To Open Package: Lift tab at front of lid to open. Pull up corner of center sheet and thread through dispenser slit in lid. Pull out exposed wipe at a 45 degree angle and snap off. The next wipe is ready for dispensing. Close lid to retain moisture. Dispose of used wipes in trash. Do not flush.

Cleaning: Debris from surfaces to be treated.

Disinfecting: Thoroughly wet the surface to be treated. Treated surface must remain visibly wet for disinfecting. Use enough wipes for treated surface to remain visibly wet for 5 minutes. For heavily soiled surfaces, clean before following disinfecting instructions. Allow surfaces to air dry. This product is an effective disinfectant against Escherichia coli (E. coli) O157:H7, Pseudomonas aeruginosa, Staphylococcus aureus (Staph), Staphylococcus epidermidis (Staph), Salmonella enterica (Salmonella), Shigella flexneri and Shigella sonnei (Shig).

Virucidal Activity: This product is an effective virucidal on hard, non-porous surfaces against Influenza A2/Japan, Herpes Simplex Virus 1 and Herpes Simplex Virus 2 when the treated surface is allowed to remain wet for 5 minutes. Allow surfaces to air dry.

Sanitizing/Deodorizing: To sanitize/disinfect hard, non-porous surfaces, keep the surface to be treated wet for 15 seconds or until the surface is visibly dry. This product is effective against Escherichia coli (E. coli) O157:H7, Staphylococcus aureus (Staph), Salmonella enterica (Salmonella), Shigella flexneri and Shigella sonnei (Shig), Pseudomonas aeruginosa, Klebsiella pneumoniae, Pseudomonas aeruginosa, Klebsiella pneumoniae, E. coli O157:H7, S. aureus, and virus (Influenza A and B, Staphylococcus aureus, Staphylococcus epidermidis, Escherichia coli, and Pseudomonas aeruginosa) for up to 4 hours. Remove contact lenses if present. Allow surfaces to air dry. This product is not intended for disinfecting unwashed hands.

Storage and Disposal: Do not contaminate water, food, or feed by storage or disposal. Keep out of reach of children. Dispose of wipes in trash. Do not reuse or refill this container. Offer empty container for recycling if available or discard in trash.

Total Home Disinfecting Wipes

• Kills 99.9% of Bacteria in 15 seconds!
• Disinfects household bacteria!

Precautionary Statements

Hazards to Humans and Domestic Animals

Caution: Causes respiratory irritation. Avoid contact with eyes or skin if possible. Wash thoroughly with soap and water after use.

First Aid: Have the product container or label with you when calling a poison control center or doctor, or go online for treatment advice.

FIRST AID:
• IF IN EYES: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

CAUTION:
• Call a poison control center or doctor if you think you might have ingested this product. Do not try to induce vomiting.

Toilet Use: Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Place out of the reach of children after use. Do not flush. Canister: Tightly close lid between uses to retain moisture. Nonrefillable container. Do not reuse or refill this container. Offer empty container for recycling if available or discard in trash.

Storage and Disposal: Do not contaminate water, food, or feed by storage or disposal. Keep out of reach of children. Dispose of wipes in trash. Do not reuse or refill this container. Offer empty container for recycling if available or discard in trash.
