## When To Replant

- All ornamental flowers, trees and shrubs and the following berries, fruits, vegetables and herbs may be planted **1 day after** application:  
Artichoke (Jerusalem), beans (all), beet greens, blackberry, blueberry, boysenberry, broccoli, brussels sprouts, cabbage (all), carrot, cauliflower, celery, chard (Swiss), chicory, collards, cranberry, currant, dewberry, elderberry, endive, gooseberry, horseradish, huckleberry, kale, kohlrabi, leek, lentils, lettuce, loganberry, mustard greens, okra, olallieberry, onion, parsley, parsnips, potato, radish, rape greens, raspberry (black and red), rhubarb, rutabaga, spinach, sweet potato, turnip and yams.
- The following fruits, vegetables and herbs may be planted **3 days after** application:  
Corn, cucumber, eggplant, garlic, gourds, melons (all), peas (all), peppers (all), pumpkin, squash (summer and winter), tomatillo, tomato (by seed) and watercress.
- Lawn grasses may be planted **7 days after** application.
- Tomatoes from transplant and unlisted fruits, vegetables and herbs may be planted **30 days after** application.

## How It Works

Roundup enters plants through foliage and moves systemically to the roots, killing weeds by stopping the production of a substance found in plants. Any product not absorbed by plants breaks down into natural materials without moving in or on the soil to untreated plants. Weeds usually yellow and wilt within 2 to 4 days with complete kill in 1 to 2 weeks.

Precautions

### PRODUCT FACTS

**Makes up to 10 Gallons**  
Treats up to 3,000 sq ft (approx. size of 1-1/2 tennis courts)

#### KILLS WEEDS

ALL TYPES OF WEEDS & GRASSES

#### WHERE TO USE

- ✓ On patios, walkways, driveways, gravel or mulch beds
- ✓ Around fruits, vegetables, flowers, shrubs or trees
- ✓ Along fences
- ✓ In large areas – For lawn replacement  
– For garden plot preparation

#### AMOUNT TO USE

**For Best Results –**  
6 fl oz (12 Tbs) per gallon of water

**Questions, Comments or Medical Information:**  
Call 1-800-246-7219

[www.roundup.com](http://www.roundup.com)

For easy to kill weeds such as seedlings add 3 fl oz (6 Tbs) to 1 gallon of water.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### MIXING INSTRUCTIONS

**Tank Sprayer** (plastic, aluminum, fiberglass, plastic-lined steel or stainless steel)

- Add 6 fl oz (12 Tbs) to 1 gallon of water.
- Spot treat or spray evenly over 300 sq ft.

### Hose-end Sprayer

For large areas consider using the **ORTHO® Dial 'n Spray®**

- Set dial to 6 oz.
- To sprayer jar add 6 fl oz (12 Tbs) for each 300 sq ft. **DO NOT** add water.
- Spray evenly over measured area.
- After spraying, unused product can be poured back into its original container.

1 Tablespoon (Tbs) = 3 teaspoons (tsp)

1 fl oz = 2 Tbs

For easy to kill weeds such as seedlings add 3 fl oz (6 Tbs) to 1 gallon of water.

Do not apply with a galvanized or unlined steel (except stainless steel) sprayer or through any irrigation system.

To clean sprayer after use, rinse sprayer and all sprayer parts with water 3 times. Spray rinse water on bare soil or gravel. After cleaning, sprayer may be used for other products.

### How To Apply

- Spray the weeds or grasses you want to kill until thoroughly wet.
- When spot treating weeds around desirable plants, shield plants from drift with a piece of cardboard or plastic. If desirable plants are accidentally sprayed, rinse off immediately with water.

**Important:** Do not spray plants or grasses you like – they may die too. Not recommended for spot weed control in lawns since Roundup kills lawn grasses.

### When To Apply

- Apply when weeds are actively growing.
- For best results, apply during warm, sunny weather (above 60°F) to accelerate systemic movement from foliage to roots.
- Apply when air is calm to prevent drift to desirable plants.
- **RAIN-PROOF:** Rain or watering 1 hour after application will not wash away effectiveness.
- If used to control weeds around fruit or nut trees, caneberries or grapevines, allow 17 days before harvesting.

### Additional Tips

#### To Kill Vines

- If vines are growing up poles, fences, or tree trunks with mature bark, cut vines to a height of 3 to 4 feet and spray vines thoroughly.
- If vines are climbing shrubs or tree trunks with green bark, cut vines at base and treat as directed for stumps or spray regrowth. If spraying regrowth, shield shrubs and green bark from spray drift with a piece of cardboard or plastic.

#### To Kill Stumps

- Cut living stump close to ground.
- Drive 4 to 5 holes into freshly cut stump.
- Immediately pour undiluted product into holes.

#### For Lawn Replacement

Use Roundup to kill lawn and weeds before planting new lawn.

- Skip one mowing before spraying.
- Use 6 fl oz (12 Tbs) per gallon of water for each 300 sq ft.
- If soil is dry, water before application and 2 to 3 days after application.
- If green patches remain after 7 days, reapply.
- Wait 7 days after last application to rake, till or replant with seed or sod.

# Weed & Grass Killer Concentrate

## STORAGE AND DISPOSAL

**STORAGE:** Store in original container in a safe place away from direct sunlight.

**DISPOSAL: Empty Container:** Do not reuse container. Put in trash. (Recycle where available.) **Partially Full Container:** Call your local waste disposal service or 1-800-CLEANUP. Never pour product down any drain.

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS & DOMESTIC ANIMALS

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

People and pets may enter treated areas after spray has dried.

### FIRST AID

If in eyes

- Hold eye open and rinse slowly and gently for 15-20 minutes.
- Remove contact lenses, if present, after first 5 minutes, then continue rinsing.
- Call a poison control center, 1-800-246-7219, or doctor for treatment advice.

### Emergency Medical Information:

- Have the product container or label with you when calling a poison control center or doctor, or going for treatment. • You may contact 1-800-246-7219 for emergency medical treatment information. • This product is identified as **Roundup Weed & Grass Killer Concentrate, Reg. No. 71995-26.**

**ENVIRONMENTAL HAZARDS:** Do not apply directly to any body of water. Do not contaminate water when disposing of equipment washwaters.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.

**Questions, Comments or Medical Information:**  
**Call 1-800-246-7219**      **www.roundup.com**

This product is protected by U.S. Patent Nos. 5,703,015; 5,683,958; 6,063,733; 6,121,199; 6,121,200. No license granted under any non-U.S. patent(s).

This is an end-use product. Monsanto does not intend and has not registered it for reformulation or repackaging.
