CAUTION
See Insert for Complete Precautionary Statements and Directions for Use.

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION. Harmful if swallowed. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing.

Personal Protective Equipment

Handlers must wear chemical-resistant gloves (such as or made out of any waterproof material).

Use Safety Requirements

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

Use Safety Recommendations

Users should wash hands before eating, drinking, chewing gum, or using the toilet. Users should remove PPE immediately after handling this product. Wash outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic organisms.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with it labeling.

To Use: 1. Remove the ARINIX® Tip from packaging. 2. Insert the ARINIX® Tip into the AC drain hose. Ensure the shoulder of the ARINIX® Tip is fully seated into the AC drain hose.

Do not place product in exposed locations where there is likely to be direct contact with children or pets. Replace ARINIX® Tip as necessary.

Laboratory tests conducted with ARINIX® Tip, under accelerated aging conditions, showed that ARINIX® Tip is effective for five years. Sunlight, dirt and grime may reduce residual efficacy during use. Keep ARINIX® Tip clean and do not paint ARINIX® Tip.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store in original package in a cool, dry ventilated area and away from children.

PESTICIDE DISPOSAL: To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program (often such programs are run by state or local governments or by industry).

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Then offer for recycling if available or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

NOTICE: Manufacturer expressly warrants that the product conforms to its chemical description. There are no warranties associated with the sale of this product either expressed or implied, including but not limited to the warranties of fitness for a particular purpose or use.
