GARDENTECH

ROOTONE® Rooting Hormone with Fungicide

PRECAUTIONARY STATEMENTS

CAUTION

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Causes eye and skin irritation. Harmful if swallowed, inhaled, or absorbed through the skin. Do not get into eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Avoid inhalation of dust. Consumption of alcoholic beverages increases the toxic effects of Thiram.

FIRST AID

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

FOR MEDICAL EMERGENCIES call 24 hours a day 1-800-420-9347. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

DIRECTION FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read entire label before using this product. Select cuttings (slips) from vigorous healthy plants. For most house plants, use slips 2 inches to 6 inches long from stems that break easily. For most shrubs, summer cuttings of half-ripened wood root best. Remove any leaves or flowers at the base of the cutting. Dip the base into this product about 1/4 inch deeper than it will be set in the rooting medium. Tap off any excess powder and insert cutting in a hole in the rooting medium with at least one node covered. Make holes wide enough so that none of this product is scraped off during planting. Firm medium around cutting to avoid air pockets. Shade to keep the cuttings and medium moderately moist until they are rooted. This is 3 to 5 weeks or longer, depending on plant species.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE: Do not store near fertilizers, seed, insecticides, or fungicides.

PESTICIDE DISPOSAL: If container is partly filled, call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

CONTAINER DISPOSAL: Do not reuse this container. Place in trash or offer for recycling if available.

LIMITED WARRANTY AND DISCLAIMER: TechPac, LLC. guarantees this product to the extent of the purchase price, only when used according to label directions.
