48.21% Sodium dichloro-s-triazinetriene
per tablet. This is equivalent to 29% of
Available Chlorine.

*Respiratory syncytial virus and H1N1
Influenza on inanimate surfaces

NET CONTENTS: 7.05 oz
(200g with each tablet weighing approx. 5g)

Use anywhere you would use liquid bleach !

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read the entire label and use strictly in accordance with precautionary statements and directions.

HOUSEHOLD DISINFECTION: Disinfects floors, walls and other hard nonporous surfaces including walls, floors, tables, chairs, counter tops, bathroom fixtures, sinks, shelves, racks, carts, refrigerators, coolers, glazed tile, linoleum, vinyl, glazed porcelain, plastic (such as polypropylene and polyethylene), stainless steel, glass, pet areas or kennels.

Where to Use: This product is a concentrated multi-purpose bleach tablet that can be used everyday around the house to remove stains, clean and deodorize. Use it in washing machines, toilets, on floors, on tiles, in bathtubs, in showers, in kitchen sinks and garbage cans.

How to Use: Toilets: To clean and deodorize, add 1 TABLET into the toilet bowl. The tablet will fizz and dissolve, then use a brush to clean. Flush toilet before use. **Laundry:** For white and colorfast bleaching. **HE Machines: Regular Load:** add 1 TABLET to detergent dispenser. Close dispenser and start wash cycle. **Standard Machines: Regular Load:** Begin filling the washer with water. Add 1 TABLET into the water. Allow to dissolve for 1-2 minutes. Place clothes in washer and start wash cycle. **For extra whitening power use 2 TABLETS per regular load.** For extra large loads or heavily soiled clothing use 3 TABLETS.

Deodorizing Washers: Once weekly or as needed, run the washer on a cold wash program with no laundry and 2 TABLETS in detergent dispenser or washer. **Floors, Tiles, Bathtubs, Showers, Kitchen Sinks, Garbage Cans:** To clean, deodorize and remove mildew stains add 1 TABLET to 1 gallon of water. For heavily soiled areas use 2 TABLETS. Mop or wipe with bleach solution. Allow solution to contact surface for 5-10 minutes. Rinse well and air dry. Use gloves for prolonged use. Do not use on any metals or metal surfaces, enamel bathtubs, fine wood surfaces, wool and silk fabrics, man-made, colored or any fabric with a special finish. Test on inconspicuous area prior to use.

BOOKLET (Spread 1): Panels are on peel back portion of label

PERIOD 2015-2017 LIC. NO. 9087.10

For use in cleaning and disinfection in pet areas, kennels. Cleans R/V holding tanks and outdoor uses* include: driveway, fences, decks, patio, garage, siding, and patio furniture. *DO NOT use directly in pressure washers; mix in garden sprayer. Wipes out / Mops out household germs Staphylococcus aureus, Salmonella enterica, and Pseudomonas aeruginosa.

DISINFECTION: Add 1 TABLET to 1 gallon of water. Apply to visibly clean surface with mop, cloth, sponge, brush, foaming equipment or coarse trigger sprayer. Allow surface to remain wet for 10 minutes. Allow to air dry. Prepare a fresh solution weekly when using closed containers (spray bottles). Prepare a fresh solution daily when using open containers (buckets) or if solution becomes diluted. All treated equipment that will contact food, feed, or drinking water must be rinsed with potable water before reuse.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

STORAGE: Store in a cool, dry, well-ventilated area at temperatures below 40°C/ 104°F. Avoid moisture getting into container.

DISPOSAL: Product or rinsates that cannot be used must be diluted with water before disposal in a sanitary sewer.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

DANGER.

Corrosive. Causes irreversible eye damage. Harmful if swallowed, inhaled, or absorbed through skin. Do not get in eyes, on skin, or clothing. Avoid breathing dust. Wear chemical-resistant gloves and safety glasses or face shield when making up solution. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID

If in eyes	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> Call a poison control center, or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
If inhaled	<ul style="list-style-type: none"> Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PHYSICAL OR CHEMICAL HAZARDS

STRONG OXIDIZING AGENT: Use only clean dry utensils. Mix only into water. Contamination with moisture, dirt, organic matter or other chemicals or any other foreign matter may start a chemical reaction with generation of heat, liberation of hazardous gases and possible generation of fire and explosion. Avoid any contact with flaming or burning material such as a lighted cigarette. Do not use this product in any chlorinating device which has been used with any inorganic or unstabilized chlorinating compounds (e.g., calcium hypochlorite). Such use may cause fire or explosion.

WARRANTY

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with label directions under normal conditions of use, but to the extent consistent with applicable law, neither this warranty nor any other warranty of MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such use.
