The Research Corporation of the University of Hawaii Notice of Intent to Award Contract

Pursuant to Section 84-15 (a) (3), Hawaii Revised Statutes, The Research Corporation of the University of Hawaii, on behalf of the University of Hawaii, Institute for Astronomy, hereby gives notice of intent to award a contract to GL Scientific, Inc., (hereafter Contractor), a corporation in which Dr. Gerard Luppino, a University of Hawaii faculty member, is the President and majority shareholder.

The Institute for Astronomy (IfA) is in need of custom designed components solely supplied by Contractor. Pursuant to Section 304A-3003, Hawaii Revised Statutes, RCUH is authorized to enter into this contract for the IfA.

The University of Hawaii received a NASA award that requires the collaborative effort by the IfA and subcontractor, Teledyne Scientific & Imaging, LLC (Teledyne), to conduct research and development of new technologies in scientific instrumentation for astronomy. Part of the IfA's contribution to this effort is the procurement of the following components from the Contractor and furnishing them to Teledyne as required by the subcontract.

1. SCA Package Assemblies complete with 90-pin PGA wirebond ceramic and filtering caps. Quantity – four (4)
2. Flex circuits. Quantity – two (2)

The components shall be delivered by October 31, 2008.

The total contract price shall be \$21,080.00

Anyone wishing to protest this posting shall call Sandra Miyata, telephone number (808) 932-2312, by the end of the business day September 22, 2008.
