## FLEA & TICK SHAMPOO FOR DOGS

**READ ENTIRE LABEL BEFORE EACH USE  
USE ONLY ON DOGS OR PUPPIES 12 weeks of age or older**

**DIRECTIONS FOR USE:** It is a violation of federal law to use this product in a manner inconsistent with its labeling. FOR TOPICAL USE ONLY. DO NOT INGEST.

### General Precautions and Use Restrictions

- Apply this product only as specified on this label.
- **DO NOT** apply to pets less than 12 weeks of age.
- Consult a veterinarian before applying this product on debilitated, aged, pregnant or nursing animals. Certain medicines can interact with pesticides. Consult a veterinarian before using on medicated animals. Sensitivities may occur after using **ANY** pesticide for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Thoroughly wet your pet with warm water. Use Bio Spot® Flea & Tick Shampoo for Dogs full strength. Do not apply shampoo around the eyes. Apply 1 1/2 tablespoons shampoo for each 5 lbs of pet's weight. Starting with the head and ears, lather, then continue to work lather in for 3 to 5 minutes (this is an important part of the grooming procedure) to the neck, chest, middle and hindquarters, and finishing legs last. Rinse your pet thoroughly with warm water.

For extremely dirty or scaly animals, the above procedure may be immediately repeated. Do not apply more than once per week for control of adult fleas and ticks. Treat animal bedding/quarters with an approved product labeled for that use at the same time that your pet is treated with Bio Spot® Flea & Tick Shampoo for Dogs.

### PRECAUTIONARY STATEMENTS

#### CAUTION

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Causes moderate eye irritation. Harmful if absorbed through skin. Avoid contact with eyes, skin, or clothing. Wash hands thoroughly with plenty of soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

#### FIRST AID

Call a poison control center or doctor immediately for treatment advice.

**If in eyes** • Hold eye open and rinse slowly and gently with water for 15-20 minutes.

• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

**If on skin or clothing** • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 800-234-2269 for emergency medical treatment information.

#### STORAGE AND DISPOSAL:

**Pesticide Storage:** Store in a cool, dry (preferably locked) area that is inaccessible to pets and children.

**Disposal:** If empty: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

#### Warranty and Disclaimer

Note: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, expressed or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
