YANKEE CANDLE®
a passion for fragrance

Directions for Use: It is a violation of federal law to use this product in a manner inconsistent with its labelling. For outdoor use or for use in semi-enclosed areas such as porches and patios. Place candles around the perimeter of the area to be protected. Use one candle per 13 square feet. Never leave a burning candle unattended. Light candles 20 to 30 minutes prior to going outside. Mosquitoes are blocked by the inhibitor plume produced by the candle. If you can smell the fragrance from the candle, you are in the inhibitor plume. Candle may become hot; handle carefully. Smother flame to extinguish. **Storage:** Store in original container in a cool, dry place. **Disposal:** Do not reuse this container. Place in trash or offer for recycling if available.

YANKEE CANDLE®
Conceal®
Outdoor Mosquito Candle

blocks Mosquitoes

Mosquitoes find you by tracking the carbon dioxide you exhale. These candles contain a patented mosquito scent blocker and block your scent so mosquitoes can't find you. Yankee Candle® Conceal® outdoor mosquito candle blocks mosquito's receptors from sensing humans; reducing the annoyance of mosquitoes.

- **Helps keep mosquitoes away from you and your family • Garden Fresh Fragrance**
- **DEET Free • Does not contain Citronella**
