DE FLEA
SHAMPOO CONCENTRATE

*Guaranteed for Use on
Dogs, Cats, Puppies, & Kittens*

7 17108 11010 13

MADE IN U.S.A.
P20061010

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS AND CATS.**

1. Mix 1 part *De Flea Shampoo Concentrate* to 3 parts water. Shake mixture before each use.
2. Apply the above mixture onto dry coat of pet until animal is completely wet. (Do not pre-rinse or wet animal down prior to applying shampoo mixture.) Be sure that paws and hard to reach areas are treated. *Rinse thoroughly, then dry. De Flea* will kill all fleas on contact and leave your pet's coat with a nice healthy sheen.
3. To improve results, shampoo the animal by rubbing the mixture onto the coat, until a lather is built up. Rinse after five minutes and then dry.
4. Repeat as necessary, but no more frequently than once per/week.

**PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS
CAUTION**

Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

HAZARD TO PETS

Keep shampoo out of pet's eyes. Do not use on animals under 12 weeks. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medications. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amount of water. If signs continue, consult a veterinarian immediately.

FIRST AID	
If in Eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for further treatment advice • Have the product container or label with you when calling poison control center or doctor or going to treatment.
