disinfects while you clean.

we set out to find a better way to clean, and we're pretty happy with the results. we hope you will be too. don't let the pleasant smell fool you. a patented botanical disinfectant made from essential oils kills 99.9% of household germs on hard non-porous surfaces.

***kills over 99.9% of household germs:
salmonella enterica, and influenza A
and pseudomonas aeruginosa on hard
non-porous surfaces.**

suitable for use on all hard non-porous surfaces where bacteria or unpleasant odors are a concern, including: food preparation surfaces, children's toys, countertops, sinks and toilet seats.

Directions for Use:

it is a violation of Federal law to use this product in a manner inconsistent with its labeling. for heavily soiled or greasy areas, pre-cleaning is required.

To clean: wet the surface and wipe clean.

To disinfect: ○ wet the surface. ○ leave visibly wet for 10 minutes. allow to air dry. no rinsing or wiping is required, except on direct food contact surfaces which require a potable water rinse after treatment.

Storage and Disposal: non-refillable container. store airtight at room temperature. reseal container between uses. do not reuse or refill this empty container. offer empty container for recycling. ♻️ please recycle empty container. do not flush.
