Green Care® WEED & FEED 12-0-6

## 12-0-6

- Easy to Use
- Kills Weeds While Feeding Your Lawn
- Fast Green-Up + Extended Feeding

### COVERS 5,000 SQ. FT.

KEEP OUT OF REACH OF CHILDREN  
**CAUTION**  
SEE BACK PANEL FOR ADDITIONAL  
PRECAUTIONARY STATEMENTS.

ACTIVE INGREDIENT:

2,4-D, 2-ethylhexyl ester .....	1.108%
Mecoprop-p acid .....	0.167%
Dicamba acid .....	0.071%
OTHER INGREDIENTS .....	98.654%
TOTAL .....	100.000%

THIS PRODUCT CONTAINS:  
14.70 lb. 2,4-dichlorophenoxyacetic acid per ton or 0.735%. CAS 1928-43-4  
3.34 lb. (+)-(R)-2-(2-methyl-4-chlorophenoxy)propionic acid equivalent  
per ton or 0.167%. CAS 16484-77-8.  
1.42 lb. 3,6-dichloro-o-anisic acid equivalent per ton or  
0.071%. CAS 1918-00-9.  
Isomer Specific by AOAC Methods.

Total Nitrogen (N) ..... 12.00%  
12.00% Urea Nitrogen\*  
Soluble Potash (K<sub>2</sub>O) ..... 6.00%  
Plant Nutrients Derived From: Urea, Polymer Coated Urea, Muriate of Potash.  
\*Part of the Urea has been coated to provide 2.4% coated controlled-release nitrogen.

**STOP! READ THE ENTIRE LABEL FIRST. OBSERVE ALL PRECAUTIONS AND FOLLOW DIRECTIONS CAREFULLY.**

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**PRECAUTIONS AND RESTRICTIONS:**

- Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application. Do not allow people or pets to enter the treated area until dusts have settled.
- Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

**INSTRUCTIONS:**

Green Care® Weed & Feed is a combination of three proven weed killers--2,4-D, mecoprop-p, and dicamba. This herbicide controls a wide range of lawn weeds, including dandelion, chickweed, knotweed, plantain, henbit, spurge and many others commonly found in home lawns. In addition, a 12-0-6 fertilizer provides a supply of plant nutrients.

A lawn typically will utilize 1 to 4 pounds of nitrogen per 1,000 square feet per growing season. When used as directed, this product will supplement your regular fertilizer program by providing .312 pounds of nitrogen per 1,000 square feet and herbicide to control listed weeds. Please consult your local extension office for questions regarding a regular fertilizer program.

**APPLICATION INSTRUCTIONS:**

- Mow lawn to normal height 1 to 2 days before application.
- Water lawn thoroughly at least 1 to 2 days before application to sustain moisture until the next watering (see step 5).
- Apply when broadleaf weeds are young and actively growing, preferably in the morning when dew is on the grass. At the time of application, moisture on the weed leaves from dew, rainfall or irrigation/watering aids in control. If grass is not moist at time of application, sprinkle lightly with water before applying product.
- Avoid applying when temperatures are consistently above 90°F.
- Do not wash from weed leaves for 1 to 2 days after application. At this time, a thorough watering should be made.

**HOW TO APPLY - SPREADERS AND CALIBRATION:**

Always apply with a rotary or drop spreader to distribute the granules evenly. Never apply by hand.

**Coverage** - To determine how much you need to apply, multiply the length of your lawn by its width. This equals your total square footage. Deduct all non-lawn areas (house, gardens, etc.). One bag covers up to 5,000 square feet.

**IMPORTANT:** It is important to follow directions as indicated on this quality lawn care product as over-application may cause injury to your lawn. Spreader settings are approximate. Differences may occur due to condition of spreader, speed at which applied and roughness of area treated. Be sure to check spreader before beginning, adjusting if necessary. Consult Owner's Manual. Never apply by hand.

**SINGLE PASS DISTRIBUTION:**

- For rotary spreaders: Operate at intervals corresponding to the swath width.
- For drop spreaders: Overlap the wheel tracks to ensure complete coverage.
- For best results, apply this product uniformly and avoid streaks, skips or overlaps. Walk at a steady pace to ensure even coverage. Close the spreader opening when turning to change directions or when stopping.

**CALIBRATION INSTRUCTIONS AND SPREADER SETTINGS:**

Calibrate the spreader according to the manufacturer's directions. Initial spreader settings may require adjustment to deliver the recommended rate under actual application conditions.

To provide proper distribution, calibrate spreader before application.

- For 2.6 pounds of product per 1,000 square feet of turfgrass: Check your spreader on 385 square feet and adjust to apply at the rate of 1 pound of product per 385 square feet.

**BROADCAST SPREADERS:** For best results, apply in a circular path starting on the outside and working toward the center overlapping slightly to insure complete coverage.

**DROP SPREADERS:** Apply 2 strips along each end. Then apply along length of lawn, overlapping slightly and shutting off the spreader before each turn at edge of border strips.

SPREADER SETTINGS	
<b>BROADCAST SPREADER</b>	
Scotts® Speedy Green	4.5
Scotts® Basic	4.5
Scotts® S Lawn Pro	4.5
Scotts® Edge Guard Deluxe	4.5

**USE PRECAUTIONS:**

Do not use on dichondra, carpetgrass, St. Augustinegrass, creeping bentgrass, or turfgrass where desirable clovers are present.

Do not apply this product to newly seeded grasses until well-established or after the second or third mowing.

Do not use this product on flowers, vegetables, groundcovers, gardens or landscape plantings including shrubs and trees. Do not exceed specified dosage for any area and do not apply this product within the dripline of, or over surface roots of trees, shrubs, and other ornamentals.

Reseeding or overseeding areas may occur three (3) weeks after the application of this product.

Do not use this product on or near desirable plants and avoid spreading granules onto exposed root systems or adventitious shoots (rhizomes) within the drip line of the roots of desirable trees and shrubs, since injury may result.

**USE PRECAUTIONS (Cont.):**

Do not apply directly to or near water, storm drains, gutters, sewers, or drainage ditches. Do not apply within 25 feet of rivers, fish ponds, lakes, streams, reservoirs, marshes, estuaries, bays, and oceans. Do not apply when windy. Apply this product directly to your lawn, and sweep any product landing on the driveway, sidewalk, gutter, or street back onto the treated area. To prevent product run-off, do not over water the treated area(s) to the point of runoff or apply when raining or when rain is expected that day.

**HOW MUCH TO APPLY:**

For use on: Kentucky bluegrass, fescue spp., perennial ryegrass, common bermudagrass, bahiagrass, zoysiagrass, centipedegrass, hybrid bermudagrass, and colonial bentgrass: Apply 2.6 pounds of product per 1,000 square feet of turfgrass. A second application may be made in approximately 30 days. The maximum number of broadcast applications per treatment site is 2 per year.

Do not apply more than 2.6 pounds of product per 1000 square feet of turfgrass per application. If necessary, a second application may be made no sooner than 30 days after the first. Do not apply more than 5.2 pounds of product per 1000 square feet per year.

**WHEN TO APPLY:**

Apply when broadleaf weeds are actively growing in spring or early fall.

Apply when the air is calm (Choose a calm day) to ensure uniform coverage and avoid spreading granules onto flowers, vegetables, and ornamental shrubbery.

Possible retreatment may be necessary if lawn is heavily overrun by weeds, if adverse low moisture conditions prevail, or if weeds are in a state of poor growth.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage and disposal.

**PESTICIDE STORAGE:** Store in original container and keep any bags containing unused product in a locked storage area inaccessible to children and domestic animals.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

**FIRST AID**

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-877-800-5556 for emergency medical treatment information.

**Environmental Hazards**

This pesticide is toxic to fish and aquatic invertebrates and may adversely affect non-target plants. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.

This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination. Application around a cistern or well may result in contamination of drinking water or groundwater.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapco.org/metals.htm>.

**LIMITED WARRANTY AND DISCLAIMER**

**WARRANTY & DISCLAIMER:** To the extent consistent with applicable law, Gro Tec, Inc. guarantees this fine product to the extent of the purchase price, only when used according to directions.
