To the extent consistent with applicable law in no event shall NAHUS or Seller be liable for any incidental, consequential or special damages resulting from the use or handling of this product. **TO THE EXTENT CONSISTENT WITH APPLICABLE LAW THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF NAHUS AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF NAHUS OR SELLER, THE REPLACEMENT OF THE PRODUCT.**

NAHUS and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitations of Warranty and of Liability, which may not be modified except by written agreement signed by a duly authorized representative of NAHUS.

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**FAILURE TO FOLLOW DIRECTIONS FOR USE AND PRECAUTIONS ON THIS LABEL MAY RESULT IN INJURY, INADEQUATE FLY CONTROL, AND/OR ILLEGAL RESIDUES.**

**Use Information**

AGITA® 1GB is a fly bait formula containing a housefly sex attractant which encourages both male and female houseflies to remain in the treated areas, thereby feeding on the bait. Apply AGITA® 1GB in hanging or stationary bait boxes in locations not accessible to children, pets, domestic animals or wildlife. Apply approximately 10 grams of AGITA® 1GB per bait station. Apply 10-20 bait stations per 1000 square feet. Monitor bait stations regularly and reply bait as needed. New litter and fresh bedding must be put into poultry houses prior to restocking. Use AGITA® 1GB as part of an integrated pest management program for houseflies.

**Areas of Use**

Apply AGITA® 1GB in and around the outside perimeter of animal housings where houseflies congregate such as windowsills and near animal pens, provided the bait is kept out of reach of animals. Do not use on walkways used by animals. Do not apply bait where animals can eat or lick the product. Do not apply directly to livestock or livestock feed as illegal residues may result. Restriction: For commercial animal housing facilities only.

**Insecticide Resistance Management**

For resistance management, thiamethoxam is a Group 4A insecticide. Any housefly population may contain individuals naturally resistant to thiamethoxam and Group 4A insecticides. To delay insecticide resistance, avoid exclusive, repeated use of AGITA® 1GB or other Group 4A insecticides. Keep accurate records of insecticides used in your operation. Keep the housefly population as low as possible by manure management.

**STORAGE AND DISPOSAL**

Do not discharge leftover product into ponds, streams or sewage systems. Do not contaminate water, food, or feed by storage and disposal.

**Pesticide Storage:** Store in original, tightly closed containers and away from children, preferably in a locked storage area. Store in a cool, dry place away from direct sunlight.

**Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

**Container Handling:** Non-refillable container. Do not reuse or refill this container. Offer for recycling if available or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**CAUTION**

Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Wear long-sleeved shirt, long pants, socks, shoes, and chemical-resistant gloves.

**Environmental Hazards**

This pesticide is toxic to birds and other wildlife and is highly toxic to aquatic invertebrates. Collect, cover, or incorporate any piles of granules spilled on the soil surface.

**CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY**

**NOTICE:** Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Injury, ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather conditions, presence of other materials or other influencing factors in the use of the product, which are beyond the control of NOVARTIS ANIMAL HEALTH US, Inc. (NAHUS) or Seller. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold NAHUS and Seller harmless for any claims relating to such factors.

NAHUS warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of the product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of Seller or NAHUS, and Buyer and User assume the risk of any such use. **TO THE EXTENT CONSISTENT WITH APPLICABLE LAW NAHUS MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.**
