DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling

**READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS
SHAKE WELL BEFORE USING**

DIRECTIONS

Clip hair around all affected areas; if necessary, clip entire body. Then wash animal thoroughly with soap and water, rinse and allow animal to dry or wipe dry before application. Spray product on the affected areas, rub in slightly, allow to dry and then apply a second time. Repeat applications at 7-day intervals until the condition clears up.

Do not spray in or towards the eyes; affected areas around the eyes should be treated with care to avoid getting the product into the eyes. **DO NOT USE** on puppies younger than 12 weeks, nor on pregnant or nursing bitches. Consult a veterinarian before using this product on debilitated, aged or medicated dogs. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe the dog with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Dogs under treatment should be fed an adequate diet containing all essential vitamins and minerals. To prevent reinfestation, change bedding daily. Wash bedding thoroughly after use.
