

**DEVELOPER'S PUBLIC REPORT
FOR A CONDOMINIUM**

CONDOMINIUM PROJECT NAME	54-006 AND 54-008 AHINALU PLACE
Project Address	54-006 and 54-008 Ahinalu Place Hauula, Hawaii 96717
Registration Number	7569 (conversion)
Effective Date of Report	October 15, 2014
Developer(s)	ARNE GORDON WESTLY, JR.

Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to submit immediately to the Commission an amendment to this report or an amended Developer's Public Report, clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

This material can be made available for individuals with special needs. Please call the Senior Condominium Specialist at 586-2643 to submit your request.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

SPECIAL NOTICE

This is a condominium project, not a subdivision, and the project does not involve the sale of individual subdivided lots. The land area beneath and immediately appurtenant to each unit is designated a limited common element and is not a legally subdivided lot. The dashed lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

Facilities and improvements normally associated with county approved subdivisions may not necessarily be provided for and services such as county street maintenance and trash collection may not be available for interior roads.

This public report does not constitute approval of the Project by the Real Estate Commission, or any other government agency, nor does it ensure that all applicable County codes, ordinances, and subdivision requirements have necessarily been complied with.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

1. THE CONDOMINIUM PROJECT

1.1 The Underlying Land

Fee Simple or Leasehold Project	<input checked="" type="checkbox"/> Fee Simple <input type="checkbox"/> Leasehold (attach Leasehold Exhibit)
Developer is the Fee Owner	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
Fee Owner's Name if Developer is not the Fee Owner	
Address of Project	54-006 and 54-008 Ahinalu Place Hauula, Hawaii 96717
Address of Project is expected to change because	No change
Tax Map Key (TMK)	(1) 5-4-003-038
Tax Map Key is expected to change because	Each unit will be assigned a new Tax Key Number
Land Area	12,014 sf
Developer's right to acquire the Property if Developer is not the Fee Owner (describe)	

1.2 Buildings and Other Improvements

Number of Buildings	2
Floors Per Building	2
Number of New Building(s)	0
Number of Converted Building(s)	2
Principle Construction Materials (concrete, wood, hollow tile, steel, glass, etc.)	Wood, concrete, glass and other allied materials

1.3 Unit Types and Sizes of Units

Unit Type	Quantity	BR/Bath	Net Living Area	Net Other Areas	Other Areas (lanai, garage, etc)	Total Area
See Exhibit <u> A </u>						

2	Total Number of Units
---	------------------------------

Note: Net Living Area is the floor area of the unit measured from the interior surface of the perimeter walls of the unit. Other documents and maps may give floor area figures that differ from those above because a different method of determining floor area may have been used.

1.4 Parking Stalls

Total Parking Stall in the Project:	4
Number of Guest Stalls in the Project:	0
Number of Parking Stalls Assigned to Each Unit:	2
Attach Exhibit _____ specifying the Parking Stall number(s) assigned to each unit and the type of parking stall(s) (regular, compact or tandem and indicate whether covered or open).	
If the Developer has reserved any rights to assign or re-assign parking stalls, describe such rights.	

1.5 Boundaries of the Units

Boundaries of the unit: See Exhibit B
--

1.6 Permitted Alterations to the Units

Permitted alterations to the unit (if the unit is defined as a non-physical or spatial portion of the project, also describe what can be built within such portion of the project): See Exhibit C
--

1.7 Common Interest

<u>Common Interest</u> : Each unit will have a percentage interest in the common elements appurtenant to each unit. This interest is called the "common interest". It is used to determine each unit's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by unit owners. The common interest for each unit in this project, as described in Declaration, is:
Described in Exhibit _____ .
As follows: Each Unit will have 50% interest

1.8 Recreational and Other Common Facilities (Check if applicable):

<input type="checkbox"/>	Swimming pool
<input type="checkbox"/>	Laundry Area
<input type="checkbox"/>	Storage Area
<input type="checkbox"/>	Tennis Court
<input type="checkbox"/>	Recreation Area
<input type="checkbox"/>	Trash Chute/Enclosure(s)
<input type="checkbox"/>	Exercise Room
<input type="checkbox"/>	Security Gate
<input type="checkbox"/>	Playground
<input type="checkbox"/>	Other (describe):

1.9 Common Elements

Common Elements: Common elements are those parts of the condominium project other than the individual units and any other real estate for the benefit of unit owners. Although the common elements are owned jointly by all unit owners, those portions of the common elements that are designated as limited common elements (see Section 1.10 below) may be used only by those units to which they are assigned. In addition to the common facilities described in Section 1.8 above, the common elements for this project, as described in the Declaration, are set forth below.

Described in Exhibit D .

Described as follows:

Common Element	Number
Elevators	0
Stairways	0
Trash Chutes	0

1.10 Limited Common Elements

Limited Common Elements: A limited common element is a portion of the common elements that is reserved for the exclusive use of one or more but fewer than all units in the project.

Described in Exhibit E .

Described as follows:

1.11 Special Use Restrictions

The Declaration and Bylaws may contain restrictions on the use and occupancy of the units. Restrictions for this project include, but are not limited to, those described below.

<input type="checkbox"/>	Pets:
<input type="checkbox"/>	Number of Occupants:
<input checked="" type="checkbox"/>	Other: See Exhibit F
<input type="checkbox"/>	There are no special use restrictions.

1.12 Encumbrances Against Title

An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of a unit in the project. Encumbrances shown may include blanket liens which will be released prior to conveyance of a unit (see Section 5.3 on Blanket Liens).

Exhibit G describes the encumbrances against title contained in the title report described below.

Date of the title report: July 9, 2014

Company that issued the title report: Title Guaranty of Hawaii, Inc.

1.13 Uses Permitted by Zoning and Zoning Compliance Matters

Uses Permitted by Zoning				
	Type of Use	No. of Units	Use Permitted by Zoning	Zoning
<input checked="" type="checkbox"/>	Residential	2	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	R-5
<input type="checkbox"/>	Commercial		<input type="checkbox"/> Yes <input type="checkbox"/> No	
<input type="checkbox"/>	Mix Residential/Commercial		<input type="checkbox"/> Yes <input type="checkbox"/> No	
<input type="checkbox"/>	Hotel		<input type="checkbox"/> Yes <input type="checkbox"/> No	
<input type="checkbox"/>	Timeshare		<input type="checkbox"/> Yes <input type="checkbox"/> No	
<input type="checkbox"/>	Ohana		<input type="checkbox"/> Yes <input type="checkbox"/> No	
<input type="checkbox"/>	Industrial		<input type="checkbox"/> Yes <input type="checkbox"/> No	
<input type="checkbox"/>	Agricultural		<input type="checkbox"/> Yes <input type="checkbox"/> No	
<input type="checkbox"/>	Recreational		<input type="checkbox"/> Yes <input type="checkbox"/> No	
<input type="checkbox"/>	Other (Specify):		<input type="checkbox"/> Yes <input type="checkbox"/> No	
Is/Are this/these use(s) specifically permitted by the project's Declaration or Bylaws?			<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	
Variances to zoning code have been granted.			<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	
Describe any variances that have been granted to zoning code				

1.14 Other Zoning Compliance Matters

Conforming/Non-Conforming Uses, Structures and Lots			
<p>In general, a non-conforming use, structure or lot is a use, structure or lot that was lawful at one time but that does not now conform to present zoning requirements. Under present zoning requirements, limitations may apply to extending, enlarging or continuing the non-conformity and to altering and repairing non-conforming structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.</p> <p>If a variance has been granted or if uses, structures or lots are either non-conforming or illegal, the purchaser should consult with county zoning authorities as to possible limitations that may apply in situations such as those described above.</p> <p>A purchaser may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure or lot.</p>			

	Conforming	Non-Conforming	Illegal
Uses	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Structures	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lot	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>If a non-conforming use, structure or lot exists in this project, this is what will happen under existing laws or codes if the structure is damaged or destroyed:</p>
--

1.15 Conversions

<p>Developer's statements regarding units that may be occupied for residential use and that have been in existence for five years or more.</p>	<p><input checked="" type="checkbox"/> Applicable</p> <p><input type="checkbox"/> Not Applicable</p>
<p>Developer's statement, based upon a report prepared by a Hawaii-licensed architect or engineer, describing the present condition of all structural components and mechanical and electrical installations material to the use and enjoyment of the units:</p> <p>Subject to normal wear and tear commensurate with its age, each of the buildings appear to be in fair to good structural condition consistent with their age; Subject to normal wear and tear, the electrical and plumbing systems are operable and in fair working order. See Exhibit L.</p>	
<p>Developer's statement of the expected useful life of each item reported above:</p> <p>No statement is made.</p>	
<p>List of any outstanding notices of uncured violations of any building code or other county regulations:</p>	
<p>Estimated cost of curing any violations described above:</p>	

<p>Verified Statement from a County Official</p>	
<p>Regarding any converted structures in the project, attached as Exhibit <u> H </u> is a verified statement signed by an appropriate county official which states that either:</p> <p>(A) The structures are in compliance with all zoning and building ordinances and codes applicable to the project at the time it was built, and specifying, if applicable:</p> <ul style="list-style-type: none"> (i) Any variances or other permits that have been granted to achieve compliance; (ii) Whether the project contains any legal non-conforming uses or structures as a result of the adoption or amendment of any ordinances or codes; and (iii) Any violations of current zoning or building ordinances or codes and the conditions required to bring the structure into compliance; <p style="text-align: center;">or</p> <p>(B) Based on the available information, the county official cannot make a determination with respect to the foregoing matters in (A) above.</p>	
<p>Other disclosures and information:</p>	

1.16 Project In Agricultural District

<p>Is the project in an agricultural district as designated by the land use laws of the State of Hawaii? If answer is "Yes", provide information below.</p>	<p><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p>
<p>Are the structures and uses anticipated by the Developer's promotional plan for the project in compliance with all applicable state and county land use laws? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If the answer is "No", provide explanation.</p>	
<p>Are the structures and uses anticipated by the Developer's promotional plan for the project in compliance with all applicable county real property tax laws? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If the answer is "No", provide explanation and state whether there are any penalties for noncompliance.</p>	
<p>Other disclosures and information:</p>	

1.17 Project with Assisted Living Facility

<p>Does the project contain any assisted living facility units subject to Section 321-11(10), HRS? If answer is "Yes", complete information below.</p>	<p><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p>
<p>Licensing requirements and the impact of the requirements on the costs, operations, management and governance of the project.</p>	
<p>The nature and the scope of services to be provided.</p>	
<p>Additional costs, directly attributable to the services, to be included in the association's common expenses.</p>	
<p>The duration of the provision of the services.</p>	
<p>Other possible impacts on the project resulting from the provision of the services.</p>	
<p>Other disclosures and information.</p>	

2. PERSONS CONNECTED WITH THE PROJECT

<p>2.1 Developer(s)</p>	<p>Name: ARNE GORDON WESTLY, JR.</p> <p>Business Address: 1036 Hoa Street Honolulu, HI 96825</p> <p>Business Phone Number : 808-293-2433</p> <p>E-mail Address: chipwestly@yahoo.com</p>
<p>Names of officers and directors of developers that are corporations; general partners of a partnership; partners of a limited liability partnership (LLP); or a manager and members of a limited liability company (LLC) (attach separate sheet if necessary).</p>	<p>N/A</p>
<p>2.2 Real Estate Broker</p>	<p>Name: HomeQuest Realtors LLC</p> <p>Business Address: 151 Hekili Street, #220 Kailua, HI 96734</p> <p>Business Phone Number: (808) 783-4663</p> <p>E-mail Address: drea@andreakia.com</p>
<p>2.3 Escrow Depository</p>	<p>Name: Title Guaranty Escrow Services, Inc.</p> <p>Business Address: 235 Queen Street, 1st Floor Honolulu, HI 96813</p> <p>Business Phone Number: (808) 521-0211</p>
<p>2.4 General Contractor</p>	<p>Name: N/A</p> <p>Business Address:</p> <p>Business Phone Number:</p>
<p>2.5 Condominium Managing Agent</p>	<p>Name: Self-managed by the association</p> <p>Business Address:</p> <p>Business Phone Number:</p>
<p>2.6 Attorney for Developer</p>	<p>Name: Jeffrey S. Grad</p> <p>Business Address: 841 Bishop Street, Suite 1800 Honolulu, HI 96813</p> <p>Business Phone Number: (808) 521-4757</p>

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

Land Court or Bureau of Conveyances	Date of Document	Document Number
Land Court	August 25, 2014	T-9010245

Amendments to Declaration of Condominium Property Regime

Land Court or Bureau of Conveyances	Date of Document	Document Number

3.2 Bylaws of the Association of Unit Owners

The Bylaws of the Association of Unit Owners govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Unit Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters that affect how the condominium project will be governed.

Land Court or Bureau of Conveyances	Date of Document	Document Number
Land Court	August 25, 2014	T-9010246

Amendments to Bylaws of the Association of Unit Owners

Land Court or Bureau of Conveyances	Date of Document	Document Number

3.3 Condominium Map

The Condominium Map contains a site plan and floor plans, elevations and layout of the condominium project. It also shows the floor plan, unit number and dimensions of each unit.

Land Court Map Number	2252
Bureau of Conveyances Map Number	
Dates of Recordation of Amendments to the Condominium Map:	

3.4 House Rules

The Board of Directors may adopt rules and regulations (commonly called "House Rules") to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

The House Rules for this project:

Are Proposed	<input type="checkbox"/>	
Have Been Adopted and Date of Adoption	<input type="checkbox"/>	
Developer does not plan to adopt House Rules	<input checked="" type="checkbox"/>	

3.5 Changes to the Condominium Documents

Changes to Condominium Documents: Changes to the Declaration, Bylaws and Condominium Map are effective only if they are duly adopted and recorded. Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

Document	Minimum Set by Law	This Condominium
Declaration	67%	100%
Bylaws	67%	67%

3.6 Rights Reserved by the Developer to Make Changes to the Condominium Project or Condominium Documents

<input checked="" type="checkbox"/>	No rights have been reserved to the Developer to change the Declaration, Bylaws, Condominium Map or House Rules (if any).
<input type="checkbox"/>	Developer has reserved the right to change the Declaration, Bylaws, Condominium Map and House Rules (if any) and to add to or merge the project or to develop the project in one or more phases, and such rights are summarized as follows:

4. CONDOMINIUM MANAGEMENT

4.1 Management of the Common Elements

Management of the Common Elements: The Association of Unit Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.	
The initial Condominium Managing Agent for this project is (check one):	
<input type="checkbox"/>	Not affiliated with the Developer
<input checked="" type="checkbox"/>	None (self-managed by the Association)
<input type="checkbox"/>	The Developer or an affiliate of the Developer
<input type="checkbox"/>	Other (explain)

4.2 Estimate of the Initial Maintenance Fees

Estimate of the Initial Maintenance Fees: The Association will make assessments against your unit to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.
Exhibit <u> K </u> contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.

4.3 Utility Charges to be Included in the Maintenance Fee

If checked, the following utilities are included in the maintenance fee:	
<input type="checkbox"/>	Electricity for the common elements
<input type="checkbox"/>	Gas for the common elements
<input type="checkbox"/>	Water
<input type="checkbox"/>	Sewer
<input type="checkbox"/>	TV Cable
<input type="checkbox"/>	Other (specify)

4.4 Utilities to be Separately Billed to Unit Owner

If checked, the following utilities will be billed to each unit owner and are not included in the maintenance fee:	
<input checked="" type="checkbox"/>	Electricity for the Unit only
<input checked="" type="checkbox"/>	Gas for the Unit only
<input checked="" type="checkbox"/>	Water
<input checked="" type="checkbox"/>	Sewer
<input checked="" type="checkbox"/>	TV Cable
<input type="checkbox"/>	Other (specify)

5. SALES DOCUMENTS

5.1 Sales Documents Filed with the Real Estate Commission

<input checked="" type="checkbox"/>	Specimen Sales Contract Exhibit <u> I </u> contains a summary of the pertinent provisions of the sales contract. Including but not limited to any rights reserved by the Developer.
<input checked="" type="checkbox"/>	Escrow Agreement dated: August 25, 2014 Name of Escrow Company: Title Guaranty Escrow Services, Inc. Exhibit <u> J </u> contains a summary of the pertinent provisions of the escrow agreement.
<input type="checkbox"/>	Other:

5.2 Sales to Owner-Occupants

If this project contains three or more residential units, the Developer shall designate at least fifty percent (50%) of the units for sale to Owner-Occupants.

<input type="checkbox"/>	The sales of units in this project are subject to the Owner-Occupant requirements of Chapter 514B.
<input type="checkbox"/>	Developer has designated the units for sale to Owner-Occupants in this report. See Exhibit <u> </u> .
<input type="checkbox"/>	Developer has or will designate the units for sale to Owner-Occupants by publication.

5.3 Blanket Liens

Blanket Liens: A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project or more than one unit that secures some type of monetary debt (such as a loan) or other obligation. Blanket liens (except for improvement district or utility assessments) must be released as to a unit before the developer conveys the unit to a purchaser. The purchaser's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the unit to the purchaser.

<input type="checkbox"/>	There are <u>no blanket liens</u> affecting title to the individual units.
<input checked="" type="checkbox"/>	There are <u>blanket liens</u> that may affect title to the individual units.

Type of Lien	Effect on Purchaser's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance
Mortgage	If the Developer defaults under the sales contract and refunds the Buyer's deposits, less escrow cancellation fees, the Buyer shall have no further interest in the Project.

5.4 Construction Warranties

Construction Warranties: Warranties for individual units and the common elements, including the beginning and ending dates for each warranty (or the method of calculating them), are as set forth below:

Building and Other Improvements:

AS IS

Appliances:

AS IS

5.5 Status of Construction, Date of Completion or Estimated Date of Completion

Status of Construction: Unit 54-006 was constructed in 2004. Unit 54-008 was constructed in 2000.
Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract:
Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract:

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

<input type="checkbox"/>	<p>Spatial Units. The Developer hereby declares by checking the box to the left that it is offering spatial units for sale and will not be using purchasers' deposits to pay for any costs to pay for project construction or to complete the project.</p> <p>Should the developer be using purchasers' deposits to pay for any project construction costs or to complete the project including lease payments, real property taxes, architectural, engineering, legal fees, financing costs; or costs to cure violations of county zoning and building ordinances and codes or other incidental project expenses, the Developer has to met certain requirements, described below in 5.6.1 or 5.6.2..</p>
--------------------------	---

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input type="checkbox"/>	<p>The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.</p> <p><i>If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.</i></p>
--------------------------	--

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits: Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</u></p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3 and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

1.	Developer's Public Report
2.	Declaration of Condominium Property Regime (and any amendments)
3.	Bylaws of the Association of Unit Owners (and any amendments)
4.	Condominium Map (and any amendments)
5.	House Rules, if any
6.	Escrow Agreement
7.	Hawaii's Condominium Property Act (Chapter 514B, HRS, as amended) and Hawaii Administrative Rules (Chapter 16-107, adopted by the Real Estate Commission, as amended), provided that rules and regulations under Chapter 514B have not yet been adopted.
8.	Other:

Copies of the condominium and sales documents and amendments made by the Developer are available for review through the Developer or through the Developer's sales agent, if any. The Condominium Property Regime law (Chapter 514B, HRS) and the Administrative Rules (Chapter 107, HAR), are available online. Please refer to the following sites:

Website to access official copy of laws: www.capitol.hawaii.gov

Website to access rules: www.hawaii.gov/dcca/har

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

1. **MANAGEMENT OF THE PROJECT.** The Project consists of only two units and will be self-managed. Accordingly, the Developer has elected that Part VI of Chapter 514B (relating to management) shall not apply to the Project.

2. **MANAGEMENT CONFLICTS & DEADLOCKS; DISPUTE RESOLUTION.** The Project's Association of Unit Owners and Board of Directors are responsible for management of the Project. Under the Declaration and Bylaws for this Project, any decision of the Project's Association or Board requires the concurrence of both Owners or their designated representatives on the Board, respectively. The Declaration and Bylaws contain no provisions for breaking deadlocks. In the event of conflicts, disputes, or deadlocks between the Owners or their representatives on the Board that cannot be resolved by mutual agreement, the Owners' recourse will be to mediation pursuant to Section 14 of the Project's Declaration and Section 514B-161 of the Act, arbitration pursuant to Section 514B-162 of the Act, or litigation in court. Those methods of dispute resolution can be costly and time-consuming, and where there are disputes between Owners, this management structure can impair the efficient operation of the Project.

3. **HAZARDOUS MATERIALS.** The Developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The developer has made no independent investigation as to asbestos or other hazardous substances in the apartments or in, under or around the Project, including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos and other hazardous substances in the apartments, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the apartment inspected to determine the extent (if any) of such contamination and any necessary remedial action. The developer will not correct any defects in the apartments or in the Project or anything installed or contained therein and Buyer expressly releases the developer from any liability to Buyer if any hazardous materials are discovered.

4. **LEAD WARNING STATEMENT.** Pursuant to federal law, 42, U.S.C 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

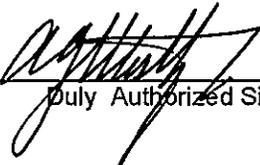

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

EXHIBIT A
Unit Types and Sizes of Units

Section 3.7 of the Declaration states:

“3.7 Description of the Units. (a) Unit 54-006 was constructed in 2004. The Unit contains three (3) bedrooms and three (3) bathrooms, kitchen, living/dining room, deck, and garage. The total net living area of the Unit is approximately 1,863 square feet. The approximate areas of the other portions of the Unit include the deck of 140 square feet and garage of 676 square feet.

(b) Unit 54-008 was constructed in 2000. The Unit contains two (2) bedrooms and two (2) bathrooms, kitchen, living room, dining area, and deck. The total net living area of the Unit is approximately 1,323 square feet. The approximate areas of the other portions of the Unit include the deck of 120 square feet.”

END OF EXHIBIT A

EXHIBIT B
Boundaries of the Units

Section 3.10 of the Declaration states:

“3.10 Designation and Boundaries of Units. (a) One freehold estate is designated in each of the two (2) Units within the Project.

(b) Each Unit consists of (1) all footings, floors, foundations, perimeter walls and roofs of the building and all other improvements now or hereafter located upon the Dwelling Area appurtenant to the Unit; (2) all of the space, fixtures, walls and other improvements located within such footings, floors, foundations, perimeter walls and roofs; (3) all exterior surfaces and finishes of such footings, floors, foundations, perimeter walls and roofs; (4) all decks, lanais, porches, steps, stairs or other improvements physically attached to any such building which is for the exclusive use of such Unit; and (5) all portions of any carport or garage now or hereafter attached to any building or located on the Dwelling Area appurtenant to the Unit and which is for the exclusive use of the Owner of such Unit. A Unit, however, does not include any pipes, wires, ducts, conduits, or other utility or service lines running through a Unit (or limited common element appurtenant to the Unit) which are utilized by or which serve any other Unit.

(c) The foregoing, as initially established or as changed pursuant to Article 19, is referred to as a “Unit.”

(d) Should the descriptions and divisions set forth in the Declaration conflict with the depictions and divisions shown on the Condominium Map, the Condominium Map shall control. The Condominium Map, however, is intended to show only the layout, location, Unit numbers and dimensions of the Units and elevations of the buildings and is not intended to contain or make any other representation or warranty.

(e) The approximate net living floor areas set forth in the Declaration or on the Condominium Map are based on measurements taken from the interior surface of all perimeter walls.”

END OF EXHIBIT B

EXHIBIT C
Permitted Alterations to the Units

Article 19 of the Declaration states:

“19.1 Definitions of Terms Used in this Article. Unless the use or context would clearly indicate to the contrary, the terms below are defined as follows:

(a) **“Applicable Laws”** means all federal, state and local laws, statutes, ordinances, codes, rules, regulations, standards, conditions of approval and all legislative, administrative or judicial orders, decrees, requirements, rulings or judgments, which now or in the future may be applicable to the Project or any Unit or to any possession, development, improvement, operation, occupancy, use, enjoyment and other activities relating to the Project.

(b) **“Governmental Entity”** means any governmental or quasi-governmental entity, including but not limited to any department, board, commission, authority, agency, deliberative body or other component or subdivision thereof, now or hereafter constituted with jurisdiction, oversight, policy making, regulatory or implementing authority under or with respect to Applicable Laws.

(c) **“Applicable Declarations and Covenants”** means all recorded agreements and written instruments that now or in the future may be applicable to the possession, development, improvement, operation, occupancy, use, enjoyment and other activities relating to the Project (or any Unit), except that such shall not mean a mortgage or other instrument securing the payment or performance of a loan or other financial obligation.

19.2 Structural Changes to Units. Notwithstanding anything to the contrary contained in the Declaration, a Unit Owner may, at any time and from time to time, in the Owner’s sole discretion and without the consent of any other Unit Owner, the Association, the Board or other person or entity, (a) improve, renovate, remodel, make additions to, enlarge, remove, replace or restore any structures or other improvements now or hereafter constituting the Owner’s Unit or that are located on the Dwelling Area appurtenant to the Owner’s Unit, or (b) make or build structures and other improvements upon the Dwelling Area appurtenant to the Owner’s Unit. Each of the foregoing is herein referred to as a **“Structural Change,”** and collectively referred to as **“Structural Changes.”** Structural Changes are subject to the following conditions:

- (1) All Structural Changes shall conform with the Applicable Laws, including the LUO, and Applicable Declarations and Covenants;
- (2) All Structural Changes shall be made within the Dwelling Area to which the Unit is appurtenant, and no structure shall be built or placed any nearer than five (5) feet from a boundary line of such Dwelling Area;
- (3) No Structural Change shall be permitted if the effect of such Change would be to exceed the Unit’s proportionate share of development rights to which the Land is entitled under the LUO. (Such development rights shall include, without limitation, maximum percentage of building lot coverage and floor area, as prescribed in the LUO when the change is to be made). **“Proportionate share”** refers to a fraction having as its numerator the net buildable area of the Dwelling Area appurtenant to the Unit being affected by the change, and the denominator being

the net buildable area of all of the Dwelling Areas in the Project. "Net buildable area" refers to the area of the Dwelling Area reduced for any right-of-way for ingress and egress in favor of others, and easements for open drainage systems;

- (4) All Structural Changes shall be paid for by the Owner making the Change and, once begun, any construction in connection with the Change shall be diligently completed in a manner that will not materially interfere (except on a non-permanent basis while such Change is being made) with the use or enjoyment by another Owner of his Unit or its appurtenant Dwelling Area;
- (5) During the course of any construction, the Unit Owner making a Structural Change shall cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. The Association shall be named as an additional insured under the insurance policy, and if requested by the Association, evidence of such insurance shall be deposited by the Unit Owner making the Change with the Association;
- (6) The Unit Owner making a Structural Change may utilize, relocate and realign existing and/or develop additional, central and appurtenant installations for services to the Unit affected by the Change for electricity, sewer and other utilities and services and when applicable, may add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable; provided that such shall not cause any interruption in the service of such utilities to any other part of the Project or otherwise materially interfere with their use by another Unit Owner;
- (7) If required under any mortgage affecting the Unit of the Owner making a Structural Change, then the consent of the holder of any such mortgage shall be obtained, provided, that the failure to obtain such consent shall not affect the validity of such Change;
- (8) Upon completion of any Structural Change, the Unit Owner making the Change shall, without the consent of any other Unit Owner, the Association, the Board or other person or entity, prepare, sign and record in the Recording Office an amendment to the Declaration and Condominium Map, which shall include without limitation (A) a description of the Unit as so altered and (B) a complete set of the floor plans and elevation drawings of the Unit as so altered and certified to "as built" by a licensed architect or engineer. After the amendment is recorded, the Unit Owners making the Change shall deliver to the Board a true and accurate copy of the recorded amendment.

19.3 Changes to Common Elements (Exclusive of Limited Common Elements). Except as to Structural Changes permitted under the preceding sections of Article 19, changes to the Project different in any material respect may be undertaken by the Association only pursuant to an amendment to the Declaration and Condominium Map, if applicable, signed by or pursuant to vote of all the Unit Owners and accompanied by the written consent of the holders of all mortgages or liens affecting any of the Units (if required under any such mortgage or lien), and in accordance with complete plans and specifications therefor first approved in writing by the Board, and promptly upon completion of such change, the Association shall file such amendment in the Recording Office, together with a complete set of the floor plans of the Project as so altered and certified to "as built" by a licensed architect or engineer, if applicable.

19.4 **General Provisions applicable to Article 19.** The following provisions apply to each of the preceding sections of Article 19 unless the context and usage would clearly indicate to the contrary:

(a) Certain sections within Article 19 create or reserve rights and benefits for the Declarant or for a Unit Owner. Each of those sections may not be amended without the consent of the benefitted Unit Owner or Declarant (both of which are referred to in this section as a “**Benefitted Owner**”);

(b) Under certain sections within Article 19, the Benefitted Owner may proceed without being required to obtain the consent or joinder of any person, including any other Unit Owner or any lien holder, or any other person who may have any interest in the Project or the Land. The Benefitted Parties may (1) execute and deliver (on behalf of all of the Unit Owners and their respective mortgagees, if necessary) applications, petitions, agreements and other instruments which such Benefitted Owner deems necessary or desirable (including without limitation, documents to be filed or recorded with Governmental Agencies, public utility companies or private parties); (2) deliver documents and to take such actions in connection with the foregoing as may be in the discretion of the Benefitted Owner, and delivery of such instrument or the taking of such action is sufficient determination; and (3) amend the Declaration and the Condominium Map to reflect exercise of the rights of a Benefitted Owner under such section of Article 19.

(c) If notwithstanding that a section in this Article 19 does not require the consent or joinder or the taking of other action of a Unit Owner, mortgage or lien holder or any other person having any interest in the Project (collectively, “**Interested Parties**,” and singly “**Interested Party**”) to the action or change by the Benefitted Owner, but the Act, Applicable Laws, a Governmental Entity, an escrow or title company, permitting entities or public utility providers nonetheless do require the consent or joinder or the taking of action by an Interested Party, then upon the request of the Benefitted Owner, each such Interested Party consents in advance to such action or change being made by the Benefitted Owner and agrees to consent to and join in, as aforesaid, and to sign all instruments or documents necessary or desirable so that the Benefitted Owner may effectuate the change or otherwise do as permitted under the applicable section within Article 19.

(d) If any Interested Party fails to provide such requested written joinder, consent, or take such action, as the case may be, within ten (10) days after request is made by the Benefitted Owner, the Benefitted Owner may sign, deliver or take such action on behalf of such Interested Party. Such shall be accomplished by signature of the Benefitted Owner acting under an irrevocable power-of-attorney in favor of Benefitted Owner from such Interested Party. The acquiring or acceptance of ownership in a Unit or of a mortgage or other lien covering a Unit or of any other interest in the Project or Unit shall be deemed the delivery of a grant of such power of attorney in favor of the Benefitted Owner. Such grant is considered as being coupled with an interest and shall be irrevocable. All costs associated with obtaining the joinder or consent shall be paid for by the Benefitted Owner, unless the costs are incurred because of an Interested Party’s failure to provide its joinder or consent, in which case, all such costs incurred shall be paid for by the Interested Party who shall have failed to provide its joinder or consent.

(e) The rights of a Benefitted Owner granted under a section of Article 19 may be assigned, mortgaged or otherwise be transferred by the Benefitted Owner only in connection with the assignment, mortgage or other transfer of the Unit owned by Benefitted Owner. No amendment to such rights granted to a Benefitted Owner may be made without the consent of the Benefitted Owner.

(f) If any provision of this Article 19 shall be declared to be unlawful or unenforceable, such provision or provisions shall be null and void and be separable from the remaining provisions of this Article 19 and/or this Declaration and shall not affect the enforceability of any other provision of this Article 19 or the Declaration.”

END OF EXHIBIT C

EXHIBIT D
Common Elements

Article 4 of the Declaration states:

“One freehold estate is also designated in all the portions of the Project other than the Units. Such are referred to as “common elements.” The common elements include, but are not limited to:

4.1 Land. The Land in fee simple;

4.2 Utility Lines and Retaining Walls. Any pipes, wires, ducts, conduits or other utility or service lines, drainage ditches or appurtenant drainage structures and retaining walls (if any), which are located outside the Units and which are utilized for or serve more than one Unit;

4.3 Fences and Walls. Any fences and walls that are located on the boundaries separating the Dwelling Areas appurtenant to each of the Units;”

END OF EXHIBIT D

EXHIBIT E
Limited Common Elements

Article 5 of the Declaration states:

5.1 Generally. (a) Certain parts of the common elements, referred to as "**limited common elements**," are designated and set aside for the exclusive use of certain (but not all) of the Units. Each Unit or Units has appurtenant thereto exclusive easements for the use of such limited common elements set aside and reserved for such Unit's or Units' exclusive use.

(b) Unless otherwise specified, all costs of every kind pertaining to a limited common element, including, but not limited to, costs of landscaping, maintenance, repair, replacement and improvement, shall be paid for by the Owner of the Unit or Units to which such limited common element is appurtenant.

5.2 Limited Common Elements for Unit 54-006. The limited common elements so set aside and reserved for the exclusive use of Unit 54-006 are as follows:

(a) The site on which Unit 54-006 is located, consisting of the land area beneath and immediately adjacent to Unit 54-006 (including the airspace above such site), as shown and delineated on the Condominium Map as 7,014 square feet (which may be referred to as "**Dwelling Area 54-006**");

(b) A mailbox to be designated by Declarant for the use of Unit 54-006.

5.3 Limited Common Elements for Unit 54-008. The limited common elements so set aside and reserved for the exclusive use of Unit 54-008 are as follows:

(a) The site on which Unit 54-008 is located, consisting of the land area beneath and immediately adjacent to Unit 54-008 (including the airspace above such site), as shown and delineated on the Condominium Map as 5,000 square feet (which may be referred to as "**Dwelling Area 54-008**");

(b) A mailbox to be designated by Declarant for the use of Unit 54-008.

5.4 Other Limited Common Elements. Any other common element of the Project which is rationally related to fewer than all the Units is a limited common element appurtenant to and for the exclusive use of such Unit or Units to which it is rationally related."

Note: The "Dwelling Areas" herein described are not legally subdivided lots.

END OF EXHIBIT E

EXHIBIT F
Special Use Restrictions

Article 7 of the Declaration states:

“In addition to any easements designated as limited common elements, the Units are subject to and have the benefit of the following easements and rights:

7.1 **Utilities.** Each Unit has appurtenant thereto perpetual, nonexclusive easements over, under and across the common elements (including limited common elements) designed for such purposes for ingress to and egress from utility services (including, but not limited to telephone, electricity, water, sewer system and cable TV) for the support, maintenance and repair of such Unit; and in the other common elements for their use according to their respective purposes.

7.2 **Encroachments.** If (a) any part of the common elements encroaches upon a Unit or its appurtenant limited common element or (b) any part of a Unit or its appurtenant limited common element encroaches upon any portion of the common elements or upon another Unit or its appurtenant limited common element, then, in either event a valid easement for such encroachment and maintenance, so long as it continues, does exist. If any building or other improvement is partially or totally destroyed and then rebuilt, or if there is any shifting, settlement or movement of any building or other improvement, minor encroachments by any common element upon any Unit or limited common element, or by any Unit upon any other common element or limited common element due thereto reconstruction is permitted, and valid easements exist for such encroachments and the maintenance, so long as they continue. Notwithstanding the foregoing, no valid easement for encroachment is created in favor of a Unit Owner if such encroachment occurred due to the negligence or misconduct of such Unit Owner.

7.3 **Pipes, Wires, Etc.** i. Each Unit Owner has nonexclusive easements in common with the other Unit Owner(s) to use all pipes, wires, ducts, cables, conduits, utility lines and other common elements located in another Unit (or in, on, above or under the Dwelling Area appurtenant to such other Unit).

(b) Each Unit (“**Burdened Unit**”) is subject to an easement in favor of the other Unit Owner(s) to use the pipes, ducts, cables, wires, conduits, utilities, and other common elements serving such other Unit(s) located in such Burdened Unit (or in, on, above or under the Dwelling Area appurtenant to such Burdened Unit) if such use does not materially interfere with the use by the Owner of the Burdened Unit.

7.4 **Declarant’s Right to Grant Utility Easements.** Declarant reserves the right to grant (including the right to convey, transfer, cancel, relocate and otherwise deal with a grant) to any public or governmental authority rights-of-way and other easements, which are for the benefit of the Project or which do not materially interfere with the use nor materially impair the value of any Unit, over, across, under and through the common elements (including limited common elements) for lines and other transmission facilities and appurtenances for electricity, gas, telephone, water, sewer, drainage and other public services and utilities, and rights to enter for the purpose of installing, repairing, altering and removing such lines and facilities and of trimming any trees in the way. The rights reserved to Declarant in this section continue for so long as Declarant (or their successor by assignment) owns any interest in

any of the Units. Thereafter, the rights reserved to Declarant (or their successor by assignment) in this section terminate as to Declarant and automatically vest in the Association.

7.5 Easement to Complete Repairs and Maintenance. Declarant has an easement over and upon any portion of the Project, including the common elements and any Unit, as may be reasonably necessary for the repair, maintenance or replacement of any improvements to, and correction of defects and other punch-list items in the common elements or any Unit.

7.6 Common Walls and Fences. Any fences and walls that are located on the boundaries separating the Dwelling Areas ("**Shared Wall**") are common elements or limited common elements, as applicable. Each Unit Owner has a cross-easement and license on and over that portion of the Dwelling Area appurtenant to the other Unit on which a Shared Wall is located. Such cross-easement and license includes the right at reasonable times to enter upon the Dwelling Area appurtenant to the other Unit in order to perform upkeep, repair and maintenance of a Shared Wall. Unit Owners shall not obstruct, inhibit, prevent, or otherwise detract from the other Unit Owner's use of a Shared Wall for boundary or support purposes. Unless otherwise agreed, Unit Owners who share in the use of a Shared Wall shall share equally in the cost of upkeep, repair and maintenance of a Shared Wall regardless of the extent of each Unit Owner's use of the Shared Wall; provided, however if one Unit Owner causes damage to a Shared Wall, the Unit Owner causing such damage shall pay for the costs to repair the damage and shall indemnify and hold harmless the other Unit Owner for any loss, liability, damage or expense which the other Unit Owner may suffer or incur arising from such damage.

7.7 Private Septic System or Cesspool. (a) Definition. "**Private Septic System**" shall mean any private wastewater disposal or treatment and disposal system (including without limitation septic tanks and injection fields or cesspool) now or hereafter located on or under either Dwelling Area and which is utilized jointly by the Owners of both of the Units, and which is not hooked into a public sewer or septic system. The location of the Private Septic System currently servicing the Project is as shown on the site map portion of the Condominium Map.

(b) Designation of Common Element. The Private Septic System and that portion of the Dwelling Area on which the system is now or hereafter located (together with reasonable rights of access to and from the System) shall constitute a common element available for use as a Private Septic System for the benefit of both Units; provided, however, that except for such use as a Private Septic System of that portion of the Dwelling Area under which the System is located or across which access is required, all other uses of such affected Dwelling Area are exclusively reserved for the benefit of the Unit to which the Dwelling Area is appurtenant.

(c) Sharing of Costs. Notwithstanding Article 15 of the Declaration, the costs and expenses (including any replacement thereof) relating to the Private Septic System shall be treated as a common expense to be shared equally by each Unit Owner. To the extent practicable, each Owner shall pay his allocable share of the costs and expenses relating to the Private Septic System directly to the person providing services or to whom any such obligation is owed by the Owners.

(d) Future Expansion or Installation. Pursuant to Article 19, a Unit Owner may make changes to his Unit including expansion of the number of bedrooms if such is permitted by County Rules or State Law. So long as State Laws or City and County Rules limit to five the number of bedrooms that be located upon the Land, Unit 54-006 shall be allocated three (3) bedrooms and Unit 54-008 shall be allocated two (2) bedrooms.

If a change is permitted under County Rules or State Law subject to the expansion of the existing Private Septic System or the installation of a new Private Septic System, then the parties may agree to expand the Septic System or install a new system and agree as to the method of sharing of the costs associated with such expansion or installation. If the Unit Owners do not agree as to such expansion or the sharing of costs relating thereto, then the Owner who desires to expand the Private Septic System or install a new System ("**Expanding Owner**") may do so on the following terms and conditions:

- (1) All costs and expenses (including without limitation the costs of design, permitting, engineering, construction, and landscaping, and costs of any temporary treatment facility if required during such expansion) shall be paid for by the Expanding Owner;
- (2) The expansion shall be made by the Expanding Owner in such a manner as to cause minimum disruption of service of the existing Private Septic System and to allow for the future possible hook-up of the Unit owned by the other Owner in the Project ("**Non-Expanding Owner**");
- (3) The Expanding Owner shall indemnify and hold the Non-Expanding Owner harmless against any loss, liability, damage or expense incurred or suffered by the Non-Expanding Owner on account of such enlargement or installation of the Private Septic System;
- (4) The expansion or installation shall be in compliance with all applicable County Rules, and shall be performed by requisite licensed professionals;
- (5) The Expanding Owner shall return the Dwelling Area in which the current Private Septic System is located to the same condition (including landscaping) as it was in prior to such expansion or installation;
- (6) The Expanding Owner shall provide reasonable assurance to the Non-Expanding Owner that the Expanding Owner has the financial ability to pay for all costs and expenses relating to such expansion or installation;
- (7) Except with the consent of the Non-Expanding Owner, any installation of a new Private Septic System shall be on and under the Dwelling Area appurtenant to the Unit owned by the Expanding Owner;
- (8) If after the Expanding Owner expands the Private Septic System or installs a new septic system and pays the cost and expense of such expansion or installation, the Non-Expanding Owner wishes to make a change to his Unit which would require an expansion of the current Private Septic System or installation of a new System, then the Non-Expanding Owner shall have the right to hook into and utilize the expanded or newly installed Private Septic System made by the Expanding Owner (subject to any legal restrictions imposed on such System by the County or State), provided the Non-Expanding Owner shall reimburse the Expanding Owner for the Non-Expanding Owner's proportionate share of such costs of original expansion or installation made by the Expanding Owner.

(e) Cooperation. The Owner of each Unit shall cooperate with the Owner of the other Unit with respect to the changes to a Unit and with respect to the expansion, installation and hooking into the Private Septic System.

(f) Termination if Public Sewer System. In the event that a governmental entity or public utility makes available to the Unit Owners the right to hook into its common septic system (“**Public Sewer System**”) which could replace the Private Septic System, then if required by such entity or if a majority of Unit Owners so desire, the Unit Owners shall hook up to the Public Sewer System and abandon any Private Septic System. All costs and expenses associated with the foregoing shall be allocated in a reasonable and fair manner.

7.8 **View Easements.** (a) Definitions.

- (1) The term “**View Easement Area**” means the ground area that is labeled as “View Easement Area” on the site map portion of the Condominium Map, which was prepared by licensed professional land surveyor Robert K. Sing, and the airspace directly (vertically) above it.
- (2) The location of the View Plane Benchmark is shown on the site map portion of the Condominium Map. The location of the View Plane Benchmark is shown by an arrow cut in concrete by the licensed surveyor (Robert K. Sing) who prepared the site map portion of the Condominium Map. The term “**View Plane Benchmark**” is defined as the height of the uncut concrete immediately adjacent to the dot that represents the tip of the arrow that was cut into the concrete.
- (3) The term “View Easement Elevation Plane” means the level geometric plane that is exactly nine (9) feet higher than the height of the View Plane Benchmark.
- (4) The term “**View Easement Open Space**” means the space that is within the View Easement Area and higher in elevation than the View Easement Elevation Plane.

(b) View Easement Rule. The “**View Easement Rule**” is as follows:

Within the View Easement Area no vegetation of any sort and no structures of any sort (which means no plant, building, fence or any other physical object) shall be permitted to grow, be built or remain, higher than the elevation of the View Easement Elevation Plane. This means that no vegetation of any sort and no structures of any sort (which means no plant, building, fence or any other physical object) shall be permitted to intrude into the View Easement Open Space.

The foregoing definitions and rule rigidly and precisely define the View Easement Open Space and the View Easement Rule.

(c) General Descriptions and Examples of the View Easement Rule. The following general descriptions are designed to help make that rigid specification of the View Easement Rule more easily understood. The elevation of the ground (at the time of the signing of this Declaration of Condominium Property Regime) within the View Easement Area is not perfectly level. Generally speaking the ground within the View Easement Area currently ranges from very roughly one (1) foot lower than the height of the View Easement Benchmark, to a height of very roughly approximately one (1) foot higher than the View Easement Benchmark. In contrast, the bottom of the View Easement Open Space is defined by the View Easement Elevation Plane, which is a level geometric plane. As a result, for example, the maximum permissible height of vegetation when measured from the immediately adjacent ground will be somewhat more than nine (9) feet in the lower physical areas of ground within the View

Easement Area (such as the northerly portion of the View Easement Area, near the beginning of the curved property line that is at the edge of Dwelling Area 54-008). Also by way of example, within the portions of the View Easement Area in which the ground is somewhat higher than the elevation of the View Plane Benchmark, the maximum permissible height of vegetation when measured relative to the immediately adjacent ground will be somewhat less than nine (9) feet, such as at the easternmost portion of the View Easement Area that is located in Dwelling Area 54-006. Also, any future changes in the elevation of the ground or dirt within the View Easement Area will not affect the bottom of the View Easement Open Space. For example, if one Unit Owner were to pile extra dirt three (3) feet high within the portion of the View Easement Area on that Owner's Dwelling Area, that would reduce by exactly that number of feet the height that vegetation could be grown on the top of that raised mound of dirt. The same rule that applies to vegetation would also apply to structures (or any other physical object(s)) within the View Easement Area.

(d) View Easements Created.

- (1) The View Easement Rule that is applicable to the portion of the View Easement Area that is within Dwelling Area 54-008 is for the benefit of Unit 54-006, and is an easement in favor of, and enforceable by, the Owner(s) of Unit 54-006.
- (2) The View Easement Rule that is applicable to the portion of the View Easement Area that is within Dwelling Area 54-006 is for the benefit of Unit 54-008, and is an easement in favor of, and enforceable by, the Owner(s) of Unit 54-008.

(e) Provisions For Re-Establishing The Height Of The View Plane Benchmark if it is Ever Physically Destroyed. For future reference, in the event that the View Plane Benchmark is ever physically destroyed, the following two secondary benchmarks may be used to reestablish the height of the View Plane Benchmark. The first secondary benchmark is the top of the concrete pier at the east corner of the foundation of the two story house portion of Unit 54-008, which is 1.994 feet above the elevation of the View Plane Benchmark. The other secondary benchmark is the top of the concrete pier at the north corner of the two-story house portion of Unit 54-006, which is 2.036 feet higher than the elevation of the View Plane Benchmark.

In the very unlikely event that the View Plane Benchmark portion of the concrete driveway, and both of the two secondary benchmarks are all destroyed (to such an extent that it is not reasonably clear from any of those three fixed concrete points how to reestablish the elevation of the View Plane Benchmark), then the View Plane Benchmark will be somewhat arbitrarily reestablished as a point with an elevation 5.5 feet above mean sea level (as the term "mean sea level" was generally used by Hawaii surveyors in 2014), which is believed to be approximately the current height of the View Plane Benchmark at the time this Declaration of Condominium Property Regime is being signed. Please note, however, that unless the View Plane Benchmark concrete is physically destroyed and both of the two secondary benchmarks are physically destroyed, the figure "5.5 feet above mean sea level" has no effect whatsoever on the height of the View Easement Benchmark, and no effect on the resulting height nine (9) feet above the View Easement Benchmark of the View Easement Elevation Plane. It should also be noted that any future changes in mean sea level will have no effect on the height of the View Easement Elevation Plane even if the View Easement Benchmark concrete is physically destroyed and both of the two secondary benchmarks are physically destroyed."

Article 9 of the Declaration states:

“9.1 Permitted Uses. Each Unit may be occupied and used only for residential purposes by its Owners, their tenants and social guests and for any other purpose permitted by the Land Use Ordinance, Chapter 21, Revised Ordinances of Honolulu 1990, as amended (“LUO”), then in effect.

9.2 Rental Use. Unit Owners may lease their Units, provided that any such lease is expressly made subject to the Declaration and the Bylaws.

9.3 Care and Disturbance. No Owner will suffer anything to be done or kept in a Unit or elsewhere in the Project which would jeopardize the soundness of the Project, or which will interfere with or unreasonably disturb the rights of other Unit Owners, or which will increase the rate of hazard insurance on the Project or the Units.

9.4 Use of Common Elements. The common elements may be used only for the purposes for which they are designed and intended.

9.5 Maintenance and Painting. Unit Owners (including any Unit occupants) shall keep their respective Units and the limited common elements appurtenant thereto in a strictly clean and sanitary fashion. Such obligation includes repainting the exterior of each building constituting a Unit, as such becomes reasonably necessary.”

Section 19.2 of the Declaration states:

“19.2 **Structural Changes to Units.** Notwithstanding anything to the contrary contained in the Declaration, a Unit Owner may, at any time and from time to time, in the Owner’s sole discretion and without the consent of any other Unit Owner, the Association, the Board or other person or entity, (a) improve, renovate, remodel, make additions to, enlarge, remove, replace or restore any structures or other improvements now or hereafter constituting the Owner’s Unit or that are located on the Dwelling Area appurtenant to the Owner’s Unit, or (b) make or build structures and other improvements upon the Dwelling Area appurtenant to the Owner’s Unit. Each of the foregoing is herein referred to as a “**Structural Change,**” and collectively referred to as “**Structural Changes.**” Structural Changes are subject to the following conditions:

- (1) All Structural Changes shall conform with the Applicable Laws, including the LUO, and Applicable Declarations and Covenants;
- (2) All Structural Changes shall be made within the Dwelling Area to which the Unit is appurtenant, and no structure shall be built or placed any nearer than five (5) feet from a boundary line of such Dwelling Area;
- (3) No Structural Change shall be permitted if the effect of such Change would be to exceed the Unit’s proportionate share of development rights to which the Land is entitled under the LUO. (Such development rights shall include, without limitation, maximum percentage of building lot coverage and floor area, as prescribed in the LUO when the change is to be made). “**Proportionate share**” refers to a fraction having as its numerator the net buildable area of the Dwelling Area appurtenant to the Unit being affected by the change, and the denominator being the net buildable area of all of the Dwelling Areas in the Project. “**Net buildable area**” refers to

the area of the Dwelling Area reduced for any right-of-way for ingress and egress in favor of others, and easements for open drainage systems;

- (4) All Structural Changes shall be paid for by the Owner making the Change and, once begun, any construction in connection with the Change shall be diligently completed in a manner that will not materially interfere (except on a non-permanent basis while such Change is being made) with the use or enjoyment by another Owner of his Unit or its appurtenant Dwelling Area;
- (5) During the course of any construction, the Unit Owner making a Structural Change shall cause to be maintained at his expense builder's all-risk insurance in an amount not less than the estimated cost of construction. The Association shall be named as an additional insured under the insurance policy, and if requested by the Association, evidence of such insurance shall be deposited by the Unit Owner making the Change with the Association;
- (6) The Unit Owner making a Structural Change may utilize, relocate and realign existing and/or develop additional, central and appurtenant installations for services to the Unit affected by the Change for electricity, sewer and other utilities and services and when applicable, may add, delete, relocate, realign, designate and grant easement and rights-of-way over, under and on the common elements as necessary or desirable; provided that such shall not cause any interruption in the service of such utilities to any other part of the Project or otherwise materially interfere with their use by another Unit Owner;
- (7) If required under any mortgage affecting the Unit of the Owner making a Structural Change, then the consent of the holder of any such mortgage shall be obtained, provided, that the failure to obtain such consent shall not affect the validity of such Change;
- (8) Upon completion of any Structural Change, the Unit Owner making the Change shall, without the consent of any other Unit Owner, the Association, the Board or other person or entity, prepare, sign and record in the Recording Office an amendment to the Declaration and Condominium Map, which shall include without limitation (A) a description of the Unit as so altered and (B) a complete set of the floor plans and elevation drawings of the Unit as so altered and certified to "as built" by a licensed architect or engineer. After the amendment is recorded, the Unit Owners making the Change shall deliver to the Board a true and accurate copy of the recorded amendment."

Jeffrey S. Grad, Esq.
The Grad Law Firm
Davies Pacific Center, Suite 1800
841 Bishop Street
Honolulu, Hawaii 96813

Dear Mr. Grad:

SUBJECT: Condominium Conversion Project
54-006 and 54-008 Ahinalu Place
Tax Map Key: 5-4-003: 038

This is in response to your letter dated February 19, 2014, requesting verification that the structures on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the two two-story, single-family detached dwellings and the detached garage structure with four all-weather-surface off-street parking spaces met all applicable code requirements when they were constructed in 2000 and 2004, respectively, on this 12,014-square-foot R-5 Residential District zoned lot.

As a result of the adoption or amendment of any ordinance or code, the Department of Planning and Permitting cannot determine all legal nonconforming uses or structures.

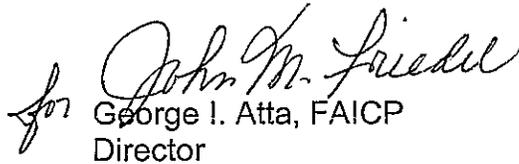

No variances or other permits were granted to allow deviations from any applicable codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

Jeffrey S. Grad, Esq.

EXHIBIT I
Summary of the Pertinent Provisions of the Sales Contract

The Sales Contract consists of two documents: a Hawaii Association of Realtors ("HAR") Standard Form "Purchase Contract" ("**Purchase Contract**") and a document attached to the Purchase Contract which is entitled "Special CPR Provisions to the Purchase Contract" ("**Special Provisions**").

The Special Provisions are intended to amend the Purchase Contract, and unless the context would indicate clearly to the contrary, then in the event of any conflict between a provision contained in the Special Provisions and a provision contained in the Purchase Contract, the provision contained in the Special Provisions will prevail.

1. **Description of the Property to be Conveyed.** Fee simple title to the Property, together with the furnishings and appliances, if any, and the undivided interest in the common elements of the Project. Title will be conveyed subject to the encumbrances of record.
2. **Purchase Price and Terms.** The purchase price for the Property as set forth on page 2 of the Purchase Contract is to be paid in the method and at the times set forth in the Purchase Contract. This may include payment of (a) an initial deposit; (b) an additional cash deposit, if set forth in the Purchase Contract; and (c) the balance of the purchase price is to be paid to escrow by purchaser on or before closing.
3. **Financing of Purchase.** Paragraph H-3 of the Purchase Contract (if elected) provides that if Buyer desires financing, a loan application must be made within a certain number of days and if Buyer's application is not approved within a certain number of days after the application, then either Seller or Buyer may cancel the Purchase Contract. Upon such cancellation, Buyer's deposits will be refunded by escrow without interest.
4. **Closing and Other Costs.** Closing costs and escrow fees are to be shared in accordance with the Purchase Contract, except that Seller does have the option to require two (2) months advance payment of the Property's estimated share of common expenses for the Project and a start up expense for the Association of Unit Owners equal to two (2) months of the Property's estimated share of common expenses for the Project. Buyer's proportionate share of any liability insurance premium, real property taxes, maintenance fees and any other charges with respect to the Property shall be pro-rated between Seller and Buyer as of the date of closing.
5. **Closing.** Seller has agreed to cause the Property to be sold to the Buyer within the time period set forth in the Purchase Contract.
6. **No Present Transfer and Subordination to Construction Loan.** (a) The Purchase Contract may be subject to existing and future blanket loans, and any security interest now or hereafter obtained by a lender of Seller is or will be prior and senior to any rights of the Buyer arising under the Purchase Contract. This obligation to subordinate the purchaser's right under the Purchase Contract to loans now or hereafter made by the Seller is set forth in Paragraph 4 of the Special Provisions.
 - (b) Seller may also assign by way of security all of its interest in the Purchase Contract, as collateral for the repayment of the loan and if the Lender acquires the Seller's interest in

the Purchase Contract, then the Buyer is obligated to perform the Purchase Contract, and to attorn to and recognize the Lender as the seller under the Purchase Contract.

(c) Notwithstanding that the Purchase Contract may be subordinate to a blanket lien, if the Buyer performs his obligations under the Purchase Contract, then Seller is required to convey the Unit to Buyer at closing free and clear of any blanket lien.

7. **Seller's Rights to Cancel Purchase Contract.** The Seller may cancel the Purchase Contract with the Buyer if (a) Buyer fails to qualify for a permanent loan; (b) Buyer defaults under the Purchase Contract; (c) Buyer dies prior to Closing Date; or (d) the Developer's Public Report shall not have been issued and Buyer shall not have waived his right to cancel ("Effective Date"). Pursuant to the Special Provisions, if Buyer fails to close as required, then in the case only of non-monetary default after ten (10) days following Seller's notice of Buyer's default or otherwise without notice as to monetary defaults, the Seller may cancel the Purchase Contract and all sums previously paid by Buyer will belong absolutely to the Seller as liquidated damages. Additionally, Seller may pursue any other remedy, and all costs, including reasonable attorney's fees, incurred by reason of default by the Buyer shall be borne by the Buyer. Time is the essence of the Sales Agreement.

8. **Rights of Buyer to Cancel the Purchase Contract.** The Buyer has the right to cancel the Purchase Contract under the following conditions:

(a) At any time within thirty (30) days following the date the Public Report is delivered to Buyer. If Buyer so cancels, Buyer will be entitled to receive refund of any deposits. If Buyer does not act within the thirty (30) day period, or if the Property is conveyed to the Buyer, Buyer will be deemed to have executed the receipt for the Public Report and to have waived his right to cancel.

(b) Buyer may cancel his purchase if there is a material change in the Project which directly, substantially and adversely affects the use or value of the Property or the amenities available for the Buyer's use. If so, Buyer will be entitled to receive refunds of any deposits, less escrow cancellation fees and other costs up to \$250.

(c) Buyer fails to qualify for permanent financing (if Paragraph H-3 of the Purchase Contract has been selected).

9. Paragraph 11 of the Special Provisions provides that the Buyer acknowledges having received (a) a true copy of the Developer's Public Report including all amendments with an effective date issued by the Real Estate Commission, and that the Developer's Public Report includes the report itself, the Project's recorded Declaration and Bylaws, House Rules (if any), a letter-sized Condominium Map for the Project (provided, that where it is impractical to include a letter-sized Condominium Map, Buyer shall have an opportunity to examine the Map), and all amendments; and (b) a notice of the Buyer's thirty-day cancellation right on a form prescribed by the Real Estate Commission. Seller reserves the right to modify the above documents as may be required by law, any title insurance company, or any institutional mortgagee.

The Summary contained in this Exhibit is merely a summary and is not intended to be a substitute for the Buyer's careful review of the Purchase Contract and Special Provisions.

END OF EXHIBIT I

EXHIBIT J
Summary of the Pertinent Provisions of the Escrow Agreement
(Between Developer and Title Guaranty Escrow Services, Inc.)

1. **All deposits will be Paid to Escrow.** A copy of each Sales Contract and all payments made to purchase a Unit shall be turned over to the Escrow Agent. Any interest earned on funds deposited in escrow shall accrue to the credit of the Developer; except that, if Escrow is requested to establish a separate account for a purchaser, the purchaser shall pay Escrow a fee of \$25.00 for each such separate account and shall furnish Escrow the purchaser's social security or federal identification number, and any interest earned on funds deposited in such account shall accrue to the credit of the purchaser.

2. **Conditions to be Met Prior to Disbursement.** No disbursements of funds held in escrow with respect to a sales contract shall be made unless and until the following conditions have been fulfilled:

(a) The Real Estate Commission shall have issued an effective date of the Developer's Public Report on the Project;

(b) The purchaser shall have been given and shall have acknowledged receipt of (1) a copy of said Public Report and (2) notice of purchaser's thirty-day cancellation right upon a form prescribed by the Real Estate Commission; and

(c) The purchaser shall have waived the right to cancel or be deemed to have the right to cancel, in accordance with Section 514B-86 of the Act; and

(d) The Developer shall have given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract.

At the request of Escrow, Developer's attorney shall delivered a written opinion to Escrow that the foregoing conditions shall have been complied with and the purchaser's sales contract has become effective.

3. **Return of Funds and Documents.** A purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such purchaser, without interest, if any one of the following has occurred:

(a) Developer and the purchaser shall have requested Escrow in writing to return to purchaser the funds of purchaser held hereunder by Escrow; or

(b) Developer shall have notified Escrow of Developer's exercise of any option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Developer; or

(c) A purchaser shall have exercised his thirty-day cancellation right to rescind the sales contract pursuant to Section 514B-86 of the Act; or

(d) In the event of a material change in the Project, a purchaser shall have exercised his thirty-day cancellation right to rescind the contract pursuant to Section 514B-87 of the Act.

In any of the foregoing events, Escrow shall, upon the occurrence of the event described in (a) or (b) above or upon receipt of a written request for a refund from purchaser upon the occurrence of an event described in (c) or (d) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to said purchaser (less a cancellation fee commensurate with the work done by Escrow prior to such cancellation up to a maximum of \$250.00) and thereupon said sales contract and any conveyance document theretofore delivered to Escrow shall be returned to Developer and shall be deemed no longer held hereunder; provided, however, that no refund shall be made to a purchaser at purchaser's request prior to receipt by Developer of written notice from Escrow of its intent to make such refund.

4. **Purchaser's Default.** Developer shall give notice in writing to Escrow of the occurrence of each event which initiates an obligation of a purchaser to make a payment to Escrow pursuant to the sales contract as well as notice of the amount and due date of such payment. Escrow shall thereupon promptly give the purchaser notice of the amount and due date of such payment. If the purchaser fails to make such payment to Escrow on or before the due date thereof or if the purchaser fails to perform in any matter which is being handled by Escrow, Escrow shall promptly notify Developer of any such failure on the part of the purchaser. If Developer subsequently certifies in writing to Escrow that Developer has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's sales contract as funds of Developer and not as funds of the purchaser. Thereafter, such funds shall be free of the escrow established by Developer. Upon written request by Developer, Escrow shall pay such sums to Developer, less any escrow cancellation fee, shall return to Developer the sales contract of such purchase and any other documents theretofore delivered by Developer to Escrow, and shall return other documents theretofore delivered to Escrow in connection with the purchase of the unit to the person from whom, or entity from which, such documents were received; and, Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.

EXHIBIT K
Estimate of the Initial Maintenance Fees

PROJECT: 54-006 AND 54-008 AHINALU PLACE
54-006 and 54-008 Ahinalu Place, Hauula, Hawaii 96717

The Developer hereby certifies:

1. The estimated maintenance fee for each Unit is more fully described on the following attached page.
2. The estimate is based on generally accepted accounting principles.

Note: Developer discloses that no reserve study was done in accordance with Section 514B-148, Hawaii Revised Statutes, and replacement reserve rules, Subchapter 6, Title 16, Chapter 107, Hawaii Administrative Rules, as amended.

3. OBLIGATION TO PAY COMMON EXPENSES. A Unit Owner shall become obligated to start paying the Unit Owner's share of common expenses thirty (30) days after receiving written notice from the Developer or their successor.

ARNE GORDON WESTLY, JR.

"Developer"

RE: 54-006 AND 54-008 AHINALU PLACE

Based upon a report prepared by MARK V. SUNDBERG, Licensed Architect, the Developer states with respect to Unit 54-006 & 54-008 of the Project:

Structural: The structural components of the foundation, floor, walls and roof of Unit 54-006 & 54-008 appear to be in good condition. Floor structure is in good condition. Roof rafters and braces are in good condition. Asphalt shingle roofing is in good condition. Plywood siding is in good condition.

Plumbing: Water supply lines and the water heater are in good condition. Water faucets and toilets are original.

Electrical: Wiring is in good condition. Electrical switches, plugs and light fixtures are original.

Further, the Developer makes no statement with respect to the expected useful life of each item set forth in paragraph (1).

Very truly yours,

ARNE GORDON WESTLY, JR.
