**ALL Brands ALL Types**

**Suitable for ALL humidifiers**

- Three months of continuous use (per aquastick)<sup>†</sup>
- Works in all ultrasonic and evaporative humidifiers

**DIRECTIONS FOR USE:**  
*It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.*

- Read the label before using the aquastick.
- Remove outer package before placing the aquastick into the humidifier. Do not open or attempt to empty the aquastick. Retain this label for reference.
- For Humidifiers with up to 1-Gallon Tank Capacity:** For every gallon of water contained in the humidifier tank, use 1 aquastick.
- For Humidifiers with a Capacity of 1 to 2-Gallons:** For humidifiers over 1-gallon use 2 aquasticks in humidifier tank.
- For best results, before using the aquastick, it is recommended that you clean the humidifier according to the manufacturer's instructions.
- After humidifier has been cleaned, drop 1 or 2 aquasticks into the humidifier (based on tank size), and fill tank with fresh water.
- Operate the humidifier according to the manufacturer's instructions and replace aquastick approximately every 90 days.<sup>†</sup>

**STORAGE AND DISPOSAL:**

- Do not contaminate water, food or feed by storage or disposal.
- Do not reuse or refill this container.
- PESTICIDE STORAGE:** Do not store in areas accessible to children. Keep product dry during storage.
- PESTICIDE DISPOSAL:** Do not reuse empty aquastick.
- Wrap spent or unwanted aquastick in paper towel and place in trash collection.
