Antibacterial Toilet Bowl Cleaner

- Sanitizing formula cleans and deodorizes.
- Kills 99.9% of germs* in toilet bowl water after each flush.
- Keeps water crystal clear.
- Easy to use – just drop in tank.
- Does not harm plumbing or septic tanks when used as directed.

*Kills E. Coli, Staphylococcus aureus (staph), Salmonella choleraesuis (salmonella) and Pseudomonas aeruginosa (pseudomonas).

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To sanitize, clean and deodorize:

1. Clean toilet bowl thoroughly, including under the rim.
2. Remove toilet tank top. Hold plastic pouch away from face. Cut pouch open with scissors. **Do not touch tablet.**
3. Flush toilet. Before tank refills, hold plastic pouch over tank and drop only the tablet into right rear corner of the tank. (See diagram) Discard plastic pouch and wash hands thoroughly.
4. No removal necessary. Each tablet sanitizes for one month. When tablet has dissolved, replace with a new tablet. Product should only be used in a toilet that is flushed at least once a week.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS. DANGER: Highly corrosive. May be fatal if swallowed. **DO NOT TAKE INTERNALLY.** Causes eye and skin damage, irritating to nose and throat. Avoid breathing dust. Do not get into eyes, on skin or clothing. Wear rubber gloves when handling and wash thoroughly after handling.

For additional health and safety information 24 hours/day, call 1-888-324-7596.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment. **Note To Physician:** Probable mucosal damage may contraindicate the use of gastric lavage.

PHYSICAL AND CHEMICAL HAZARDS: CHEMICAL HAZARD: STRONG OXIDIZING AGENT. Keep away from heat or flame. Mix only with water.

STORAGE AND DISPOSAL: Store in original container in areas inaccessible to children in a cool, dry, well ventilated area. Do not store at elevated temperatures. Discard empty container in trash. If tablet must be removed before it is completely dissolved, flush toilet and before tank refills, remove from tank (wear gloves). Place in plastic bag. Avoid dripping.
