Product EPA Reg# 80917-5

# Shake-Away®

## Coyote Urine Granules

### Directions for Use:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**General:** Animals use urine to communicate in the wild. When they repeatedly smell a predator's odor, animals conclude it's a "dangerous" place and choose instead to move elsewhere. Shake-Away® Coyote Urine Granules creates the illusion that coyotes are present in your lawn or garden.

### Application Directions:

**Use Restrictions:** This product is not for direct application to plants intended for human consumption (i.e., food plants). Apply only to the perimeter of where food plants are grown. To create a repellent barrier, apply this product to soil, ground cover, bark mulch, perimeter vegetation and non-food vegetation adjacent to food plants.

**General use in yards, around gardens:**

**SHAKE WELL BEFORE USING** Apply Shake-Away® Coyote Urine Granules twice a week for the first two weeks, then twice a month for maintenance. Sprinkle Shake-Away® Coyote Urine Granules lightly in and around areas where animals are causing damage, or in areas you want to protect. Allow up to 2-3 weeks for Shake-Away® Coyote Urine Granules to take full effect.

**Coverage:** Use one ounce of Shake-Away® Coyote Urine Granules for every 30 linear feet. Each bottle of Shake-Away Coyote Urine Granules will cover up to 855 linear feet when applied as directed.

**Creates the illusion  
that predators are present  
in your lawn or garden**

CAUTION**

### Active Ingredient:

Coyote Urine:..... 5.00 %  
Other Ingredients:..... 95.00 %  
Total:..... 100.00 %

Net Contents 28.5 oz. (808.g)  
EPA Reg. No.: 80917-1  
EPA Est. No.: 084871-NY-001

### PRECAUTIONARY STATEMENTS

**Hazards to Humans and Domestic Animals.** Caution: Avoid contact of mouth, skin, or eyes. Wash hands before eating, drinking, chewing gum, using tobacco or using bathroom facilities.

**Environmental Hazards.** To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

**Storage:** Store in a cool, dry place.  
**If empty:** Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.  
**If partially filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
