Dear Hawaiian Home Lands Beneficiary:

The upcoming Community Consultation Series is an opportunity for you to discuss the following draft proposals with the Department and offer your suggestions:

- Land Acquisitions: Act 14, SpSLH 1995, authorizes the Department to negotiate the acquisition of public land from the State of Hawaii in order to restore the Hawaiian home lands trust. A proposed list of 1,100 acres has been compiled for review and discussion.
- Draft Energy Policy: In order to help native Hawaiians and the trust achieve energy self-sufficiency and sustainability, the Department has formulated a draft Energy Policy. Key objectives and activities will be covered and discussed.

The meetings will be followed by a 30-day period for you to provide any comments or suggestions by December 24, 2008, either by mail or email at [dhhl.planning@hawaii.gov](mailto:dhhl.planning@hawaii.gov). The record of comments received will be transmitted to the Hawaiian Homes Commission with staff recommendations for their regular meeting on February 24, 2008.

This is an opportunity to provide comments and suggestions to the Department before action is taken. Please participate and share your mana'o. If you have any questions, call our Planning Office at 620-9480.

Aloha and mahalo,

for Micah A. Kane, Chairman  
Hawaiian Homes Commission
