**READ ENTIRE LABEL BEFORE EACH USE**  
**USE ONLY ON DOGS**

**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**  
**CAUTION**

**HAZARDS TO HUMANS:** Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Avoid contamination of food and foodstuffs.

**HAZARDS TO DOMESTIC ANIMALS:** FOR USE ON DOGS AND PUPPIES OVER 12 WEEKS OF AGE: Do not apply to dogs less than 12 weeks old. Consult a veterinarian before applying this product on medicated, debilitated, aged, pregnant, or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your dog with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

UNCOATED AREA

**FIRST AID**

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice.

**HOT LINE NUMBER**

Have the product container with you when calling a poison control center, doctor or veterinarian, or going for treatment. For more information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-877-416-7330.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**SHAKE WELL BEFORE USE**

**FOR USE ON DOGS AND PUPPIES** over 12 weeks of age **TO KILL FLEAS AND TICKS:** Hold the container upright. Spray at a distance of 8 to 12 inches. Spray over entire haircoat making sure the coat is thoroughly wetted to the skin. As you spray, fluff the hair so the spray will penetrate to the skin. Make sure spray wets ticks thoroughly. Spray against the lay of the hair, roughing the hair on long-haired dogs. Weight of dog, length of hair and density of coat will determine amount of spray to be applied to wet the skin. This 16 oz. bottle should be sufficient for three applications to an average 30-35 lbs. of dog. Do not spray into the eyes, face or genitalia. When applied at the label dose rate, the dog should not be retreated more frequently than once every 14 days. Lighter applications will reduce period of effectiveness, may result in earlier reinfestation and may require more frequent retreatment. For best results in controlling ticks, spray directly on the tick. Allow dog to air dry or blow dry. Do not towel dry. This product is formulated to leave the hair coat soft and manageable for grooming. Do not reapply more often than once every 14 days.

**STORAGE AND DISPOSAL**

**PESTICIDE STORAGE:** Keep this product in its tightly closed original container, when not in use. Store this product in a cool, dry (preferably locked) place away from heat and open flame, and in an area that is inaccessible to children and animals.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never placed unused product down any indoor or outdoor drain.
