Board of Land and Natural Resources
State of Hawaii
Honolulu, Hawaii

Permission to Contract with Consultants and Contractors for DLNR CIP Projects

The Engineering Division and other user divisions desire to engage consultants to provide various professional services and contractors to provide construction services for the Capital Improvements Program (CIP) projects indicated and described on the attached list. The list is arranged by Program ID in which the funds were appropriated.

The General Appropriations Act of 2009, as amended by the Supplemental Appropriations Act of 2010, and General Appropriations Act of 2011, authorize these projects.

All procurements will be made in accordance with the State Procurement Code, Chapter 103D, Hawaii Revised Statutes (HRS). All projects will comply with applicable provisions of Chapter 343, HRS, regarding Environmental Impact Statements.

RECOMMENDATION:

1. That the Board of Land and Natural Resources authorize the award of contracts to consultants and contractors for the projects indicated and authorize the Chairperson to sign the necessary documents pertaining to the individual projects, subject to available funding, release of funds by the Governor, and approval as to form by the Department of the Attorney General's office.
2. That the Board authorize the Chairperson, subject to review and approval by the Department of the Attorney General, to enter into supplemental contracts to address unforeseen project-related conditions and sign the necessary documents to implement the additional work.

Respectfully Submitted,

GARY S. CHANG
Chief Engineer
