TO: Native Hawaiian Housing Block Grant (NHHBG) Applicant

FROM: Scottina Malia Ruis, NAHASDA Planner

SUBJECT: NAHASDA Community Grant Program Guidelines / Application

INTRODUCTION

In 1996, the Congress passed sweeping affordable housing reform legislation for American Indians and Alaska Natives called the Native American Housing Assistance and Self Determination Act (NAHASDA). This legislation, transformed the way that these Native groups provided affordable housing on rural Indian reservations and Alaska Native villages and opened the door for increased partnerships with financial institutions and most importantly, enabled the federal policy of self-determination to be extended to affordable housing. NAHASDA provides the mechanism for Native peoples to receive block grants based on a needs and population based formula and access to a federal mortgage loan guarantee called the Section 184 Guaranteed Loan Program. American Indians and Alaska Natives are empowered through NAHASDA to dedicate these resources based on the individual and unique affordable housing solutions determined by their communities. NAHASDA funding is dedicated to Indian and Alaska Native Tribal Governments for further designation to entities of their choosing to implement affordable housing goals in their communities.

In 2000, the Congress amended NAHASDA by adding Title VIII to provide similar funding for Native Hawaiian families on Hawaiian home lands set aside under the Hawaiian Homes Commission Act of 1920 (HHCA). The Department of Hawaiian Home Lands (DHHL) is the designated recipient for annual Native Hawaiian Housing Block Grants (NHHBG) and loan guarantees. This congressional amendment was the first time in the history of the HHCA that the federal government provided any significant level of financial investment into the Hawaiian home lands program for affordable housing activities.

NAHASDA requires that each block grant recipient develop a five-year plan and a one-year plan for each annual block grant allocation. As such, DHHL prepares, in consultation with the Native Hawaiian community, a Native Hawaiian Housing Plan (NHHP) each year that includes goals, objectives and tasks for implementation by DHHL as recipient and other entities as sub-recipients. NAHASDA further defines the eligible categories and activities by which block grant funding may be expended.

This NAHASDA Community Grant Application is provided to solicit project and program proposals from eligible entities for NAHASDA funding to implement the goals and objectives approved by the Department of Housing and Urban Development (HUD) and described in the NHHP.

NATIVE HAWAIIAN HOUSING PLAN GOALS AND OBJECTIVES

Proposals must address the goals and activities/tasks identified in the 2008 NHHP. Refer to the DHHL website "<http://hawaii.gov/dhhl/nahasda/publications/publications>" for the 2008 NHHP.

ELIGIBLE APPLICANTS

An applicant must be a local public entity, nonprofit corporation or a for-profit corporation engaged in or that will be engaged in developing, conducting, administering or coordinating assistance programs which will aid eligible beneficiaries.

ELIGIBLE BENEFICIARIES

All funded program/projects must serve eligible beneficiaries. Eligible beneficiaries are low-income Native Hawaiian families who are eligible to reside on the Hawaiian home lands.

Low-income Native Hawaiian families are those, whose gross income does not exceed 80% of the HUD median income for the area. (State of Hawaii income guideline can be found in the Appendix.)

Native Hawaiian means any individual who is:

1. A citizen of the United States; and
2. A descendant of the aboriginal people who, prior to 1778 occupied and exercised sovereignty in the area that currently constitutes the State of Hawaii, as evidenced by:
 - a. Genealogical records;
 - b. Verification by kupuna (elders) or kama'aina (long-term community residents); or
 - c. Birth records of the State of Hawaii

ELIGIBLE CATEGORIES AND ACTIVITIES

Eligible affordable housing activities are development, housing services, housing management services, crime prevention and safety activities and model activities. **NAHASDA funds may only be used for eligible activities that are consistent with DHHL's 2008 Native Hawaiian Housing Plan.**

Category 1 - Development - All development must occur on Hawaiian home lands.

(a) NAHASDA funds may be used for the acquisition, new construction, reconstruction, or moderate or substantial rehabilitation of affordable housing for homeownership or rental, which may include:

- (1) Real property acquisition;
- (2) Acquisition of affordable housing;
- (3) Financing acquisition of affordable housing by homebuyers through:
 - (i) Down payment assistance

- (ii) Closing cost assistance
- (iii) Direct lending; and
- (iv) Interest subsidies or other financial assistance
- (4) New construction of affordable housing;
- (5) Reconstruction of affordable housing;
- (6) Moderate rehabilitation of affordable housing, including but not limited to:
 - (i) Lead-based paint hazards elimination or reduction;
 - (ii) Improvements to provide physical accessibility for disabled persons; and
 - (iii) Energy-related improvements;
- (7) Substantial rehabilitation of affordable housing, including but not limited to:
 - (i) Lead-based paint hazards elimination or reduction;
 - (ii) Improvements to provide physical accessibility for disabled persons; and
 - (iii) Energy related improvements
- (8) Site improvement, including recreational areas and playgrounds for use by residents of affordable housing and on-site streets and sidewalks in housing areas already assisted with the Native Hawaiian Housing Block Grant (NHHBG);
- (9) The development of utilities and utility services;
- (10) Conversion
- (11) Demolition
- (12) Administration and planning; and
- (13) Other related activities, such as environmental review and architectural and engineering plans for the affordable housing project.

(b) Multi-unit projects. Funds may be used to assist one or more housing units in a multi-unit project. Only the actual NAHASDA eligible development costs of the assisted units may be charged to the NAHASDA Program. If the assisted and unassisted units are not comparable in terms of size, features, and cost of bedrooms, the actual cost of the NAHASDA-assisted units can be determined by prorating the total NAHASDA eligible development costs of the project so that the proportion of the total development costs charged to the NAHASDA Programs does not exceed the proportion of the NAHASDA-assisted units in the project.

DHHL utilizes NHHBG funds with trust funds for infrastructure development, therefore, DHHL is not seeking applications for infrastructure development. Applications for self-help housing, construction of replacement homes, rehabilitation of existing homes or similar activities are being sought.

Category 2 - Housing Services

Funds may be used for the provision of housing-related services for affordable housing, including:

- (a) Housing counseling in connection with rental or homeownership assistance;
- (b) The establishment and support of resident organizations and resident management corporations;
- (c) Energy auditing;
- (d) Activities related to the provisions of self-sufficiency and other services;
- (e) Homelessness prevention activities, which may include short term subsidies to defray rent and utility bills of an eligible family;
- (f) Payments to prevent foreclosure on a home; and

- (g) Other services related to assisting owners, tenants, contractors, and other entities participating or seeking to participate in other housing activities assisted pursuant to the Act and this part.

Category 3 - Housing Management Services

Funds may be used for the provision of management services for affordable housing, including:

- (a) The preparation of work specifications;
- (b) Loan processing;
- (c) Inspections;
- (d) Tenant selection;
- (e) Management of tenant-based rental assistance; and
- (f) Management of affordable housing projects.

Category 4 - Crime Prevention and Safety Activities

Funds may be used for the provision of safety, security, and law enforcement measures and activities appropriate to protect residents of affordable housing from crime, including the costs of:

- (a) Physical improvements for affordable housing to enhance security, such as, fences, monitors, locks, and additional lighting;
- (b) Security personnel for affordable housing; and
- (c) Equipment for patrols

Category 5 - Model Activities

Funds may be used for housing activities under model programs that are:

- (a) Designed to carry out the purposes of the Act and this part; and
- (b) Specifically approved by HUD as appropriate for those purposes

Other DHHL approved eligible Model Activities include:

- (a) Kupuna rental projects
- (b) Community centers/offices for service providers.
- (c) Boys & Girls Club Facility

Reminder: The project you propose must address the 2008 Native Hawaiian Housing Plan. Even if a project is an eligible activity listed above, it will not be considered if it is not in the 2008 Native Hawaiian Housing Plan.

FUNDING LEVELS AND PROGRAM/PROJECT TERM

The minimum funding level of this program is \$10,000

There is currently no maximum funding level.

The program/project term should not exceed 12 months, extensions may be granted to attain goals.

PROGRAM/PROJECT CONCEPT AND DEVELOPMENT

The NAHASDA Community Grant Application requires that you describe in great detail the

particular program/project you are proposing and requesting to be funded. The development of the proposed program/project follows a specific process and outline. This process relates directly to the questions you will be asked to answer in the application.

What follows is a brief explanation of the program/project development process to help you to better understand the application.

1. The initial step involves identifying and describing the specific **Targeted Community** to be served. This includes explaining the issues and challenges of that community and stating which of those needs the proposed program/project will address.
2. To explain the program/project you are proposing, you will need to clearly state the primary **Goal** of the program/project. The program/project goal is a general statement that represents the desired outcome. The program/project goal should obviously be linked to the community needs of the targeted community that this particular program/project intends to focus on.
3. The next step is to determine the series of **Objectives** that need to be accomplished in order to achieve the stated program/project goal. An objective is a concise statement of one thing that must be completed to help accomplish your program/project goal. The objectives collectively describe HOW the program/project goal will be fulfilled.
4. For each objective you will need to complete a **Work Plan**. The work plan describes in detail the planned approach for reaching the objective by listing the various **Activities** to actualize the objective, the **Outcome** that states the expected benefits or results from achieving the objective, **Who** will be responsible and **Timeframes**. You will also need to explain the **Criteria** or measurable ways you will **Evaluate** whether the objective produced the expected outcome (benefits/results) that you indicated. **When contracting activities (those outsourced by your agency/organization to a 3rd party for completion) you must adhere to Federal Procurement Guidelines.**
5. Additionally, you will also need to explain how your organization and your community partners have the experience, capabilities and resources to make the program/project successful and achieve the stated program/project goal.

Although the application structure does not follow the exact order outlined above, you will find all the components included in the application and you will need to respond to each one. At times, you will also need to support your ideas and plans with documentation. You will submit this supporting documentation as attachments with your application as directed throughout the application.

Samples of key portions of the application and visual representations of this process can be found for your reference in the Application Appendix.

APPLICATION INSTRUCTIONS

The attached application is the standard application for all NAHASDA Community Grant applicants. The application must be filled out completely and include all requested information.

Please respond to all application guidelines by checking answer boxes where required, furnishing requested information and giving complete narrative answers where appropriate. If necessary, insert additional pages into the Appendix in order to provide complete information.

Include all attachments. Indicate “not applicable” on both the application and in the attachment, where appropriate. If information is not available but is necessary to determine the eligibility of the applicant and/or the eligibility of the program/project (see Eligibility Criteria and Completeness Review section above), DHHL staff may reject the application as incomplete.

A checklist is furnished in the Application Appendix. Be sure all attachments are complete and included with the application. In addition to the checklist of attachments, the Appendix of the application has a set of tools to assist the applicants in the presentation of required information.

Certification Regarding Drug-Free Workplace Requirements

Instructions for Drug-Free Workplace Requirements Certification:

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).

6. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees or subrecipients or subcontractors in covered workplaces).

A. The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

- (1) The dangers of drug abuse in the workplace;
- (2) The grantee's policy of maintaining a drug-free workplace;
- (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
- (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted:

- (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

HAWAII COMPLIANCE EXPRESS (HCE)

The State Procurement Office (SPO) has established the Hawaii Compliance Express (HCE) program as a means to verify vendor compliance. The HCE provides vendors a means to avoid the time consuming process of requiring an employee to drive down to the different agencies, find parking in downtown Honolulu, manually filling out paper forms for three agencies and the Internal Revenue Service, and waiting in lines to get the necessary approved paper certificates. In addition, the HCE Certificate of Vendor Compliance can be used unlimited times during the 1-year period to process contracts and final contract payments. State and County agencies are able to access the HCE and print a copy of the certificate.

Commencing on July 1, 2007, the vendor fee to register or renew is \$12.00 annually.

You may register online on the SPO home page at www.spo.hawaii.gov and under Quicklinks, click Hawaii Compliance Express or go to <http://vendors.ehawaii.gov>. Complete the easy step by step process and pay the annual fee using a credit card. If you have questions during the registration process, call the Hawaii Information Consortium staff at (808) 587-4220. A newly registered vendor takes approximately 1-2 weeks to process through HCE. Once registered, you will not have to submit paper certificates. **If you do not participate in HCE, you will have to submit paper certificates.**
