E-Z CLOR®

3 MONTH ALGAECIDE

**Single Treatment Lasts 3 Months
Kills and Prevents All Types of Algae
Concentrated Formula
Compatible with Salt Water Systems**

ACTIVE INGREDIENTS:
Copper Ethanolamine Complex, Mixed
(Mono CAS # 14215-52-2 and Tri CAS # 82027-59-6)* 6.48%

OTHER INGREDIENTS: 93.52%

TOTAL: 100.00%

*Metallic copper equivalent, 2.09%

This product contains 0.18 lbs. of elemental copper per gallon.

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

*Read all Precautionary and First Aid Statements
on back panel before use.*

Net Contents: 1 Quart 32 FL. OZ. (946 ml)

3.875" w

EACH MARKING REPRESENTS APPROXIMATELY 2 FL. OZ.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS:
CAUTION: Harmful if swallowed or absorbed through skin.

- Avoid contact with skin, eyes or clothing.
- Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove and wash contaminated clothing before reuse.

FIRST AID
IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give anything by mouth to an unconscious person.
IF IN EYES: Hold eyelids open and rinse slowly with water for 15 to 20 minutes. Remove contact lenses if present after 5 minutes then continue rinsing eye. Call poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
IN CASE OF MEDICAL EMERGENCY, CALL 1-800-654-6911.

ENVIRONMENTAL HAZARDS: This product is toxic to fish and aquatic organisms.

DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ ALL PRECAUTIONARY STATEMENTS BEFORE USE.
This non-foaming, long-lasting algaecide prevents and kills green and yellow algae. One treatment of this patented formula will prevent algae growth in your swimming pool for up to 90 days. Take a sample of pool water to your Authorized E-Z Chlor® Dealer regularly for a detailed water analysis.

Always apply chemicals separately. Never combine them. This is a concentrated product and it works best when added in several places directly to the pool water with the pump running. After addition of algaecide, keep the pump running for several hours and wait 15 minutes before entering pool. Pools with heavy growth of algae must be cleaned prior to using this product. Maintain pool water in the pH range 7.2 to 7.6. Adjust pH to 7.2 for severe algae.

OPENING YOUR POOL and/or INITIAL DOSE: Use METAL MAGNET to prevent scale and stain formation. Next, add **16 fl. oz. of E-Z Chlor 3 Month Algaecide per 10,000 gallons** of pool water.

MAINTENANCE DOSE: Add **16 fl. oz. of E-Z Chlor 3 Month Algaecide per 10,000 gallons** of pool water every three months to prevent algae growth.

VISIBLE ALGAE: If the pool has slight visible algae growth, use **16 fl. oz. of E-Z Chlor 3 Month Algaecide per 10,000 gallons** of pool water. When pool is free of visible algae, use the "Maintenance Dose."

SEVERE ALGAE: Add **32 fl. oz. of E-Z Chlor 3 Month Algaecide per 10,000 gallons** pool water. Once control is obtained, resume regular preventive maintenance with E-Z Chlor 3 Month Algaecide.

CLOSING YOUR POOL/WINTERIZING: When swimming season is over, add **16 fl. oz. of E-Z Chlor 3 Month Algaecide per 10,000 gallons** pool water. This dosage helps control algae growth during the winter months and aids the servicing of the pool before it is returned to use the following summer.

SHOCK TREATMENT/SUPERCHLORINATION: As a preventative treatment, shock treat your pool once per week. In addition to weekly shock treatment, shock treat to remedy problems which may occur when bathing loads are high, water appears hazy or dull, unpleasant odors or eye irritation occur, after heavy wind and rainstorms, or if algae does develop with resulting green color and slimy feeling.

STORAGE & DISPOSAL: Keep this product in its tightly closed container when not in use. Store in a cool, dry, well-ventilated area. Keep away from heat or open flame. Nonrefillable container. Do not reuse or refill this container. Rinse empty container thoroughly with water to dissolve all material prior to disposal. Offer for recycling if available or place in the trash. Do not contaminate food or feed by storage or disposal or cleaning of equipment.

HOW TO CALCULATE POOL CAPACITY IN U.S. GALLONS	
POOL SHAPE	FORMULA (Dimensions in feet)
Rectangular:	L x W x AD x 7.5 = total gallons
Round:	Di x Di x AD x 5.9 = total gallons
Oval:	Maximum L x maximum W x AD x 5.9 = total gallons
Freeform:	Surface area (sq. feet) x AD x 7.5 = total gallons

L = Length, W = Width, AD = Average Depth, Di = Diameter
