PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals CAUTION: Harmful if absorbed through skin or swallowed. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after use. NOTE: This product contains a chemical known to the state of California to cause cancer.

ALGAECURE™ Algaecide for Ponds and Fountains - Stops Algae Growth
DIRECTIONS: It is a violation of federal law to use this product in a manner inconsistent with its labeling. For use in self-contained ornamental ponds and fountains without any outflow. For small ponds with heavy algae growth, clean the excess algae off the sides and ornaments before adding Beckett Water Gardening System Algaecure™ Algaecide for Fountains. This will reduce the amount of decaying organic matter.

Fountains, Small Ponds with goldfish and koi - Treat only those fountains and ponds which will have no outflow after treatment. High water temperatures cause more rapid natural decay of dead algae which can cause fish distress. If animals are present clean out excess algae as stated above or use before temperature exceeds 75°F (24°C).

CAUTION: In ponds insure that water is well aerated via waterfall, fountain or other method to prevent fish loss. Aeration must be continuous. Caution: Not safe for use with snails, shrimp, clams and other crustaceans, or mollusks. Repeat dosage once per week for maintenance.

To figure capacity of fountain or pond: Length x Width x Depth = cubic feet x 7.5 = gallons.

Use to treat *existing* algae growth

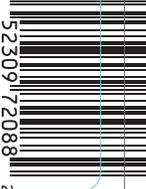

Volume of water to treat	Unit of Measure		
10 gallons / 37.85 liters	6 drops	-	-
60 gallons / 227.1 liters	5ml	1 tsp	1 cap
120 gallons / 454.2 liters	10ml	2 tsp	2 caps

Made in USA

STORAGE AND DISPOSAL: Do not contaminate ground water, food or feed storage and disposal. STORAGE: Keep container closed when not in use. Leaking or damaged containers should be placed in a plastic bag and discarded in trash. Mop up spills with clear water. Keep out of reach of children. Do not store near food. DISPOSAL: Nonrefillable container. Do not reuse or refill empty container. Wrap container and place in trash.
