**KULA STATE FOREST ACCESS ROAD  
CLOSED FROM OCTOBER 5 - 10 FOR REPAVING**

KAHULUI -- The Department of Land and Natural Resources (DLNR) will close the Kula State Forest Reserve access road for public safety, as it repaves one mile of the forest access road.

The road closure will be in effect from 6 a.m. on Monday, October 5, 2009 to 10 a.m. on Saturday, October 10, 2009. Closure is necessary because there will be heavy equipment and large trucks working on the single lane road.

Asphalt repaving will improve the condition of this section of the road that was impacted during the 2007 Kula Forest Fire and continued use of the roadway by vehicles.

During the most recent road closure from September 21 – 25 and September 28 – October 2 work was done to replace a culvert and reconstruct its headwalls.

A sign noting this upcoming closure will be posted at the entrance of the Kula Forest Access Road.

The Division of Forestry and Wildlife appreciates the public's continued cooperation.
