Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

SPECIAL NOTICE:

1. This Public Report does NOT constitute an approval of the project by the Real Estate Commission.
2. This Project does NOT involve the sale of individual subdivided lots. The land area beneath and immediately adjacent to each unit as shown on the Condominium Map is designated as a limited common element for that unit and does not represent a legally subdivided lot. The dotted lines on the Condominium Map merely represent the location of the limited common element assigned to each unit.
3. Facilities and improvements normally associated with County approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for and services such as County street maintenance and trash collection will not be available for interior roads and driveways.
4. Building and other Improvements. The Developer does not make any warranties on the Units. The Project is being sold in "as is" condition.
5. Appliances: The Developer will pass on the manufacturer's warranties made to them, if any, and if such warranties can be transferred, on any appliances included as part of the Unit being purchased.
6. THIS REPORT AND OTHER PROJECT INSTRUMENTS AND DOCUMENTS WERE PREPARED BY THE DEVELOPER AND/OR ITS AGENT AND NOT AN ATTORNEY.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

Bureau of Conveyances	May 2, 2014	A-52390774

Amendments to Declaration of Condominium Property Regime		
Land Court or Bureau of Conveyances	Date of Document	Document Number

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

3.3 Condominium Map

The Condominium Map contains a site plan and floor plans, elevations and layout of the condominium project. It also shows the floor plan, unit number and dimensions of each unit.

Land Court Map Number	
Bureau of Conveyances Map Number	5278
Dates of Recordation of Amendments to the Condominium Map:	

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input type="checkbox"/>	
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>	

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	67%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input checked="" type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input type="checkbox"/>	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House Rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows:

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

Management of the Common Elements: The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.	
The initial Condominium Managing Agent for this project is (check one):	
<input type="checkbox"/>	Not affiliated with the Developer
<input checked="" type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

Estimate of the Initial Maintenance Fees: The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit "F" contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

<input type="checkbox"/>	Spatial Units. The Developer hereby declares by checking the box to the left that it is offering spatial units for sale and will not be using purchasers' deposits to pay for any costs to pay for project construction or to complete the project. Should the developer be using purchasers' deposits to pay for any project construction costs or to complete the project including lease payments, real property taxes, architectural, engineering, legal fees, financing costs; or costs to cure violations of county zoning and building ordinances and codes or other incidental project expenses, the Developer has to met certain requirements, described below in 5.6.1 or 5.6.2..
--------------------------	--

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. <i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i>
-------------------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):

<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

(b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or

(c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

1. **HAZARDOUS MATERIALS.** The Developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The Developer has made no independent investigation as to asbestos or other hazardous substances in the apartments or in, under and around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos or other hazardous substances in the units, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the unit inspected to determine the extent (if any) of such contamination and any necessary remedial action. The Developer will not correct any defects in the units or in the Project or anything installed or contained therein and Buyer expressly releases the Developer from any liability to Buyer if any hazardous materials are discovered.
2. **LEAD WARNING STATEMENT.** Pursuant to federal law, 42, U.S.C. 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead based hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."
3. **Declarant's Repurchase Option.** See Exhibit "J" for details.
4. **Driveway Common Element Area.** See Exhibit "K" for details.
5. **Declarant's Right to Erect Walls or Fences.** See Exhibit "M" for details.
6. **Addresses of the Units:**
 - Unit A: 45-591 Paleka Road
 - Unit B: 45-593D Paleka Road

7. **ACTIVE BUILDING PERMITS.** The letter from the Department of Planning and Permitting of the City and County of Honolulu dated April 15, 2014 (attached hereto as Exhibit "L"), makes reference to some outstanding and active building permits. Those permits have since been closed.
8. Pursuant to Section 514B-84(a)(1)(A), Hawaii Revised Statutes, and based upon a report by James Matchuk, Architect (see attached Exhibit "N"), Developer states that Units A, B, C, D & E appear to have been originally built in approximately 1946, 1964, 1961, 1947 and 1942, respectively and have been extensively renovated in October/November, 2013. All Units are freshly painted with new roofs, fixtures, new floors, windows and doors. The kitchens, bathrooms and other rooms of the Units have been fully renovated and contain new fixtures. Some of the electrical and plumbing systems remain in the Units but the majority have been replaced and updated.

9. Paradise Island Realty, LLC, the listing company of the Project is wholly-owned by Gilbert L. Barden, who is co-owner of the Project.

10. Existing Use Permit No. 2003/EU-26 ("EU Permit") was issued for the Land by the Department of Planning and Permitting of the City and County of Honolulu ("DPP"), and DPP had required that the EU Permit be incorporated into restrictive covenants which will run with the Land. After Developer had purchased the Land, at the request of Gilbert Barden, who is a co-owner of the Project, DPP had approved the rescission of the EU Permit (see attached letter dated August 14, 2013, attached hereto as Exhibit "O").

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

Summary of the Material Provisions of the Escrow Agreement

Summary of the Condominium Escrow Agreement between the Developer and Real Estate Title Services, LLC.

1. All deposits will be paid to Escrow. A copy of each Sales Contract and all payments made to purchase a Unit shall be turned over to the Escrow Agent. Any interest earned on funds deposited in escrow shall accrue to the credit of the Developer; except that, if Escrow is requested to establish a separate account for a purchaser, the purchaser shall pay Escrow a fee of \$25.00 for each such separate account and shall furnish Escrow the purchaser's social security or federal identification number, and any interest earned on funds deposited in such account shall accrue to the credit of the purchaser.

2. Conditions to be Met Prior to Disbursement. No disbursements of funds held in escrow with respect to a sales contract shall be made unless and until the following conditions have been fulfilled:

(a) The Real Estate Commission shall have issued an effective date of the Developer's Public Report on the Project;

(b) The purchaser shall have been given and shall have acknowledged receipt of (i) a copy of said Public Report and (ii) notice of purchaser's thirty-day cancellation right upon a form prescribed by the Real Estate Commission;

(c) The purchaser shall have waived the right to cancel or be deemed to have the right to cancel, in accordance with Section 514B-86 of the Act; and

(d) The Developer shall have given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract.

At the request of Escrow, Developer's attorney shall delivered a written opinion to Escrow that the foregoing conditions shall have been complied with and the purchaser's sales contract has become effective.

3. Return of Funds and Documents. A purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such purchaser, without interest, if any one of the following has occurred:

(a) Developer and the purchaser shall have requested Escrow in writing to return to purchaser the funds of purchaser held hereunder by Escrow; or

(b) Developer shall have notified Escrow of Developer's exercise of any option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer; or

(c) A purchaser shall have exercised his thirty-day cancellation right to rescind the sales contract pursuant to Section 514B-86 of the Act; or

(d) In the event of a material change in the Project, a purchaser shall have exercised his thirty-day cancellation right to rescind the contract pursuant to Section 514B-87 of the Act.

In any of the foregoing events, Escrow shall, upon the occurrence of the event described in (a) or (b) above or upon receipt of a written request for a refund from purchaser upon the occurrence of an event described in (c) or (d) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to said purchaser (less a cancellation fee commensurate with the work done by Escrow prior to such cancellation) and thereupon said sales contract and any conveyance document theretofore delivered to Escrow shall be returned to Developer and shall be deemed no longer held hereunder; provided, however, that no refund shall be made to a purchaser at purchaser's request prior to receipt by Developer of written notice from Escrow of its intent to make such refund and the purchaser shall not be required to pay a cancellation fee to Escrow for any rescission pursuant to HRS §514B-87.

(e) If the purchaser indicated the purchaser's intention to be an owner-occupant of a Unit under Section 514B-95 et. seq. of the Act by signing a document entitled "Affidavit of Intent to Purchase and Reside in an Owner-Occupant Designated Condominium Residential Unit," and if the purchaser and the Developer so request in writing, Escrow will refund the purchaser's deposits upon the occurrence of any of the following events:

(i) No sales contract has been offered to the purchaser (A) within six (6) months of the issuance of an effective date for the Project's first condominium public report (if the "chronological system" defined in section 514B-95 of the Act has been used to establish a final reservation list), or (B) within six (6) months of the public lottery (if the "lottery system" described in section 514B-95 of the Act has been used to establish a final reservation list). In this case only, no cancellation fees will be subtracted from the refund; or

(ii) Before signing a sales contract, the purchaser requests that his name be removed from the Developer's final reservation list; or

(iii) The purchaser chooses not to sign a sales contract; or

(iv) The purchaser is unable to obtain a loan (or a commitment for a loan) for sufficient funds to purchase the Unit by the time the sales contract allows the purchaser to obtain a loan or a commitment for a loan, and either the purchaser or the Developer chooses to cancel the sales contract. The Act requires that the purchaser shall have at least fifty (50) calendar days from the day the Developer signs and accepts the sales contract to obtain a loan or a commitment for a loan; or

(v) The purchaser is required by the Act to rescind the sales contract because the purchaser will not or cannot reaffirm at closing the purchaser's intention to be an owner-occupant of the Unit. In this case, Escrow will refund only what remains (if anything) of purchaser's deposits after Escrow pays the Developer the greater of five percent (5%) of the purchaser's deposits or a sum equal to the Developer's actual damages caused by the purchaser's rescission of the sales contract.

Except for cancellations under subparagraph (e) (i) above, Escrow may deduct from any such refund made to a purchaser a cancellation fee as set forth above.

4. Purchaser's Default. Developer shall give notice in writing to Escrow of the occurrence of each event which initiates an obligation of a purchaser to make a payment to Escrow pursuant to the sales contract as well as notice of the amount and due date of such payment. Escrow shall thereupon promptly give the purchaser notice of the amount and due date of such payment. If the purchaser fails to make such payment to Escrow on or before the due date thereof or if the purchaser fails to perform in any matter which is being handled by Escrow, Escrow shall promptly notify Developer of any such failure on the part of the purchaser. If Developer subsequently certifies in writing to Escrow that Developer has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's sales contract as funds of Developer and not as funds of the purchaser. Thereafter, such funds shall be free of the escrow established by Developer. Upon written request by Developer, Escrow shall pay such sums to Developer, less any escrow cancellation fee, shall return to Developer the sales contract of such purchase and any other documents theretofore delivered by Developer to Escrow, and shall return other documents theretofore delivered to Escrow in connection with the purchase of the unit to the person from whom, or entity from which, such documents were received; and, Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.

PERMITTED ALTERATIONS TO UNITS

Paragraph 19.1 of the Declaration states:

"19.1 Changes to Units. Notwithstanding anything to the contrary contained in the Declaration, a Unit Owner, with the consent by the holder of any mortgage affecting the Owner's Unit (if required by such mortgage), shall have the right at his sole option at any time and from time to time without the consent of any other Unit Owner or other person or entity, to improve, renovate, remodel, make additions to, enlarge, remove, replace or restore the improvements to or in his Unit or portions thereof or to make or build improvements upon the Dwelling Area appurtenant to his Unit (each of the foregoing is referred to as a "change" and collectively, they are referred to as "changes") subject to the following conditions:

(a) All building plans for any such changes shall conform with applicable City and County building, zoning laws and ordinances.

(b) Any change to a Unit must be made within the Dwelling Area which is appurtenant to the Unit.

(c) No change to a Unit will be made if the effect of such change would be to exceed the Unit's "proportionate share" of allowable development rights applicable to the Land (such to include without limitation, maximum building areas and number of dwelling units) as set forth in the LUO when the change is to be made; provided, that each Unit shall be allocated at least one dwelling unit. The "proportionate share" for each Unit shall be a fraction having as its numerator the land area of the Unit's Dwelling Area and having as its denominator the total land area of all of the Dwelling Areas.

(d) All such changes shall be at the expense of the Owner making the change and shall be expeditiously made and in a manner that will not unreasonably interfere (except on a temporary basis) while such change is being made with the other Owner's use of his Unit or its appurtenant Dwelling Area.

(e) The Owner of the changed Unit shall have the right to utilize, relocate and realign existing and/or to develop additional, central and appurtenant installations for services to the Unit affected by such change for electricity, sewer and other utilities and services and when applicable, to add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable in connection therewith; provided that the same shall not cause any interruption in the service of such utilities to any other part of the Project or otherwise materially interfere with their use by the other Owner;

(f) If the consent to the change or joinder of the other Owner in obtaining a permit or utilities, for example, is required by the Act, a governmental entity or a utility, then each Owner shall give such consent or joinder promptly following the request of the Owner making such change, provided that all costs and expenses associated with the change shall be borne by the Unit Owner making such change.

(g) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a Dwelling Area shall reserve to each Owner the rights set forth in this paragraph."

EXHIBIT "I"

SUMMARY OF SALES CONTRACT

The Sales Contract consists of two documents: a Hawaii Association of Realtors Standard form "Purchase Contract" ("Purchase Contract") and a document attached to the Purchase Contract which is entitled "Special CPR Provisions to the Purchase Contract" ("Special Provisions").

The Special Provisions are intended to amend the Purchase Contract, and unless the context would indicate clearly to the contrary, then in the event of any conflict between a provision contained in the Special Provisions and a provision contained in the Purchase Contract, the provision contained in the Special Provisions will prevail.

1. Description of the Property to be Conveyed: Fee simple title to the Unit, together with the furnishings and appliances, if any, and the undivided interest in the common elements set forth in the Purchase Contract. Title will be conveyed subject to the encumbrances of record.
2. Purchase Price and Terms. The purchase price for the Unit is set forth on page 2 of the Purchase Contract is to be paid in the method and at the times set forth in the Purchase Contract. This may include payment of (a) an initial deposit; (b) an additional cash deposit, if set forth in the Purchase Contract; and (c) the balance of the purchase price is to be paid to escrow by purchaser on or before closing.
3. Financing of Purchase. Paragraph C-24 of the Purchase Contract Form (if elected) provides if Buyer desires financing, a loan application must be made within a certain number of days and if Buyer's application is not approved within a certain number of days after the application, then either Seller or Buyer may cancel the Sales Contract. Upon such cancellation, Buyer's deposits will be refunded by escrow without interest.
4. Closing Costs. Closing costs and escrow fees are to be shared in accordance with the Purchase Contract, except that Seller does have the option to require two months' advance payment of Association maintenance fees and a start up expense for the Association of Unit Owners equal to two months' of Association maintenance fees. Buyer's proportionate share of any liability insurance premium, real property taxes, maintenance fees and any other charges with respect to the Property shall be pro-rated between Seller and Buyer as of the date of closing.
5. Closing. Seller has agreed to cause the Unit to be sold to the Buyer within the time period set forth on page 3 of the Purchase Contract .
6. Sales Contract May be Subject to Seller's Mortgage(s).
 - (a) The Sales Contract is an agreement by Seller to transfer the Unit in the future on the closing date. Until closing, Seller has the right to have a mortgage or mortgages placed against the Unit. If the Seller places a future mortgage against the Unit prior to the closing date, Buyer's rights will be subject to such mortgage or mortgages. If Seller were to default under such mortgage or mortgages prior to the closing, then Buyer could lose his rights under the Sales Contract. If such event were to occur, then Buyer's deposits would be returned to him.
 - (b) Notwithstanding that the Sales Contract may be subject to a mortgage or mortgages prior to closing, if the Buyer performs his obligations under the Sales Contract, then Seller is required to convey the Unit to Buyer at closing free and clear of any mortgage.
7. Seller's Rights to Cancel Sales Contract. The Seller may cancel the Sales Contract with the Buyer if (a) Buyer fails to qualify for a permanent loan (if Paragraph C-24 of the Purchase Contract is selected; (b) Buyer defaults under the Sales Contract (paragraph 6(b) of the Special Provisions); (c) Buyer dies prior to Closing Date (paragraph 6(a) of the Special Provisions) or (d) the Developer's Public Report shall not have been issued and Buyer shall not have waived his right to cancel (called the "Effective Date"). Pursuant to Paragraph 6(b) of the Special Provisions, if Buyer fails to close as required, then in the case only of non-monetary default after ten (10) days following Seller's notice of Buyer's default or otherwise without notice as to monetary defaults, the Seller may cancel the Sales Contract and all sums previously paid by Buyer will belong absolutely to the Seller as liquidated damages. Additionally, Seller may pursue any other remedy, and all costs, including reasonable attorney's fees, incurred by reason of default by the Buyer shall be borne by the Buyer. Time is the essence of the Sales Contract.

8. Rights of Buyer to Cancel the Sales Contract.

(A) Paragraph 6 of the Sales Addendum gives the Buyer the right to cancel the Sales Contract for any reason subject to the conditions set forth therein. Pertinent provisions within Paragraph 6 are as follows:

after: "(a) The Buyer may cancel the Sales Contract at any time up to midnight of the thirtieth day

(i) The date that the Buyer signs the Sales Contract; and

(ii) All of the items specified in subsection (a)(1) of §514B-86 HRS (which are listed in Paragraph 11 [of the Sales Contract]) have been delivered to the Buyer.

(b) If the Buyer cancels, then the Buyer will be entitled to receive the refund of any down payment or deposit, less any escrow cancellation fees and other costs associated with the purchase, which cost and fees shall not exceed \$250.

(i) Checking the waiver box on the cancellation notice and delivering it to the Seller.

(ii) Letting the thirty-day cancellation period expire without taking any action to cancel; or

(iii) Closing the purchase of the unit before the cancellation period expires.

(B) Paragraph 7 of the Sales Addendum gives the Buyer the right to cancel the Sales Contract if there are material changes in the Property or the Project, subject to the conditions set forth therein. Pertinent provisions within Paragraph 7 are as follows:

"(a) Rescission Right. Except for any additions, deletions, modifications and exercise by Seller of reservations made pursuant to the terms of the Declaration of Condominium Property Regime for the Project, the Buyer may rescind his purchase of the Property even though this sales contract is binding upon him if there is a material change in the Project which directly, substantially, and adversely affects the use or value of (1) the Buyer's Property or appurtenant limited common elements, or (2) those amenities of the Project available for the Buyer's use.

(b) Waiver of Rescission Right. Upon delivery to the Buyer of a description of the material change on a form prescribed by the Real Estate Commission, the Buyer may waive the buyer's rescission right provided in subsection (a) by:

(i) Checking the waiver box on the option to rescind sales contract instrument, signing it, and delivering it to the Seller;

(ii) Letting the thirty-day rescission period expire without taking any action to rescind;
or

(iii) Closing the purchase of the unit before the thirty-day rescission period expires.

(c) In the event of rescission pursuant to the provisions of this section, the Buyer shall be entitled to a prompt and full refund of any moneys paid."

(C) Buyer may also cancel the Sales Contract if Buyer fails to qualify for permanent financing if Paragraph C-24 of the Purchase Contract has been selected.

9. Paragraph 11 of the Special Provisions provides that the Buyer acknowledges Buyer having received (a) a true copy of the Developer's Public Report including all amendments with an effective date issued by the Real Estate Commission, together with the Project's recorded declaration and bylaws, house rules if any, a letter-sized condominium project map, and all amendments. (Provided, that where it is impractical to include a letter-sized condominium project map, the prospective purchaser or purchaser shall have an opportunity to examine the map), and (b) a notice of the buyer's thirty-day cancellation right on a form prescribed by the Real Estate Commission.

Seller reserves the right to modify the above documents as may be required by law, any title insurance company, or any institutional mortgagee.

10. Paragraph 12 provides that Seller agrees that, if, within one year after the date of substantial completion, any of the construction of the Unit (including materials or workmanship) is found to be defective, Seller utilizing his contractor shall correct any such defect promptly after receipt of written notice from the Buyer unless the Buyer has previously given the Seller a written acceptance of such condition.

The Summary contained in this Exhibit is merely a summary and is not intended to be a substitute for the Buyer's careful review of the Sales Contract.

DECLARANT'S REPURCHASE OPTION.

Paragraph 25 of the Declaration provides that:

Declarant shall have the right to repurchase a Unit from a Unit Owner for a period of ten (10) years from the date of recordation of the Unit Deed conveying the Unit to the Unit Owner, provided, however, that Declarant may exercise this right if and only if a Unit Owner shall have made a complaint to Declarant about a material defect in the physical condition and/or design of such Unit Owner's Unit or a material defect in the physical condition and/or design of such Owner's Unit or a material defect in the Project or any matter in connection with the Unit or the Project and Declarant, after a good faith and diligent effort, shall be unable to rectify the complaint to such Unit Owner's satisfaction within a reasonable period of time, as determined by Declarant in the exercise of its sole discretion. The exercise of Declarant's repurchase rights shall be subject to the following terms and conditions:

(a) Option Notice. Declarant shall give such Unit Owners and such Unit Owner's mortgagee (if any) written notice of Declarant's exercise of its option to repurchase such Unit Owner's Unit.

(b) Option Closing. The closing of the purchase shall be no earlier than six (6) months nor later than nine (9) months from the date of delivery of Declarant's written notice of its exercise of the option. Closing costs shall be apportioned between such Unit Owner and Declarant in accordance with customary practices in the State of Hawaii.

(c) Option Purchase Price. The purchase price for the Unit shall be a price equal to the aggregate of (i) the price (the "price") at which the Unit Owner purchased the Unit which is proposed to be transferred, (ii) the cost of any substantial and lawful improvements added by the Unit Owner to the Unit proposed to be transferred, and (iii) one-half of one percent (0.5%) per annum simple interest on the portion of the Price the Unit Owner paid in cash from time to time for the Unit proposed to be transferred, computed from the date so paid until the date that title to such Unit is transferred to Declarant. The purchase price shall be paid in cash at the closing.

(d) Purchase of Appliances. All appliances originally sold with the Unit (or their replacements) shall remain in the Unit at the date of closing and shall be a part of the property purchased by Declarant as evidenced by the standard conditions of the form of residential Purchase Contract used by the Honolulu Board of Realtors or similar group at the time of exercise of the option.

(e) Option Binding on Successors and Assigns. This right to repurchase given by each Owner shall be binding upon each and every Unit Owner, such Unit Owner's heirs, personal representatives, successors and assigns (including, without limitation, any subsequent Owners of the Unit), and shall be an encumbrance upon the Unit.

(f) Assignment of Option. Declarant's right to repurchase may be assigned by Declarant without the prior written consent of any Unit Owner or any other person; provided, however, that upon the exercise of the right to repurchase granted hereunder, the person exercising such right shall provide to the Unit Owner and Unit Owner's mortgagee a copy of the assignment instrument by which such person acquired the right to repurchase hereunder.

(g) Mortgage Protection. Declarant's right to repurchase the Unit granted by this Section 25 shall be subordinate to the interest of any mortgagee of record. Declarant shall not exercise its right to purchase a Unit under any option granted under this Section 25 if prior to or within sixty (60) days of giving notice to a Unit Owner and such Owner's mortgage lender of Declarant's intent to exercise such option, the mortgage lender has commenced a foreclosure action against the Unit. Notwithstanding the formula for calculation of the purchase price and whether such purchase price is sufficient to satisfy the affected Unit Owner's purchase money mortgage or mortgages, the restrictions prescribed in this Section 25 shall be automatically extinguished upon any transfers of title to a mortgage holder or other party pursuant to a mortgage foreclosure, foreclosure under power of sale, or a conveyance in lieu of foreclosure after a foreclosure action is commenced, or when a mortgage is assigned to a federal housing agency. Any provision herein to the contrary notwithstanding, a mortgagee under a mortgage covering any interest in the Unit prior to commencing mortgage foreclosure proceedings, may notify Declarant in writing of (i) any default of the mortgage under the mortgage within ninety (90) days after the occurrence of the default, and (ii) any intention of the mortgagee to foreclose the mortgage; provided that the mortgagee's failure to provide such written notice to Declarant shall not affect such holder's rights under the mortgage.

(a) Each Unit Owner shall have the right from time to time to make any and all improvements within, on or under the Common Driveway, provided, however, (i) that such improvements shall be made in such a manner as not to unreasonably restrict on a permanent basis the access in favor of the Owner of the other Unit; and (ii) all costs to make such improvements (but not the subsequent repair, maintain and replacement thereof of any improved area) shall be paid for by the Owner making such improvement(s);

Dear Ms. Hung:

**SUBJECT: Condominium Conversion Project
45-591 and 45-593 Paleka Road
Tax Map Key: 4-5-022: 023**

This is in response to your letter dated September 12, 2013, requesting verification that the structures on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the five one-story, single-family detached dwellings with ten all-weather-surface off-street parking spaces met all applicable code requirements when they were constructed and relocated prior to 1940 on this 25,704-square-foot R-5 Residential District zoned lot.

Investigation also revealed the following:

1. On August 9, 2013, Building Permit No. 729601 was issued for repair work located on 45-593-A Paleka Road. This permit is currently active.
2. On August 21, 2013, Building Permit No. 730484 was issued for repair work located on 45-593-C Paleka Road. This permit is currently active.
3. On September 6, 2013, Building Permit No. 731817 was issued for addition/alteration to existing single-family detached dwelling located on 45-593 Paleka Road. This permit is currently active.
4. On September 6, 2013, Building Permit No. 731871 was issued for alteration to convert existing carport to a bedroom located on 45-591 Paleka Road. This permit is currently active.

5. On October 1, 2013, Building Permit No. 733906 was issued for plumbing work located on 45-593-C Paleka Road. This permit is currently active.
6. On October 1, 2013, Building Permit No. 733935 was issued for alteration/plumbing work located on 45-593-A Paleka Road. This permit is currently active.
7. On February 3, 2014, Building Permit No. 742251 was issued for a new six-foot vinyl fence. This permit is currently active.
8. On March 3, 2014, Building Permit No. 743660 was issued for alteration to existing single-family detached dwelling located on 45-593-C Paleka Road. This permit is currently active.
9. On March 4, 2014, Building Permit No. 743761 was issued for alteration to existing single-family detached dwelling located on 45-593-A Paleka Road. This permit is currently active.
10. On March 4, 2014, Building Permit No. 743762 was issued for alteration to existing single-family detached dwelling located on 45-591 Paleka Road. This permit is currently active.
11. On March 4, 2014, Building Permit No. 743763 was issued for alteration to existing single-family detached dwelling located on 45-593-C Paleka Road. This permit is currently active.
12. On March 6, 2014, Building Permit No. 743891 was issued for alteration to existing single-family detached dwelling located on 45-593 Paleka Road. This permit is currently active.
13. On March 7, 2014, Building Permit No. 743962 was issued to convert existing maid's quarter into a single-family detached dwelling located on 45-593-B Paleka Road. This permit is currently active.

As a result of the adoption or amendment of any ordinance or code, the Department of Planning and Permitting cannot determine all legal nonconforming uses or structures.

No variances or other permits were granted to allow deviations from any applicable codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

DECLARANT'S RIGHT TO ERECT WALLS OR FENCES

Paragraph 26 of the Declaration provides that:

Declarant reserves the right to erect walls or fences ("Walls") along all or a portion of the perimeter boundaries of the Land. The Walls shall be a common element for the Project and any and all expenses incurred for the repair and maintenance of the Walls shall be shared equally between the Owners of the Units. Declarant also reserves the right to enter into agreements with the owners of lots adjacent to portions of the Land ("Adjacent Lot Owners") with respect to the erection, maintenance and repair of the Walls or a portion thereof and, in the event that he and any Adjacent Lot Owner agrees that a portion of the Walls will be considered as common walls for the use of both the Project and such Adjacent Lot Owner, then any and all expenses relating to the repair and maintenance of the applicable portion of the Walls shall be allocated so that 50% of the expenses shall be paid by the Adjacent Lot Owner, and 50% shall be paid by the Association.

Declarant shall also have the right to execute and deliver on behalf of each of the Unit Owners all applications and other documents which may be necessary or desirable in order to obtain approval for the construction of the Walls from the appropriate governmental authorities, including without limitation the Department of Planning and Permitting of the City and County of Honolulu, or any other governmental agency, and to take any and all actions in connection therewith, it being understood that the form and content of such documents and the nature of such actions shall be in the sole and absolute determination and discretion of the Declarant, of which the Declarant's execution and delivery of such documents or the taking of such actions shall be sufficient determination.

FROM: James Matichuk
Licensed Architect

DATE: March 10th, 2014

I made a limited visual inspection of the structures and plumbing and electrical systems of the Pakiolani Estates condominium project including Units A, B, C, D & E.

From discussions with the Developer and Owner and from my own observations during this inspection:

Units A, B, C, D & E of the Project appear to have been originally built approximately in 1946, 1964, 1961, 1947, 1942, respectively and have been extensively renovated in October/November, 2013. All Units are freshly painted with new roofs, fixtures, new floors, windows and doors. The kitchens, bathrooms, bedrooms and other rooms for the Units have been fully renovated and contain new fixtures. Some of the Electrical and plumbing systems remain in the units but the majority have been replaced and updated.

My observations resulting from my inspection are:

1. Units A, B, C, D & E all appear to be in good structural condition.
2. The electrical and plumbing systems are operable and in good working order.

My inspection was limited and did not include by way of example the condition of the soils or evidence of termite or other pests on the Project. I have been informed that the Developer will be disclaiming any warranties relating to the construction, materials, design or workmanship of the Units, soils or the common elements of the Project.

Accordingly my visual inspection should not be a substitute for a more complete inspection by a prospective buyer of a respective Unit. A prospective Buyer is urged to understand the importance of making his/her own investigation or having an investigation made by trained professionals of the Units and the Project.

Very truly yours,

45-591 Paleka Road - Kaneohe
Tax Map Key 4-5-22: 23

We are pleased to inform you that your request (received July 24, 2013) to rescind the above Existing Use Permit for four single-family dwelling units and a maid's quarter (nonconforming) is APPROVED.

In pursuant with Ordinance 10-19 (Section 21-8.20A of the Land Use Ordinance), a maximum of eight dwelling units may be placed on a single lot provided it meets the minimum lot size of the underlying zoning district for each dwelling and provides adequate access.
