REMARKS:

Pursuant to the authority delegated by the Board on September 28, 2001 (D-4), right-of-entry permits were issued for fireworks display activities in the past.

After discussion about different types of commercial activities and any associated requirements, staff brings the request to the Board for disposition. The form of disposition could be in form of a revocable permit.

Applicant has not had a lease, permit, easement or other disposition of State lands terminated within the past five years due to non-compliance with such terms and conditions.

No comments were solicited from government or community agencies.

Hawaii Explosives and Pyrotechnics, Inc. is requesting a revocable permit for fireworks display services in conjunction with Cecilio & Kapono Back in the Day Concert. The aerial fireworks display is scheduled for September 4, 2010 from 4:00 p.m. to 11:45 p.m. Set-up will be at 4:00 p.m. and break down by 11:45 p.m.

The proposed activity is of a similar type and scope of firework display activities that routinely occurred and continues to occur on this and other beach areas across the State. Such activities have resulted in no known significant impacts, whether immediate or cumulative, to the natural, environmental and/or cultural resources in the area. As such staff believes that the proposed event/use would involve negligible or no expansion or change in use of the subject area beyond that previously existing.

RECOMMENDATION: That the Board authorize the issuance of a revocable permit to Hawaii Explosives and Pyrotechnics, Inc. covering the subject area for set-up and firing of aerial fireworks display purposes under the terms and conditions cited above, which are by this reference incorporated herein and further subject to the following:

- b. Review and approval by the Department of the Attorney General; and
- c. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.
