KEEP OUT OF REACH OF CHILDREN WARNING

FIRST AID

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 530-432-7460 between 8:30 A.M. and 4:30 P.M. Pacific Time for emergency medical treatment information.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS WARNING

Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wear protective eyewear, such as safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. **Not for personal cleansing.**

Physical or Chemical Hazards

Flammable: Keep away from heat and open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

General Information: This product can be used on hard non-porous food contact surfaces such as sink tops, countertops, refrigerated storage, food trays, tables and chairs, appliances, grocery carts, thermometers, proximity switches, control panels, tools, door handles, scales, display equipment and other hard non-porous surfaces. Do not use this product to sanitize eating utensils, dishes, glassware, cookware, wood cutting boards and food processing equipment or surfaces that are porous or areas that the wipe cannot reach or penetrate.

Alpet D2 Surface Sanitizing Wipes is a ready-to-use, effective sanitizer that kills 99.999% of the following bacteria: *Staphylococcus aureus* (ATCC 6538) and *Escherichia coli* (ATCC 11299) on hard non-porous environmental surfaces. Treated surfaces must remain wet for 60 seconds. Allow to air dry.

RE-ORDER NO: SSW0001

Dispensing Directions: Unscrew lid counter-clockwise and remove. Remove seal from top of container. From center of towel roll, pull up wipe corner and feed through the center hole starting from the underside of the lid. Once wipe is exposed through the top of the lid, screw lid (clockwise) back onto the container. Pull wipes from container as needed. Ensure the wipe is visibly wet (saturated) before use. Note: the spring-loaded lid will close itself to ensure each wipe stays saturated and to prevent drying.

To Clean: Use this product to clean lightly to moderately soiled surfaces. For heavily soiled objects, wash and rinse all articles thoroughly, then apply this product. Alternatively, use a wipe to pre-clean and remove heavy soil. Then use additional wipe(s) to sanitize as directed below. Use multiple wipes if necessary.

To Sanitize: Use this product to sanitize lightly soiled surfaces or pre-cleaned surfaces as directed above. To sanitize, thoroughly wipe the surface with Alpet D2 Surface Sanitizing Wipes, ensuring that the surface remains visibly wet for at least 60 seconds. Discard wipe once it becomes soiled, dry or no longer wets the surface. Use multiple wipes if necessary.

Single-use towelette for the disinfection of hard surfaces
Use immediately after removal and discarded after one use.

STORAGE AND DISPOSAL

Wipes: Store only in the original container. Do not reuse dried out wipe. After each use, dispose of used wipe immediately in trash. **DO NOT FLUSH.** Container: Do not reuse empty container. Keep this product stored in a manner that makes it inaccessible to children or people unfamiliar with its proper use. Store in a cool dry area away from flames, sparks or other sources of heat or ignition. If ignited, use dry chemical or CO2 extinguisher.
