PRODUCT FACTS

OPEN HERE

KILLS

Almost all annual and perennial weeds, grasses and other unwanted plants.

USE ON

Driveways and walkways, or around fences, trees, flower beds, shrubs and other areas in your yard. Can also be used for large jobs such as lawn renovation, vegetable and flower garden preparation.

HOW IT WORKS

Kills weeds by stopping the production of a substance found in plants. Any Eliminator® Weed & Grass Killer Super Concentrate not absorbed by the plant breaks down into natural materials. Will not move in or on the soil to untreated plants.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
READ ENTIRE LABEL. USE ONLY IN ACCORDANCE WITH LABEL INSTRUCTIONS

HOW TO USE

Important: Eliminator® Weed & Grass Killer Super Concentrate is an all-purpose weed and grass killer which will kill almost all plants contacted. If necessary, use cardboard or plastic to shield desirable plants. If plants are accidentally sprayed, rinse off immediately with water. Spray when air is calm. Spray to evenly wet the weed.

To apply this product use

- Plastic, aluminum or stainless steel tank sprayer
- Hose-end sprayer recommended for weed killers
- Hand-trigger sprayer

Use the following table to determine the amount of Eliminator® Weed & Grass Killer Super Concentrate you need. Close cap tightly after use.

APPLICATOR	MIXING INSTRUCTIONS	MIXING INSTRUCTIONS	AREA TO TREAT
	General Weed Control Annuals	Tough Weed Control Perennials or Brush Lawn Renovation	
Tank Sprayer	Use 1 1/2 oz. (3 Tbs) in 1 Gallon of water	Use 2 1/2 oz. (5 Tbs) in 1 Gallon of water	300 sq. ft. (30 ft x 10 ft)
Hose-End Sprayer	Add 1 1/2 oz. (3 Tbs) to sprayer jar. DO NOT ADD WATER. Set dial to 1 1/2 oz. and spray	Add 2 1/2 oz. (5 Tbs) to sprayer jar. DO NOT ADD WATER. Set dial to 2 1/2 oz. and spray	300 sq. ft. (30 ft x 10 ft)
Handtrigger Sprayers	Use 2 tsp. in 24 oz. of water	Use 1 Tbs. in 24 oz. of water	Use for spot treatments or single weeds.
1 teaspoon = (tsp)			1/2 fl oz = 1 Tablespoon (Tbs) = 3 tsp
			1 fl oz = 2 Tbs

Do not use or store solutions of this product in galvanized steel or unlined steel sprayers, or apply through any type of irrigation system or with a sprinkling can.

Rinse sprayer and flush all sprayer components with water 3 times after use. Spray rinse water on bare soil or gravel. After very thorough cleaning, sprayer may be used to apply other products.

For best results after mixing with water, use within 2 weeks.

WHEN TO USE

Use anytime weeds are actively growing. Most treated weeds usually show initial symptoms within 1 week and complete kill in 1 to 2 weeks. Larger more established weeds may take up to 4 weeks for complete kill. For best results, apply on a warm sunny day when daytime temperature is above 60° F and no rainfall is forecast for 24 hours. Warm, sunny weather will speed up weed control. Apply only when air is calm. Reapply if it rains within 2 hours after application. Rainfall or watering 2 hours after application will not wash away effectiveness. Hard-to-control weeds such as bermudagrass may require a repeat application if they regrow. NOT recommended for spot weed control in lawns since Eliminator® Weed & Grass Killer Super Concentrate kills all green plants, including lawn grass.

WHERE TO USE

For General Weed Control: Use along fences, paths, patios, sidewalks and driveways, around trees, shrubs, and ornamental plantings and flower beds, around buildings, and in brick and gravel walkways. Use to trim and edge landscape areas. Do NOT use for spot weed control in lawns since Eliminator® Weed & Grass Killer Super Concentrate kills all green plants, including lawn grass.

For Spot Spraying: Use on actively growing weeds in and around flower beds, ornamental trees, fruit and nut trees, grapevines, shrubs, fences, driveways and walkways. Spray when air is calm.

Make sure Eliminator® Weed & Grass Killer Super Concentrate does not contact the leaves, green stems, or exposed roots of plants you don't want to kill. If necessary, use cardboard or plastic to shield plants. Eliminator® Weed & Grass Killer Super Concentrate will not move in or on the soil to untreated plants. If Eliminator® Weed & Grass Killer Super Concentrate is used to control weeds around fruit or nut trees or grapevines, allow 21 days before eating the fruit or nuts.

For Landscaping: Use to prepare areas for planting of ornamentals, trees, shrubs, desert landscapes, rock gardens, flower beds or similar plantings. Treated areas can be replanted 1 day after treatment.

For Lawn Renovation:

- Use Eliminator® Weed & Grass Killer Super Concentrate to kill existing weeds and grasses including the old lawn.
- For best results, apply in Spring or Fall, when daytime temperatures are at least 60°F.
- Under dry conditions, water lawn every other day for a week before using Eliminator® Weed & Grass Killer Super Concentrate
- Do not mow for 7 days before or after treatment.
- After 7 days, prepare the soil for planting by raking or rototilling the lawn. Rake up and remove loosened thatch or debris.
- Mix in starter fertilizer and other amendments, if needed. Level the soil.
- Apply seed according to directions on seed package, or install sod. Grass seed must have a good contact with soil to germinate and grow.
- Keep area moist for 2 weeks to establish new lawn, then water as needed.

For Brush Control: Use when brush is green and growing. If plants are taller than 5 feet, cut back and spray regrowth. Brush sprayed in the fall may not be fully controlled until the following season. Hard-to-control species such as Blackberry, Kudzu, or Poison Oak may require a second application.

RE-SEEDING AND REPLANTING IN SPRAYED AREAS

WHEN TO REPLANT

- All ornamental flowers, trees and shrubs may be planted **1 day after** application.
- The following berries may be planted **1 day after** application:
Blackberry, Blueberry, Boysenberry, Cranberry, Currant, Dewberry, Elderberry, Gooseberry, Huckleberry, Loganberry, Olallieberry and Raspberry.
- The following fruits, vegetables and herbs may be planted **1 day after** application:
Artichoke, Beans, Beet Greens, Broccoli, Brussels Sprouts, Cabbage, Carrot, Cauliflower, Celery, Chard, Chicory, Collards, Endive, Horseradish, Kale, Kohlrabi, Leek, Lentils, Lettuce, Mustard Greens, Okra, Onion, Rape Greens, Parsley, Parsnips, Potato, Turnip and Yams.
- The following fruits, vegetables and herbs may be planted **3 days after** application:
Corn, Cucumber, Eggplant, Garlic, Gourds, Melons, Peas, Peppers, Pumpkin, Squash, Tomatillo, Tomato (by seed) and Watercress.
- Lawn grasses may be planted **7 days after** application.
- Tomatoes from transplant and unlisted fruits, vegetables and herbs may be planted **30 days after** application.

WEEDS CONTROLLED INCLUDE: Bahiagrass, Barnyardgrass, Bermudagrass, CanadaThistle, Chickweed, Common Ragweed, Crabgrasses, Dandelion, Fescues, Field Bindweed, Field Sandbur, Foxtail, Johnsongrass, Kentucky Bluegrass, Kudzu, Lambsquarter, Orchardgrass, Perennial Ryegrass, Poison Ivy, Poison Oak, Quackgrass, Red Clover, Shepardspurse, Smooth Bromegrass, Sowthistle, White Clover, and Yellow Nutsedge.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

People and pets may enter treated areas after spray has dried.

ELIMINATOR®

Weed & Grass Killer **Super Concentrate**

Makes Up To 21 Gallons

Treats Up To 6,300 SQ. FT.

FIRST AID

If in eyes

- Hold eye open and rinse slowly and gently for 15-20 minutes.
- Remove contact lenses, if present, after first 5 minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

Emergency Medical Information

- Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
- You may contact 800-424-9300 for emergency medical treatment information.
- This product is identified as **Eliminator® Weed & Grass Killer Super Concentrate**, EPA Reg. No. 71995-7-59144.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

STORAGE AND DISPOSAL

STORAGE: Store in original container in a safe place away from direct sunlight.

DISPOSAL:

Empty Container: Do not reuse container. Put in trash. Recycle where available.

Partially Full Container: Call your local waste disposal service or 1-800-CLEANUP. Never pour product down any drain.

WARRANTY AND DISCLAIMER: Gro Tec, Inc. Guarantees this fine product to the extent of the purchase price, only when used according to the directions.
