**NOMINATIONS SOUGHT
FOR STATE WATER COMMISSION MEMBER**

HONOLULU - A Nominating Committee is being formed to solicit a nomination to the Commission on Water Resource Management (the "Water Commission"). The Nominating Committee will send to the Governor the names of at least three individuals for one open position.

The Water Commission is composed of seven members that have jurisdiction and final authority on matters relating to implementation and administration of the State Water Code.

Five members are appointed by the Governor subject to confirmation by the State Senate. Other members by law are the chairperson of the Board of Land and Natural Resources, who serves as chairperson of the Water Commission, and the director of the Department of Health.

State law requires that each member have "substantial experience in the area of water resource management." Members serve without pay except for reimbursement for expenses, including travel, necessary to do the job.

Nominations along with resumes may be sent by June 30, 2009 to the Nominating Committee, Commission on Water Resource Management, P.O. Box 621, Honolulu, Hawaii 96809.
