

1 QUART EPA SILKSCREEN / CLING BRITE / 10" X 4.625" / DISINFECTANT / PMS 485 RED, PMS 2995 BLUE, BLACK

DISCONTINUED

U23001

Cling Brite™
Disinfectant
Cleaner & Deodorizer

ACTIVE INGREDIENTS:
 Didecyl dimethyl ammonium chloride 1.35%
 n-Alkyl (C14, 50%; C12, 40%; C16, 10%)
 dimethyl benzyl ammonium chloride 0.90%
OTHER INGREDIENTS: 97.75%
TOTAL **100.00%**

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

KEEP OUT OF REACH OF CHILDREN

DANGER
See side panel for Precautionary Statements.

For Medical Emergency ONLY call:
24 Hour Emergency Response Number

Cling Brite™
Disinfectant Cleaner & Deodorizer U23001

An effective disinfectant against Staphylococcus aureus, Salmonella choleraesuis and Pseudomonas aeruginosa with 5% soil on hard non-porous surfaces. Also effective against odor causing bacteria. For use in colleges and office buildings.

Regular use of this product keeps toilet bowls sparkling white. Excellent for brightening colored toilet bowls. Harmless to plumbing and septic tanks.

Penetrates and dissolves soap scum, ground in dirt and grime, mineral deposits, and hard water stains. Cleans and shines without abrasive scouring action.

For use in colleges and office buildings.

Use for cleaning and deodorizing all glazed tile, stainless steel sinks, fiberglass shower walls/doors, basins, glazed ceramic, glazed quarry tile, tubs, grout, chrome fixtures, urinals and toilet bowls.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

BATHROOM DEODORIZING: For shower stalls, starting at the bottom and working towards the top, simply apply foam on the surface and spread with brush, sponge or cloth. Let stand for 10 minutes. Scrub to loosen soils, stubborn soap scum, mineral deposits, and other accumulations, and then rinse with water.

Leaves everything bright and clean. Kills common odor-causing bacteria. Odors disappear instantly. Use full strength where odors are a problem.

DISINFECTION DIRECTIONS: For disinfection remove heavy soil deposits from surface. Then apply foam to cover all surfaces. Spread with a brush, sponge or cloth. Let solution remain on surface for a minimum of 10 minutes. Rinse with water.

Made in Canada

Rinse all surfaces that come in contact with food such as countertops, appliances, tables and stovetops with potable water before reuse. Do not use on utensils, glassware, dishes or appliance interior surfaces as a deodorizer or disinfectant.

NOTE: Some older tubs or sinks may be etched or discolored by use of this product. Test on small hidden area first. Do not use on decorative brass fixtures, polished aluminum, natural or synthetic marble. Do not place container on Formica.

TOILET BOWLS AND URINALS: (Raise toilet seat.) Water must be emptied from the bowl prior to application of the product. Direct the thick liquid formula inside bowl, including under the rim, on the sides, and into water. Wet thoroughly, brush over exposed surfaces and under the rim. Allow to remain 10 minutes. Flush. Rinse bowl brush in fresh water after use.

To remove stubborn stains: For hard water stains, follow directions above. Then apply more product directly to stained area. Let stand at least 15 minutes, brush and flush. Repeat if necessary.

MILDEWSTATIC PERFORMANCE: Will effectively inhibit the growth of mold and mildew and the odors caused by them when applied to hard, nonporous surfaces (as indicated above). Allow to dry on surface and repeat weekly or when mildew growth returns.

STORAGE AND DISPOSAL

Store in original container in areas inaccessible to children. Do not store on side. Avoid creasing or impacting of side walls. Do not reuse empty container. Discard in trash or recycle.
