ectoadvance™
flea & tick spray
for dogs & cats

Ectoadvance™ flea & tick spray for dogs & cats controls infestations by killing fleas and ticks for at least 30 days. Stops and prevents infestation of fleas and ticks (brown dog ticks, American dog ticks, lone star ticks, and deer ticks (which may transmit Lyme disease)). Apply Ectoadvance™ flea & tick spray for dogs & cats to dogs, cats, puppies and kittens (8 weeks or older) as follows.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **DO NOT ALLOW CHILDREN TO APPLY PRODUCT.** TO PREVENT HARM TO YOU AND YOUR DOG OR CAT, **READ ENTIRE LABEL AND ATTACHED DIRECTIONS BEFORE EACH USE.** Follow all directions and precautionary statements carefully. Use only on dogs and cats. Do not use on rabbits. Do not use on any other animals.

1. Wear protective rubber gloves.

2. Pinch N' Pull

3. Hold canister in any position. Ruffle the dog's or cat's hair with one gloved hand while applying spray to the dog's or cat's back, sides, abdomen, legs, shoulders, and neck.

4. For head and eye area, spray ectoadvance™ flea & tick spray for dogs & cats on a gloved hand and rub gently into dog's or cat's hair.

Do not get this product in your dog's or cat's eyes or mouth. Apply spray until dog's or cat's hair is damp to thoroughly wet. Spray 1 to 2 seconds per pound of the dog's or cat's body weight. Dogs or cats with long or dense hair will require the higher rate. Replace cap securely after each use.

As with any flea control product, wash hands and exposed skin thoroughly with soap and water after use. Dispose of gloves after use.

Apply Ectoadvance™ flea & tick spray for dogs & cats monthly. Application directly to ticks is not required for control. Do not reapply spray for 30 days.

Ectoadvance™ flea & tick spray for dogs & cats remains effective after bathing and exposure to water and sunlight.

Contains 13 Applications (Cats weighing 10 lbs)
Contains 10 Applications (Dogs weighing 15 lbs)

READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS, CATS, PUPPIES AND KITTENS OVER 8 WEEKS OF AGE.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS. CAUTION. Harmful if absorbed through skin, if swallowed or if inhaled. Causes moderate eye irritation. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Persons applying this product must wear rubber gloves.

HAZARDS TO DOMESTIC ANIMALS. For external use only. Causes moderate eye irritation. Take care not to spray in the dog's or cat's eyes or facial area. **Do not use on kittens and puppies under 8 weeks of age.** Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Certain medications can interact with pesticides. Consult a veterinarian before using this product on medicated, debilitated, aged, pregnant or nursing animals.

PHYSICAL OR CHEMICAL HAZARDS

EXTREMELY FLAMMABLE: Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

FIRST AID

If on skin or clothing:	•Take off contaminated clothing. •Rinse skin immediately with plenty of water for 15-20 minutes. •Call a poison control center or doctor for treatment advice.
If in eyes:	•Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. •Call a poison control center or doctor immediately for treatment advice.
If inhaled:	•Move person to fresh air. •If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. •Call a poison control center or doctor immediately for further treatment advice.
If swallowed:	•Call a poison control center or doctor immediately for treatment advice. •Have person sip a glass of water if able to swallow. •Do not induce vomiting unless told to do so by a poison control center or doctor. •Do not give anything to an unconscious person.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For more information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-866-393-0445.
