a Schedule of Fines for Violations of the Declaration, ByLaws, and House Rules, adopted on May 1, 2012 (the "May 2012 Resolution"). The Board of Directors of the LAULANI AOAO has adopted a change in

the House Rules regarding temporary structures, as set forth in that certain Association of Apartment owners of Laulani Resolution Adopting House Rule Regarding Temporary Structures, adopted February 5, 2013 (the "February 2013 Resolution"). The Board of Directors of the LAULANI AOA has also adopted a Visitor Stall Parking & Tow Policy dated February 1, 2011. The fines and violation protocols in the May 2012 Resolution differ somewhat from what is set forth in the Fining Policy that is attached as Exhibit "A" to the House Rules that the Developer will provide to Buyers of Units at LAULANI XXI. The rules regarding temporary structures in the February 2013 Resolution differ from what is set forth in the House Rules that the Developer will provide to Buyers of units at LAULANI XXI. Buyers should be aware that, upon the administrative merger of LAULANI XXI into the LAULANI AOA, Unit owners in LAULANI XXI will be subject to the fines and violation protocols set forth in the May 2012 Resolution and to the rules regarding temporary structures set forth in the February 2013 Resolution. The Visitor Stall Parking & Tow Policy will also apply to Unit owners and their guests.

4. General Disclosures. Buyer understands and acknowledges that certain activities and events will occur on and about LAULANI ("Activities, Events and Conditions affecting LAULANI") as follows:

(a) Surrounding Areas. LAULANI is bordered on the makai side by an existing residential community, an existing elementary school and a future park site. The Diamond Head side of LAULANI borders an undeveloped area and Fort Weaver Road. The Ewa side of LAULANI borders Kapolei Parkway. A portion of the mauka side of LAULANI borders Keaunui Drive. Proximity to these major roadways will result in noise and dust for those homes bordering (or otherwise in the vicinity of) these major roadways. A portion of the mauka side of LAULANI also borders a commercial site (currently owned by Property Development Centers LLC) located on Lot 17683, Map 1356, Land Court Application No. 1069 (the "commercial site"). A Safeway store and a City Mill store have already opened and more retail spaces are expected to be developed and opened in the near future. LAULANI is also in close proximity to a future community center, a future child care center, a future park, a future church site (currently owned by Friendship Bible Church – Independent Baptist) and an existing residential community. Because plans for and ownership of the various future development sites may change at any time, Buyer is advised not to rely on any future development site being developed in any particular way or at all. The existence of various undeveloped lands surrounding LAULANI may lead to increased pests, such as cockroaches and rodents. Construction of these undeveloped areas by Developer and other owners will create dust, noise, increased traffic and certain hazardous conditions. Developer will make efforts to minimize dust caused by its construction activities but dust is an inevitable result of the ongoing construction.

(b) No Parking Along Major Roadways. LAULANI is bordered by Kapolei Parkway, Keaunui Drive and Fort Weaver Road. There is no street parking along these major roadways.

(c) Traffic. Fort Weaver Road is a major thoroughfare for Ewa and Ewa Beach residents traveling to or from the H-1 Freeway. Commuters will experience delays on Fort Weaver Road and on roads feeding into it, particularly during peak morning and evening hours. The commercial site right off of Fort Weaver Road and between LAULANI has opened and will continue to add new retail stores. Ewa Makai Middle School is located near the intersection of Kapolei Parkway and Keaunui Drive. Current plans show that a church, a child care center and a community center may be built near the intersection of Keaunui Drive and Papau Street. The use of each of those sites will contribute to increased traffic in and around LAULANI.

(d) Future Industrial/Industrial Commercial Mixed Use Development. A development consisting of light industrial and commercial uses will be built in the future along Geiger Road across from the Honouliuli Wastewater Treatment Plant. This development may result in increased traffic, noise and other impacts in the vicinity.

(e) **Aircrafts.** LAULANI is located in the vicinity of the Honolulu International Airport and Kalaeloa Airport (the former Barber's Point Naval Air Station), both of which are owned and operated by the State of Hawaii. Buyer is aware that there will be noise from planes passing overhead or nearby. The 2003 (Existing) Base Year Noise Exposure Map of the Honolulu International Airport Master Plan shows LAULANI located in an area subject to noise levels exceeding 55 Dnl. Developer has recorded a Grant of Avigation and Noise Easement in favor of the State of Hawaii on the Property. This Grant of Avigation and Noise Easement is in a form prescribed by the State Department of Transportation. This Grant grants to the State of Hawaii a perpetual easement and right of way, appurtenant to the Honolulu International Airport and the Kalaeloa Airport, for the passage of all aircraft ("aircraft" being defined for the purposes of this instrument as any contrivance now known or hereafter invented, used, or designed for use in the navigation of or flight in the air). This Grant further grants to the State of Hawaii a perpetual easement to discharge, emit or otherwise transmit noise at levels exceeding 55 Dnl.

(f) **Honouliuli Treatment Plant.** LAULANI is located near the Honouliuli Wastewater Treatment Plant, which generates odors and noise and which may be expanded in the future to accommodate increased usage.

(g) **Irrigation Water in Ewa by Gentry.** Water used to irrigate the common area landscaping in the Ewa by Gentry community and in the LAULANI community, including the front yard area of each Unit, will come from either a nonpotable well service or may be from reclaimed water from the Honouliuli Wastewater Treatment Plant. Any reclaimed water is required to be treated according to Department of Health guidelines.

(h) **Mold.** Mold and mold spores are present throughout the environment, and residential home construction is not, and cannot be, designed to exclude mold spores. All mold is not necessarily harmful, but certain strains of mold have been shown to have adverse health effects in susceptible persons. If the growing conditions are favorable, then mold can grow in the LAULANI XXI Units. Moisture is the only mold growth factor that can be controlled in a residential setting. If Buyer decides to purchase a Unit in LAULANI XXI, Buyer will be required to execute a Sales Contract in which Buyer agrees to assume responsibility for taking appropriate steps to reduce or eliminate the occurrence of moisture in and around the Unit Buyer is purchasing. Buyer will also be required to release, discharge, indemnify and defend Developer and Developer's employees, agents, officers, directors, principals and contractors (collectively, including Developer, the "Released Entities") from and against any and all claims, demands, damages, causes of action, liabilities, losses, and expenses that Buyer or any occupant of the Unit Buyer purchases has or may have in the future, that are in any way connected with indoor air quality, moisture, or the presence of any mold, mold spores, or chemicals on, in, or about the Unit Buyer purchases, whether or not caused by, in whole or in part, any act or omission of any of the Released Entities.

(i) **Navy Land.** LAULANI is located in the vicinity of the West Loch Branch of the Lualualei Naval Magazine ("West Loch") which, in the event of military action, may be a military sensitive area. The U.S. Navy has denoted an area east of LAULANI as an "Explosive Safety Hazard Zone" in connection with munitions that may be loaded onto ships at West Loch. The Navy has represented that the boundary of the "Explosive Safety Hazard Zone" represents the probable limits of any impact from an explosion at West Loch on the adjacent community. The Navy restricts development in the "Explosive Safety Hazard Zone", which extends to West Loch. The Navy has leased portions of the "Explosive Safety Hazard Zone" for agricultural use, which will create dust and noise. Because this area is undeveloped, there will also be pests, such as cockroaches and rodents. Geiger Road and Iroquois Point Road may also be used by the Navy to transport aircraft and munitions.

(j) **Agricultural Land.** LAULANI is located upon land previously used for the

cultivation of sugar cane. Chemicals used in connection with the former agricultural use of the property may have come into contact with the soil. Land near LAULANI may continue to be used for the cultivation and harvesting of agricultural products. Specifically, the Navy has leased a portion of the land described in Paragraph 4(i) [Navy Land] above for agricultural use, which will create dust and noise. This area will also be subject to periodic spraying or other treatment of the area with pesticides, insecticides, herbicides, fungicides and fertilizers. Crops may be burned when seasonally appropriate. Buyer is advised that the Hawaii Right-to-Farm Act (H.R.S. Ch. 165) and Hawaii law limit the types of farm activities that may be deemed a nuisance.

(k) Golf Courses. There are two golf courses in the immediate vicinity of LAULANI. The Hawaii Prince Golf Course is on the east side of Fort Weaver Road. The Coral Creek Golf Course is on the west side of Fort Weaver Road. The Coral Creek Golf Course is also a designated flowage easement for drainage purposes. Both the Coral Creek Golf Course and the Hawaii Prince Golf Course are collectively referred to as the "golf courses".

There are hazards, uses and activities associated with the golf courses that may cause injuries to persons and/or damage to property within LAULANI. Those hazards, uses and activities include such things as errant or stray golf balls, reservoirs and water hazards up to six feet (6 ft.) deep, periodic spraying or other treatment with pesticides, insecticides, herbicides, fungicides and fertilizers, surface water runoff, noise, dust and unpleasant odors. Irrigation of the golf courses may be with water from storm retention basins or reclaimed water from the Honouliuli Wastewater Treatment Plant. Any reclaimed water is required to be treated according to State Department of Health guidelines. Tournaments and other special events held on the golf courses may also impact LAULANI. If Buyer decides to purchase a Unit in LAULANI XXI, Buyer will be required to execute a Sales Contract in which Buyer agrees to waive any and all rights or claims that Buyer might have against Developer, Coral Creek Golf, Inc., Seibu Hawaii, Inc., Seibu Railway Co., Ltd., Hawaii Prince Hotel Waikiki Corp., Hawaii Prince Hotel Waikiki LLC and any future owners/operators of the golf courses because of these conditions.

Property owners in LAULANI will not have an ownership interest in the golf courses, a right to use any portion of the golf courses or a right to enter the golf courses by virtue of their ownership of an Unit at LAULANI or by virtue of their membership in the Ewa by Gentry Community Association.

(l) Undetermined Flood Hazard Zone. The Federal Emergency Management Agency ("FEMA") has not yet reviewed the LAULANI area to determine whether the Property is within a flood hazard zone. If FEMA later determines that the Property is within a flood hazard area, then your lender may require you to obtain flood insurance.

(m) Affordable Housing. Many homes in the Ewa by Gentry community have been developed to meet the City and County of Honolulu's (the "City's") affordable housing requirements. Homes that meet the City's definition of "affordable" are or will be located in various communities throughout Ewa by Gentry. Some of the homes in the Coronado and Palm Villas condominium projects are subject to shared appreciation and buy/back provisions and rental restrictions associated with the affordable housing requirements, and there may be other communities that will be developed in the future in Ewa by Gentry that will have similar restrictions.

(n) Real Property Values. Buyer is advised to conduct Buyer's own independent investigation of the housing market in Hawaii, the community and LAULANI and to make Buyer's own determination of the value of the Units in LAULANI XXI based on Buyer's knowledge and investigation of the market, the community and LAULANI. Buyer understands that the sales price for a Unit in LAULANI may be more or less than the actual value of the Unit and that an appraisal of the Unit may conclude that the appraised value of the Unit is more or less than the sales price of the Unit.

Buyer is advised that there are several different loan programs available to different types of Buyers, including loans offered by various government agencies such as the Veterans Administration (“VA”), the United States Department of Agriculture (“USDA”) and the Federal Housing Administration (“FHA”). The loan programs offered through VA, USDA, FHA and other government agencies often require either no down payment or down payments that are less than twenty percent (20%) of the sales price of the real property being purchased. Loans made through this type of financing are considered to be inherently more risky to the lender, compared to other types of loans that require a down payment of twenty percent (20%) or more of the sales price, and as a result, the appraisals done for these types of loans tend to be more conservative (meaning that the appraised value is often lower than the sales price of the property being purchased). Developer makes no representations as to the type of loan that Buyer may be able to obtain or that Buyers of other homes in LAULANI may obtain. Buyer understands that even if Buyer makes a down payment to purchase the Unit, other Buyers of Units in LAULANI may not be required by their lenders to make a down payment or to make the same type of down payment as Buyer.

Buyer is advised not to rely on any acts or statements made by Developer, Gentry HomeLoans, LLC or their affiliates, or by any of their respective officers, directors, members, managers, employees, agents, successors or assigns in deciding whether or not the sales price of a Unit reflects the appraised value of the Unit. Buyer understands and acknowledges that real property values can rise and fall based upon the housing market and other economic factors independent from any person’s or entity’s control. If Buyer decides to purchase a Unit in LAULANI XXI, Buyer will be required to execute a Sales Contract in which Buyer waives and releases any claim against Developer, Gentry HomesLoans, LLC, their affiliates and their respective officers, directors, members, managers, employees, agents, successors and assigns relating to the relationship of the appraised value of a Unit in LAULANI XXI to the sales price of the Unit, as of the date Buyer signs a Sales Contract or as of the date Buyer’s deed to the Unit records, or relating to any decrease or fluctuation in the appraised value of the Unit from and after the date Buyer’s deed to the Unit records.

5. Schools. The current public school district boundaries show that LAULANI is in the district that is served by Keoneula Elementary School, Ewa Makai Middle School and James Campbell High School. These plans are subject to change by the State of Hawaii.

6. Ewa by Gentry Community. All Unit owners in LAULANI are automatically members of the Ewa by Gentry Community Association, a Hawaii non-profit corporation. All owners are therefore subject to the restrictions, covenants and conditions of the Ewa by Gentry Community Area Declaration of Covenants, Conditions and Restrictions which govern the entire Ewa by Gentry community. The Community Association enforces the provisions of the Declaration of Covenants, Conditions and Restrictions to ensure a well-maintained, safe and aesthetically pleasing community. A copy of the Declaration of Covenants, Conditions and Restrictions is available at the LAULANI sales office. The Declaration of Covenants, Conditions and Restrictions can also be viewed online at www.ebgca.net under the “Documents” section. Effective January 1, 2013 (and through the date of this public report), each unit owner will be required to pay dues to the Ewa by Gentry Community Association in the amount of \$105 per quarter for a total of \$420 a year. No increase in those dues for 2013 is expected as of the date of this public report. The maintenance fees reflected in Exhibit “G” of this Public Report do not include the dues payable to the Ewa by Gentry Community Association.

7. Private Drain Line/Private Access Road. Developer and the owner of the adjacent commercial site (the “Commercial Site Owner”) have agreed to share the cost to maintain and repair certain infrastructure that services both the Joint Development Area and the commercial site as outlined in that certain Declaration of Intent to Develop and Merge dated March 2, 2009 and recorded in Land Court as Document No. 3835206 (the “Declaration of Intent”).

(a) Private Drain Line. A private drain line (the “Private Drain Line”) runs from

the commercial site through the Joint Development Area, through Kapolei Parkway and through Lot 16888, Map 1304 (the existing wastewater pump station) and Lot 16887, Map 1304 (Ewa Makai Middle School) and into Lot 17263, Map 1324, all of said maps being filed with Land Court Application No. 1069.

The Private Drain Line is made up of the following easements:

- (i) Easement 10440, Map 1525, which affects Laulani IX, The Trades Model Complex, Lot 19001, as shown on Map 1525, Land Court Application No. 1069 (which includes the Recreation Center and the Mail Center), Laulani XI and Laulani X;
- (ii) Easement 10423, Map 1518, which affects Laulani V;
- (iii) Easement 9664, Map 1408, which affects Laulani V, Laulani III and Laulani;
- (iv) Easement 8978, Map 1304, which affects Lot 16888, Map 1304 (Wastewater Pump Station to be dedicated to the City and County of Honolulu); and
- (v) Easement 8977, Map 1304, which affects Lot 16885 (Kapolei Parkway), Lot 16887 (Ewa Makai Middle School) and Lot 17263, Map 1324.

The costs to maintain the Private Drain Line will be shared amongst the various land owners as specified in the Declaration of Intent.

(b) Private Access Road. Developer and the Commercial Site Owner have also agreed that the private access road that runs along the boundary of the Joint Development Area and the commercial site will have shared ownership and maintenance responsibilities (the “Shared Private Access Road”). The Department of Planning and Permitting of the City and County of Honolulu has required that the Shared Private Access Road be made available for public use.

A portion of the Shared Private Access Road has been built and is covered by:

- (i) Easement 10689, Map 1549 (located in Laulani VI);
- (ii) Easement 10688, Map 1548 (located in Laulani IX);
- (iii) Easement 9808, Map 1422 (located on the commercial site);
- (iv) Easement 10684, Map 1547 (located in Laulani XIII);
- (v) Easement 10685, Map 1547 (located in Laulani XV);
- (vi) Easement 10686, Map 1547 (located in LAULANI XVII);
- (vi) Easement 10687, Map 1547 (located in LAULANI XIX), all of said maps being filed with Land Court Application No. 1069; and
- (viii) the corresponding portion of the easement on the Commercial Site.

Developer and the Commercial Site Owner have agreed to share the cost to maintain the Shared Private Access Road, which would include the private sewer and drain lines in the roadway as well as the street lights and landscaping. It is Developer’s intent that the LAULANI AOAD and the other owners in the Joint Development Area eventually assume Developer’s responsibilities as to the maintenance of both the Private Drain Line and the Shared Private Access Road, all as specified in the Declaration of Intent.

8. Irrigation in the Joint Development Area. Water used to irrigate the common area landscaping in the Joint Development Area (which includes portions of the front yard of each Unit in LAULANI XXI) currently comes from a non-potable well located in Laulani IX (the “Area 45/46 Well”).

The Area 45/46 Well is not part of the Laulani IX common elements. The Area 45/46 Well will be owned and maintained by the Ewa by Gentry Community Association and will be the irrigation source for common area landscaping in the Joint Development Area, landscaping along a portion of Fort Weaver Road and landscaping in Area 40 (currently the “Latitudes” and “Sandalwood”). The Developer, the Ewa by Gentry Community Association and the LAULANI AOA have executed a non-potable well system sharing agreement for the Area 45/46 Well. The owners in the Joint Development Area will pay a pro rata share of the cost to maintain the Area 45/46 Well based on water usage. Developer makes no guarantees or assurances regarding the quantity or quality of water pumped from the Area 45/46 Well. Due to natural ground water conditions beyond the Developer’s control, the ground water aquifer from which the well pumps may dry up or the quality of water may deteriorate to make it unusable in the future. If that happens, then the owner of the Area 45/46 Well (either the Developer or the Ewa by Gentry Community Association) will need to work with the State of Hawaii’s Commission on Water Resource Management on the implementation of an alternative water source plan. A possible alternate source of water would be reclaimed water from the Honouliuli Wastewater Treatment Plant. Use of reclaimed water would need to be in accordance with State Department of Health guidelines.

9. Private Drainage. LAULANI is serviced by a private drainage system that connects to the City and County of Honolulu’s municipal sewer system. As such, Federal regulations prohibit the following from being discharged into LAULANI’s drainage system:

- (a) domestic wastewater;
- (b) industrial wastewater;
- (c) any debris, refuse or solid waste or yard waste;
- (d) chlorinated swimming pool water;
- (e) washwater from vehicle and equipment cleaning; and
- (f) oil and petroleum products.

Owners are prohibited from discharging any of the above into the Project’s drainage system.

The LAULANI AOA is solely responsible for the maintenance and upkeep of the Project’s drainage system. The LAULANI AOA shall cooperate with the Developer in assuming the Developer’s Drainage Connection License(s) for LAULANI. By assuming the Developer’s Drainage Connection License(s), the LAULANI AOA is also assuming the City and County of Honolulu’s National Pollutant Discharge Elimination System permit(s) (the “NPDES Permit”) and shall be responsible for the enforcement of the terms and conditions of the NPDES Permit.

10. Parking Lot in favor of Keoneula Elementary School and Future Park. As part of the subdivision requirement of Laulani XIII to Laulani XVIII, inclusive, the Department of Planning and Permitting required the Developer to create a parking lot for designated use by the future park users and Keoneula Elementary School visitors during the hours that these two facilities are open. This parking lot is located in Laulani XVI. Upon the merger of Laulani XVI with LAULANI, the owners in LAULANI will be responsible for the maintenance and repair of this parking facility.

11. Mail Service. Mail will not be delivered directly to the individual homes. Instead mail will be delivered to a mail center located next to the recreation center described below. Buyers will be assigned a designated mailbox with its own lock and key.

12. Mail Center and Recreation Center. The Developer has built a recreation center (the “Recreation Center”) and a centralized mail room (the “Mail Center”) on Lot 19001, Map 1525, Land Court Application No. 1069 (“Lot 19001”). The Developer has granted a license (the “License Agreement”) to the LAULANI AOA. Under the terms of the License Agreement the licensee is responsible for all costs associated with the Recreation Center and the Mail Center. The License

Agreement also provides that the Recreation Center and Mail Center may be used by all residents in the Joint Development Area. The parking stalls located in Lot 19001 are also available for use by all residents of in the Joint Development Area, while they are using the Recreation Center or the Mail Center. Upon completion of the Joint Development Area, Developer intends to convey Lot 19001 (which includes the Recreation Center and Mail Center) to the LAULANI AOO and to any other associations of apartment owners in the Joint Development Area that have not been administratively merged into the LAULANI AOO.

13. Condominium Map. The sizes and configurations of the limited common areas and common areas reflected on the Condominium Map are approximations only. Actual sizes and configurations may vary due to the placement and location of utilities and due to varying terrain surrounding each building.

14. Lanais. Units 410, 411, 412, 413, 414, 415, 416, 417, 421, 422 and 423 will be built with the five foot (5 ft.) deep version of the optional covered lanai. Units 418, 419, 420 and 440 will be built with the seven foot (7 ft.) deep version of the optional covered lanai.

15. Garage Disclosure. Each LAULANI XXI home has an attached garage. The garage for all plans meets City and County of Honolulu standards to accommodate one full-sized and one compact-sized parking stall. Buyers who have an oversized vehicle (a van, a truck) or who have more than one full-sized vehicle should inspect the garage thoroughly to ensure that the garage can accommodate their vehicles. Garages shall be used for parking operational vehicles only and for incidental storage.

16. Trash Collection. The City and County of Honolulu's Refuse Division will provide curbside pick-up of trash collection. Trash cans may be put out for trash collection the night before trash is collected and must be removed by the end of the trash pick-up day.

17. Visitor Parking. There are five (5) visitor parking stalls in LAULANI XXI. Residents in LAULANI XXI will also have access to visitor parking stalls within existing and future condominium communities in the Joint Development Area. Certain visitor parking stalls in the Joint Development Area will be used for the placement of trash cans on trash collection days and the nights before trash collection days. Use of visitor parking stalls in Laulani XVI will be restricted during certain hours to visitors to the adjacent Keoneula Elementary School and to users of a future park that is adjacent to Laulani XVI. Signs will be posted indicating the hours that the stalls are not available for use as a visitor parking stall. Violators will be towed at owner's and/or operator's expense.

18. Street Parking. As stated in the House Rules of LAULANI XXI, parking is not allowed on the roadways in LAULANI XXI.

19. No Representation as to Exact Size of Unit. The area of the Unit listed in the Sales Contract and in this Public Report is approximate. The area of the Unit, as reflected on the Condominium Map, is expressed as "net living area" square footage. This measurement represents the architect's best estimate of the square footage of the Unit measured from the interior of the Unit's perimeter walls. The Developer makes no representation as to the exact square footage of the Unit. Square footage figures quoted in the brochures for LAULANI are approximate only. Sales prices are not based solely on square footage figures.

D. Appoints the Developer as said person's or entity's attorney-in-fact with full power of substitution to execute such documents and do such other things on said person's or entity's behalf, which grant of such power, being coupled with an interest, is irrevocable and shall not be affected by the disability of any such party. The Developer cannot use its power of attorney to waive or release any right an owner or other interested person might have under the Act, to cancel the purchase of a Unit, or to mortgage an owner's Unit.

1. Developer's Reserved Right To Create New Units. The Developer reserves the right, to create one or more new Units in the Project, to create additional floor plans/unit types and to create and designate common elements and limited common elements appurtenant to any new Unit. DEVELOPER'S STATEMENT ON MAINTENANCE FEES

Developer advises that the costs and expenses of maintenance and operation of a condominium project are very difficult to estimate initially and even if such maintenance charges have been accurately estimated, such charges will tend to increase in an inflationary economy and as the improvements age. Maintenance charges can vary depending on services desired by owners and may increase significantly depending on the level of services eventually selected by the Association's Board. Buyer should also be aware that the estimates provided are as of the date reflected in the estimate and do not reflect the actual charges that may be incurred by Buyer once maintenance fees commence.

Developer will provide the owners in LAULANI XXI with written notice at least thirty (30) days prior to the maintenance fee commencement date.

Prior to the commencement of maintenance fees, Developer will record an Architect's "As-Built Certificate" in the Office of the Assistant Registrar of the Land Court of the State of Hawaii.

BE ENFORCED BY EITHER PARTY**

PWC FORM NO. 117 SAMPLE Rev. 01/2007

Throughout this HOME BUILDER'S LIMITED WARRANTY, referred to hereinafter as the "LIMITED WARRANTY", the words "YOU" and "YOUR" refer to the HOMEOWNER, including any subsequent owners, and, where applicable, a HOMEOWNERS ASSOCIATION. The words "WE", "US" and "OUR" refer to the BUILDER. The other words and phrases which appear in boldface uppercase type also have special meaning. Refer to the Section IX. Definitions, so that YOU will understand the terminology applicable to this LIMITED WARRANTY.

This LIMITED WARRANTY establishes an agreed method for determining when a CONSTRUCTION DEFECT exists and a clear understanding of OUR responsibilities for remedying any such CONSTRUCTION DEFECT. This LIMITED WARRANTY also helps distinguish a CONSTRUCTION DEFECT that is OUR responsibility from those minor imperfections that can reasonably be expected in a HOME or the COMMON ELEMENTS, or that result from normal wear and tear or the neglect of routine HOMEOWNER or HOMEOWNERS ASSOCIATION maintenance responsibilities.

This LIMITED WARRANTY contains the procedures YOU must use to notify US of a condition in YOUR HOME or the COMMON ELEMENTS which YOU believe may constitute a CONSTRUCTION DEFECT. In the event a condition occurs in the HOME or the COMMON ELEMENTS that YOU believe may constitute a CONSTRUCTION DEFECT, YOU agree to submit any request for warranty performance in accordance with the procedure described in this LIMITED WARRANTY. Based on the information YOU provide and, where WE deem it necessary, information obtained from OUR onsite investigation, inspection and/or testing of the HOME or the COMMON ELEMENTS, WE will determine whether WE agree with YOU that the condition constitutes a CONSTRUCTION DEFECT. If WE determine that the condition reported by YOU is a CONSTRUCTION DEFECT, WE will remedy the condition in accordance with the remedies prescribed in this LIMITED WARRANTY. WE will make this determination in accordance with Section II, OUR Warranty Obligations, contained in this LIMITED WARRANTY.

THIS LIMITED WARRANTY PROVIDES THAT ANY AND ALL CLAIMS AND DISPUTES BETWEEN YOU AND US WHICH YOU AND WE ARE UNABLE TO RESOLVE BY MUTUAL AGREEMENT, SHALL BE RESOLVED SOLELY AND EXCLUSIVELY THROUGH FINAL AND BINDING ARBITRATION IN ACCORDANCE WITH THE TERMS AND PROCESS DESCRIBED WITHIN THIS DOCUMENT. BY THIS AGREEMENT, BOTH YOU AND WE ARE WAIVING THE RIGHT TO LITIGATE DISPUTES IN COURT.

To the extent permitted by law, all express or implied warranties other than this LIMITED WARRANTY, including any oral or written statement or representation made by US or any other person, and any implied warranty of habitability, merchantability or fitness for a particular purpose, are hereby disclaimed by US and are waived by YOU. YOUR only remedy in the event of a CONSTRUCTION DEFECT in or to the HOME or the COMMON ELEMENTS or to the real property on which the HOME or the COMMON ELEMENTS is situated is that provided to YOU under this LIMITED WARRANTY.

Enclosed with this LIMITED WARRANTY is a Limited Warranty Validation Form. The Limited Warranty Validation Form is a part of the LIMITED WARRANTY and provides the dates on which the warranty coverage period begins and expires. It is important that this form be retained with the LIMITED WARRANTY.

WE have contracted with PWC for certain administrative services relative to this LIMITED WARRANTY. PWC's sole responsibility is to provide administrative services as set forth herein. Under no circumstances or conditions is PWC responsible for fulfilling OUR obligations under this LIMITED WARRANTY.

There may be instances where an additional PWC administered Builder's Limited Warranty is issued together with this LIMITED WARRANTY. If both of these warranties are issued to YOU, YOU agree to request warranty performance under either warranty relative to warrantable issues on the HOME or the COMMON ELEMENTS. YOU may not collect twice relative to the same issue.

If any provision of this LIMITED WARRANTY is determined to be unenforceable, such a determination will not

affect the remaining provisions. If this LIMITED WARRANTY or any provision herein is determined to be unenforceable as to a HOMEOWNERS ASSOCIATION or a specific HOMEOWNER, such a determination will not affect the enforceability of this LIMITED WARRANTY or such provision as to any other HOMEOWNERS ASSOCIATION or any other HOMEOWNER. Any dispute as to the enforceability of any provision of this LIMITED WARRANTY, including any dispute as to the scope or enforceability of the arbitration provision contained herein, shall be determined by binding arbitration as provided for in this LIMITED WARRANTY.

I. Warranty Coverage

Coverage under this LIMITED WARRANTY is expressly limited to CONSTRUCTION DEFECTS which occur during the WARRANTY PERIOD indicated on the Limited Warranty Validation Form and which are reported by YOU in accordance with the notification requirements of Section VI, Procedure to Request US To Perform Under This LIMITED WARRANTY. OUR obligations under this LIMITED WARRANTY apply to workmanship actually performed and materials actually installed in the HOME or the COMMON ELEMENTS. Any failure by US to complete construction of the HOME or COMMON ELEMENTS, where such failure is apparent and obvious, is not covered by this LIMITED WARRANTY and is not a CONSTRUCTION DEFECT.

During the WARRANTY PERIOD indicated on the Limited Warranty Validation Form, WE warrant that the HOME and the COMMON ELEMENTS will be free of CONSTRUCTION DEFECTS. OUR obligation to perform under this LIMITED WARRANTY requires that WE must receive written notice from YOU of the alleged CONSTRUCTION DEFECT as soon as reasonably possible after YOU become aware of a CONSTRUCTION DEFECT but not later than thirty (30) days after the expiration of the coverage. Telephonic or face-to-face discussion is not a substitute for required written notice and will not protect YOUR rights under this LIMITED WARRANTY (see Section VI, Procedure to Request US To Perform Under This LIMITED WARRANTY).

II. OUR Warranty Obligations

Upon OUR timely receipt of written notice from YOU alleging a CONSTRUCTION DEFECT during the WARRANTY PERIOD, WE, or parties acting on OUR behalf, will, where WE deem it necessary, inspect, investigate and/or test (including destructive testing) the condition alleged to be a CONSTRUCTION DEFECT. If WE determine that a CONSTRUCTION DEFECT exists, WE, or parties acting on OUR behalf, will (1) repair or replace the CONSTRUCTION DEFECT, (2) pay to YOU the actual amount it would cost US to repair or replace the CONSTRUCTION DEFECT, or (3) pay to YOU an amount equal to the diminution in fair market value caused by the uncorrected CONSTRUCTION DEFECT. Subject to the limitations described in Section IV, Coverage Limitations, if the HOME is rendered temporarily uninhabitable by a CONSTRUCTION DEFECT or by work necessary to repair a CONSTRUCTION DEFECT, WE shall pay the reasonable cost for YOUR alternate shelter until the HOME is restored to a habitable condition. Additionally, in connection with OUR remedy of a CONSTRUCTION DEFECT, and subject to the limitations described in Section IV, Coverage Limitations, WE shall repair, replace or pay the reasonable cost for:

- Those surfaces, finishes and coverings that are part of the HOME and that are damaged directly by a CONSTRUCTION DEFECT or that are damaged in the course of OUR repair of a CONSTRUCTION DEFECT.
- Home furnishings, carpet or personal property damaged directly by the CONSTRUCTION DEFECT.

The decision to repair, replace, or to make payment in lieu of repair or replacement is at OUR or OUR authorized representative's sole discretion. These remedies are OUR only obligations under this LIMITED WARRANTY.

A. Standards By Which the Existence of a CONSTRUCTION DEFECT Will Be Determined:

The following factors will be considered in determining whether a condition constitutes a **CONSTRUCTION DEFECT**. If **WE** dispute the existence of a **CONSTRUCTION DEFECT** and that dispute is submitted to binding arbitration, the parties agree these same factors will be considered by the arbitrator:

1. Any performance standards, tolerances or guidelines contained in documents provided to **YOU** by **US** at or prior to closing on the **HOME** or, in the case of a **HOMEOWNERS ASSOCIATION**, prior to transferring title or control to all the **COMMON ELEMENTS**. In the absence of a specific standard, tolerance or guideline in the documents for a condition occurring during the first year of the **WARRANTY PERIOD**, the Residential Construction Performance Guidelines published by the National Association of Home Builders, in effect at the time of construction of the **HOME** or, in the case of the **HOMEOWNERS ASSOCIATION**, at the time of construction of the **COMMON ELEMENTS**, shall apply. If no specific standard, tolerance or guideline is contained in any of the documents identified above, generally accepted local building practices and standards shall apply.
2. Consideration as to whether the condition:
 - materially affects the structural integrity of the **HOME** or **COMMON ELEMENTS**; or
 - has an obvious and material negative impact on the appearance of the **HOME** or **COMMON ELEMENTS**; or
 - jeopardizes the life or safety of the occupants of the **HOME** or the users of the **COMMON ELEMENTS**; or
 - results in the inability of the **HOME** or a **COMMON ELEMENT** to provide the functions that can reasonably be expected in such a **HOME** or **COMMON ELEMENT**.
3. Consideration as to whether a condition is the result of normal wear and tear. Conditions that are normal wear and tear, or that are caused by normal wear and tear are not **CONSTRUCTION DEFECTS**.
4. Consideration as to whether the condition was caused by, or in any way resulted from, the failure of the **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** to perform normal or routine maintenance. Any condition that is determined to be a **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** maintenance issue, or any condition that results from improper or inadequate **HOMEOWNER** or **HOMEOWNERS ASSOCIATION** maintenance, is not a **CONSTRUCTION DEFECT**.
5. Consideration as to whether the condition was caused by persons or entities other than **US** or someone acting on **OUR** behalf. Damage caused by persons or entities other than **US** or someone acting on **OUR** behalf is not a **CONSTRUCTION DEFECT**. For example, a large, visible scratch on marble tile in the entry foyer that was not noted in the pre-closing walk through inspection, but was reported after furniture was moved into the **HOME**, will not be considered a **CONSTRUCTION DEFECT**.
6. Recognition that any condition resulting directly or indirectly from or worsened by changes, additions, alterations or other actions or omissions by persons or entities other than **US** or someone acting on **OUR** behalf, will not be considered a **CONSTRUCTION DEFECT** (this includes, for example, changes to the topography, drainage or grade of the property);
7. Any Exclusions contained in this **LIMITED WARRANTY**.

III. Homeowner Maintenance Obligations

Maintenance of the HOME and the COMMON ELEMENTS is YOUR responsibility. All homes and common elements require periodic maintenance to prevent premature deterioration, water intrusion, and to ensure adequate performance of the SYSTEMS. WE will make a "Homeowner Maintenance Manual" or similar publication available to YOU upon request. Whether from this document or others that are readily available to YOU, YOU must understand and perform the maintenance that the HOME and COMMON ELEMENTS require. WE are not responsible for HOME or COMMON ELEMENTS maintenance issues or for damage that results from YOUR failure to maintain the HOME or the COMMON ELEMENTS.

IV. Coverage Limitations

Surfaces, finishes and coverings in the HOME which require repair due to damage caused by a CONSTRUCTION DEFECT, or such damage caused in the course of OUR repair of a CONSTRUCTION DEFECT, shall be repaired and restored to approximately the same condition as existed prior to the CONSTRUCTION DEFECT, but not necessarily to a like new condition. When repairing or replacing surfaces, finishes and coverings, the repair or replacement will attempt to achieve as close a match with the original surrounding areas as is reasonably possible, but an exact match cannot be guaranteed due to such factors as fading, aging and unavailability of the same materials.

Home furnishings, carpet or personal property damaged by a CONSTRUCTION DEFECT shall be repaired or replaced at market value of the item at the time of damage. "Market value" shall mean the amount it would cost to repair or replace the damaged item with material of like kind and quality, less allowance for physical deterioration and depreciation, including obsolescence.

Alternate shelter during such time as the HOME is uninhabitable due to a CONSTRUCTION DEFECT or uninhabitable during work to repair a CONSTRUCTION DEFECT, shall be limited to those shelter costs expressly pre-approved by US or OUR designated representative.

 - u. Improper maintenance, negligence or improper use of the **HOME** or the **COMMON ELEMENTS** by **YOU** or anyone other than **US** that results in rot, dry rot, moisture, rust, mildew or any other damage;
 - v. Dampness or condensation due to **YOUR** failure to maintain adequate ventilation;
 - w. Damage resulting from the weight and/or performance of any type of waterbed or other furnishings which exceeds the load-bearing design of the **HOME** or the **COMMON ELEMENTS**;
 - x. Normal wear and tear or normal deterioration of materials;
 - y. Economic damages due to the **HOME'S** or the **COMMON ELEMENTS'** failure to meet expectations of the **HOMEOWNER** or **HOMEOWNERS ASSOCIATION**.
2. Any loss or damage resulting from the actual, alleged or threatened discharge, dispersal, release or escape of **POLLUTANTS**. **WE** will not cover costs or expenses arising from the uninhabitability of the **HOME** or the **COMMON ELEMENTS** or health risk due to the proximity of **POLLUTANTS**. **WE** will not cover costs, or expenses resulting from the direction of any governmental entity to test, clean-up, remove, treat, contain or monitor **POLLUTANTS**;
 3. Any loss or damage resulting from the effects of electromagnetic fields (EMF's) or radiation;
 4. Any damage to personal property that does not result from a **CONSTRUCTION DEFECT**;
 5. Any **CONSEQUENTIAL OR INCIDENTAL DAMAGES**;
 6. Any **CONSUMER PRODUCTS**;
 7. Any **CONSTRUCTION DEFECT** as to which **YOU** have not taken timely and reasonable steps to protect and minimize damage after **WE** or **OUR** authorized representative have provided **YOU** with authorization to prevent further damage;
 8. Any damage to the extent it is incurred after or as a result of **YOUR** failure to notify **US** in the manner and time required under this **LIMITED WARRANTY**;
 9. Any costs or obligations paid or incurred by **YOU** in violation of **Section VI. C.** below;

10. Any non-conformity with local building codes, regulations or requirements where the condition does not meet the definition of a **CONSTRUCTION DEFECT**. While **WE** acknowledge **OUR** responsibility to build in accordance with applicable building codes, this **LIMITED WARRANTY** does not cover building code violations in the absence of a **CONSTRUCTION DEFECT**;
 11. Any deviation from plans and specifications where the condition does not meet the definition of a **CONSTRUCTION DEFECT**.
- B. OUR LIMITED WARRANTY** does not cover any **CONSTRUCTION DEFECT** which would not have occurred in the absence of one or more of the excluded events or conditions listed in the Exclusions above, regardless of:
1. The cause of the excluded event or condition;
 2. Other causes of the loss or damage; or
 3. Whether other causes acted concurrently or in any sequence with the excluded event or condition to produce the loss or damage.

VI. Procedure to Request US To Perform Under This LIMITED WARRANTY

If **YOU** become aware of a condition that **YOU** believe is a **CONSTRUCTION DEFECT** under this **LIMITED WARRANTY**, **YOU** have the following responsibilities:

A. Notification

YOU must notify **US** in writing as soon as reasonably possible after **YOU** become aware of a condition that **YOU** believe may constitute a **CONSTRUCTION DEFECT**, but in no event may **YOUR** written notice of a **CONSTRUCTION DEFECT** or **YOUR** written request for warranty performance be received by **US** later than thirty (30) days after this **LIMITED WARRANTY** has expired. This extended period for providing notice of a **CONSTRUCTION DEFECT** shall not operate to extend the **WARRANTY PERIOD**.

If the written notice is received by **US** more than thirty (30) days after the expiration of this **LIMITED WARRANTY**, **WE** shall have no obligation to remedy the **CONSTRUCTION DEFECT**. Because of the importance of this written notice requirement, **WE** recommend that notice always be sent by Certified Mail, return receipt requested, in order to establish a record.

B. Cooperate With US

YOU must give **US** and any third parties acting on **OUR** behalf reasonable help in inspecting, investigating, testing (including destructive testing), monitoring, repairing, replacing or otherwise correcting an alleged **CONSTRUCTION DEFECT**. Help includes, but is not limited to, granting reasonable access to the **HOME** or **COMMON ELEMENTS** for the forgoing purposes. If **YOU** fail to cooperate or provide **US** reasonable access to the **HOME** or **COMMON ELEMENTS**, **WE** will have no further obligation under this **LIMITED WARRANTY**.

C. Do Not Make Voluntary Payments

YOU agree not to make any voluntary payments or assume any obligations or incur any expenses for the remedy of a condition **YOU** believe is a **CONSTRUCTION DEFECT** without prior written approval from **US**, or other parties authorized to act on **OUR** behalf. **WE** will not reimburse **YOU** for costs incurred where **YOU** did not obtain prior written approval.

However, **YOU** may incur reasonable expenses in making repairs in an **EMERGENCY CONDITION** without prior written approval, provided the repairs are solely for the protection of the **HOME** or **COMMON ELEMENTS** from further damage or to prevent an unsafe living condition and provided **YOU** notify **US** as soon as is reasonably possible. To obtain reimbursement for repairs made during an **EMERGENCY CONDITION**, **YOU** must provide **US** with an accurate written record of the repair costs.

D. Sign A Release

When **WE** or a third party acting on **OUR** behalf have completed repairing, replacing or paying **YOU** as to any **CONSTRUCTION DEFECTS** and related damage covered by this **LIMITED WARRANTY**, **YOU** may be requested to sign a full release of **OUR** obligation for the **CONSTRUCTION DEFECTS**. The release shall be applicable to the **CONSTRUCTION DEFECTS** and shall not prevent **YOU** from notifying **US** should **YOU** become aware of a subsequent **CONSTRUCTION DEFECT**.

E. If **YOU** Disagree With **US**

If **YOU** believe **WE** have not satisfactorily responded to **YOUR** request for warranty performance or satisfactorily worked with **YOU** to resolve any other claim or dispute between **YOU** and **US**, **YOU** should provide written notice to **PWC** requesting Mediation. Upon **PWC's** receipt of written notice from **YOU**, **PWC** may review and mediate **YOUR** request. **PWC** may communicate with **YOU**, **US**, and any other individuals or entities that **PWC** believes may possess relevant information. If after forty-five (45) days, **PWC** is unable to successfully mediate **YOUR** claim or dispute, or at any earlier time when **PWC** determines that **YOU** and **WE** are at an impasse, **PWC** will notify **YOU** that **YOUR** request remains unresolved and that **YOU** may elect to initiate binding arbitration. Binding arbitration as described in the following section is the sole remedy for the resolution of disputes between **YOU** and **US**.

VII. Binding Arbitration Procedure

Following commencement of the **WARRANTY PERIOD**, any claim, controversy or dispute (hereafter collectively referred to as "dispute") between **YOU** and **US**, or parties acting on **YOUR** or **OUR** behalf, including **PWC**, and any successor, or assign of either **YOU** or **US**, which relates to or arises from this **LIMITED WARRANTY**, or the design or construction of the **HOME** or the **COMMON ELEMENTS**, or the sale of the **HOME** or transfer of title to the **COMMON ELEMENTS**, will be resolved solely by binding arbitration and not through litigation in court before a judge or jury. This agreement to arbitrate is intended to inure to the benefit of, and be enforceable by, **OUR** contractor, subcontractors, agents, vendors, suppliers, design professionals, materialmen, and any of **OUR** direct or indirect subsidiaries or related entities alleged to be responsible for any **CONSTRUCTION DEFECT**. Disputes subject to binding arbitration include, but are not limited to:

- A. Any disagreement that a condition in the **HOME** or the **COMMON ELEMENTS** is a **CONSTRUCTION DEFECT**;
- B. Any disagreement as to the method or scope of repair required to correct a **CONSTRUCTION DEFECT** or whether a **CONSTRUCTION DEFECT** has been corrected in compliance with this **LIMITED WARRANTY**;
- C. Any alleged breach of this **LIMITED WARRANTY**;
- D. Any alleged violation of consumer protection, unfair trade practice, or any other statute;
- E. Any allegation of negligence, strict liability, fraud, and/or breach of duty of good faith, and any other claims arising in equity or from common law;

- F. Any dispute concerning the interpretation of this arbitration provision or the arbitrability of any issue;
- G. Any dispute concerning the timeliness of OUR performance and/or YOUR notifications under this LIMITED WARRANTY;
- H. Any dispute as to the payment or reimbursement of the arbitration filing fee;
- I. Any dispute as to whether this LIMITED WARRANTY, or any provision hereof, including, but not limited to, this arbitration clause and any waiver hereunder, is enforceable;
- J. Any other claim arising out of or relating to the sale, design or construction of YOUR HOME or the COMMON ELEMENTS, including, but not limited to any claim arising out of, relating to or based on any implied warranty or claim for negligence or strict liability not effectively waived by this LIMITED WARRANTY.

The arbitration shall be conducted by DeMars and Associates, Ltd. (www.demarsassociates.com) pursuant to its Construction Arbitration Program ("CAP"), or by such other neutral, independent arbitration service that PWC shall appoint. If YOU object to the arbitration service appointed by PWC, YOU must so inform PWC, in writing, within ten (10) days of YOUR receipt of PWC's written notice informing YOU of the appointed arbitration service. PWC will then appoint an alternative neutral arbitration service provider. If YOU object to this alternative provider and if YOU and WE are unable to agree on another alternative, then either party may, pursuant to the applicable provisions of the Federal Arbitration Act (9 U.S.C. § 1, et seq.), apply to a court of competent jurisdiction to designate an arbitration service provider, which designation shall be binding upon the parties. Selection of the arbitrator shall be the responsibility of the appointed arbitration service. The rules and procedures of the arbitration service, including its rules and procedures pertaining to its selection of the arbitrator who will conduct the arbitration, that are in effect at the time the request for arbitration is submitted will be followed unless the parties expressly agree otherwise. PWC will obtain and provide to YOU and US, upon request, the rules and procedures of the arbitration organization appointed to administer the arbitration. The arbitration service finally appointed or designated as aforesaid shall administer the arbitration of any and all disputes required to be joined under the law.

This arbitration agreement is made pursuant to a transaction involving interstate commerce, and shall be governed by and interpreted under the Federal Arbitration Act now in effect and as it may be hereafter amended (the "FAA") to the exclusion of any inconsistent state law, regulation or judicial decision. The award of the arbitrator shall be final and binding and may be entered as a judgment in any court of competent jurisdiction.

Each party shall bear its own attorney's fees and costs (including expert's costs) for the arbitration. If YOU initiate the arbitration request, the arbitration filing fee and other fees charged by the arbitration service shall be divided and paid equally by YOU and US, unless YOU and WE have otherwise agreed in writing to a different allocation. If WE initiate the request for arbitration, WE shall pay the entire arbitration filing fee as well as all other fees charged by the arbitration service.

As part of any arbitration award, the arbitrator may, at his/her discretion, direct that WE reimburse YOU some or all of the arbitration filing fee and other arbitration fees YOU paid to the arbitration service, but under no circumstances shall YOU be required to reimburse US any portion of the arbitration filing fee and other arbitration fees WE paid.

Arbitration filing fees and other arbitration fees vary among arbitration service providers. Before submitting a Binding Arbitration Request Form, YOU may contact PWC to obtain information on the fees charged by the appointed arbitration service provider. The arbitration service's filing fee and other arbitration fees in effect at the time arbitration is requested shall apply.

The process for initiating arbitration is described below.

Step 1 The Initiating Party Completes A Binding Arbitration Request Form And Mails It To PWC Along With Their Share Of The Arbitration Filing Fee. A Binding Arbitration Request Form is attached to this **LIMITED WARRANTY**. **YOUR** Binding Arbitration Request Form must be received by **PWC** no later than ninety (90) days after the **WARRANTY PERIOD** expires. Please Note that while **YOU** have ninety (90) days after the **WARRANTY PERIOD** expires to file for arbitration, this time period does not extend the **WARRANTY PERIOD** for **CONSTRUCTION DEFECTS**. Additionally, no investigation, inspection, testing, repair, replacement, or payment, nor any promise of same by **US** under this **LIMITED WARRANTY**, nor any dispute resolution efforts, shall extend the term of this **LIMITED WARRANTY** or extend or toll any statutes of limitations or any of **YOUR** rights or remedies.

Step 2 The Arbitration Service Will Arrange For The Arbitration. The arbitrator or arbitration organization will notify **YOU** and **US** of the time, date and location of the arbitration hearing. If the dispute involves the allegation of a **CONSTRUCTION DEFECT** or **OUR** performance under this **LIMITED WARRANTY**, most often the hearing will be conducted at the **HOME** or, if applicable, the location of the **COMMON ELEMENTS**. Other disputes between **YOU** and **US** that are subject to arbitration, but which do not include a **CONSTRUCTION DEFECT** claim, may be scheduled for hearing at the **HOME** or another location within the county where the **HOME** is located. In scheduling the hearing the arbitrator will set a time and date that is reasonably convenient to all the parties.

Step 3 The Arbitration Hearing. The parties at the arbitration hearing will include the arbitrator, **YOU**, **US** and/or a third party designated by **YOU** or **US** or acting on **YOUR** or **OUR** behalf. Any party to the proceeding may be represented at the hearing. All persons who are parties to the arbitration, as well as representatives and witnesses, are entitled to attend hearings.

After evidence is presented by **YOU**, **US** or **YOUR** or **OUR** representatives, a decision will be rendered by the arbitrator. The decision is final and binding on **YOU** and **US**. The arbitrator may grant any remedy, including statutory remedies, and other relief that the arbitrator deems just and equitable and within the scope of this **LIMITED WARRANTY** or other applicable agreements.

The arbitrator will decide any dispute between the parties, as described above. Where a **CONSTRUCTION DEFECT** is alleged, the arbitrator will determine whether the alleged **CONSTRUCTION DEFECT** exists and whether it is **OUR** responsibility. If the arbitrator finds **US** responsible for a **CONSTRUCTION DEFECT**, **WE** shall be obligated to perform in accordance with **OUR Warranty Obligations** as described in **Section II** above.

In connection with a **CONSTRUCTION DEFECT** dispute, the arbitrator retains jurisdiction and authority to decide any dispute as to the required scope of repair and the cost to repair the **CONSTRUCTION DEFECT**. In deciding such disputes, the arbitrator considers the terms of this **LIMITED WARRANTY**, any third-party evaluations, binding bids for repair work supplied by either of the parties, any estimates of diminished fair market value, and such other information submitted by the parties and deemed relevant by the arbitrator. Except where otherwise directed by the arbitrator's award, the decision to repair, replace, or to make payment to **YOU** in lieu of repair or replacement is at **OUR** or **OUR** authorized representative's sole option. The arbitrator will also render a decision as to any other claims, disputed matters or issues stated in the Binding Arbitration Request Form.

Step 4 **OUR** Arbitration Performance Obligations. If an arbitrator concludes that **WE** are responsible for a **CONSTRUCTION DEFECT**, **WE** will perform in accordance with the arbitrator's decision within sixty (60) days from the date of the award or such greater time as may be allowed by the arbitrator's decision. Delays caused by circumstances beyond **OUR** or **OUR** representative's control shall be excused.

Step 5 Disputes As To Compliance With The Award. If there is any dispute as to **OUR** compliance with an arbitrator's award, either party shall so inform **PWC** in writing at its mailing address specified in this **LIMITED WARRANTY**. **PWC** will mediate this dispute and if it cannot be resolved, either party may

request a compliance inspection arbitration to decide the question of compliance with the arbitration award. If it is determined that WE have not properly performed, WE will be obligated to immediately comply. As with the original arbitration award, any such subsequent arbitration rulings shall be enforceable by any court of competent jurisdiction.

VIII. General Conditions

A. Separation of This LIMITED WARRANTY From The Contract Of Sale

This LIMITED WARRANTY is separate and independent of the contract between YOU and US for the construction and/or sale of the HOME or transfer of the COMMON ELEMENTS. D. Recovery Rights

If WE or a third party designated by US or acting on OUR behalf repairs, replaces or pays the cost to repair or replace CONSTRUCTION DEFECT, or other related damage to the HOME or the COMMON ELEMENTS covered by this LIMITED WARRANTY, or if WE elect to pay the diminished market value of the HOME in lieu of repair or replacement of a CONSTRUCTION DEFECT, WE are then entitled, to the extent of OUR cost or payment, to take over YOUR related rights of recovery from other people and entities, including but not limited to, other warranties and insurance. YOU have an obligation not to make it harder for US to enforce these rights. YOU agree to sign any papers, deliver them to US, and do anything else that is necessary to help US exercise OUR rights.

E. General Provisions

1. If any provision of this LIMITED WARRANTY is determined to be unenforceable, such a determination will not affect the remaining provisions. If this LIMITED WARRANTY or any provision herein is determined to be unenforceable as to a HOMEOWNERS ASSOCIATION or a specific HOMEOWNER, such a determination will not affect the enforceability of this LIMITED WARRANTY or such provision as to any other HOMEOWNERS ASSOCIATION or any other HOMEOWNER. The issue of enforceability, as well as all other issues, will be determined by Binding Arbitration as provided for in this LIMITED WARRANTY.
2. This LIMITED WARRANTY and the binding arbitration process are binding on YOU and US. It is also binding on YOUR and OUR heirs, executors, administrators, successors, and assigns.
