

EnviroCON<sup>®</sup> may be used wherever malodors exist.  
EnviroCON<sup>®</sup> inhibits most odor causing bacteria and odors.

#### DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

- To Deodorize HVAC System Ductwork:** Spray EnviroCON<sup>®</sup> into system intake vents while system fan is running. Allow enough spray time for EnviroCON<sup>®</sup> to contact air duct system surfaces. Repeat application as necessary.
- For Microbial Control of Evaporator Coils, Drip Pans and Associated Air Conditioning Parts:** Air Conditioning system parts must be manually pre-cleaned prior to application using a suitable coil/drip pan cleaner. After cleaning, thoroughly spray EnviroCON<sup>®</sup> onto cleaned surfaces. Do not wipe off. Allow to air dry.
- For Microbial Control of Evaporative Cooler Excelsior Mats:** Excelsior Mats must be thoroughly washed to remove dirt, debris, or slime build-up. Liberally spray EnviroCON<sup>®</sup> onto mats for microbial control and to remove stale, musty odors. Add 2 oz. EnviroCON<sup>®</sup> per gallon of reservoir water capacity for effective environmental maintenance.

For year round maintenance, residential homes and apartment complexes should be treated **TWO TIMES PER YEAR**. Commercial / Industrial buildings and health facilities should be treated **EVERY MONTH** to ensure effective environmental control.

For residual control of odors associated with bacteria, mold, mildew, animals, smoke, etc. thoroughly spray source of odor with EnviroCON<sup>®</sup> or mist air by squeezing trigger several times. Severe odors may require repeat applications.

Seller expressly warrants that the product conforms to its chemical description. To the extent consistent with applicable law, seller makes no other warranties, either express or implied, including, but not limited to, the warranties of merchantability or fitness for a particular purpose or use, that extend beyond the statements made on this label.

**Bacteriostat Fungistat Deodorizer**

**Commercial · Industrial · Residential · Institutional**

*Bacteria and odor control for all building systems  
Indoor pollution control and environmental maintenance*

*Contains no perfumes or masking agents*

*Destroys odors associated with bacteria, mold, mildew, smoke, animals, etc.*

Active Ingredients: Chlorine Dioxide	0.1%
Other Ingredients	99.9%
Total	100.0%

#### PRECAUTIONARY STATEMENT

Hazards to Humans and Domestic Animals **CAUTION:** May be harmful if swallowed. May cause eye irritation. Avoid contact with eyes. Handlers applying chlorine dioxide in an occupational setting must wear gloves.

#### ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates, oysters and shrimp. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, ocean or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

#### FIRST AID

**IF INHALED** • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth- to-mouth if possible. • Call a poison control center or doctor for further treatment advice.

**IF ON SKIN** • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.

**IF IN EYES** • Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.

**IF SWALLOWED** • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For emergency information on this product, call NPIC (National Pesticides Information Center) at 1-800-858-7378, 6:30 AM to 4:30 PM Pacific Time (PT) seven days a week. During other times, call the poison control center 1-800-222-1222.

#### STORAGE & DISPOSAL

**Storage:** Store in a cool, dark area in original container. Do not contaminate water, food, or feed by storage or disposal. Keep from freezing.

**CONTAINER DISPOSAL:** Nonrefillable Container. Do not reuse or refill this container. Offer for recycling if available. Offer for reconditioning if appropriate. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for ten seconds after the flow begins to drip. Fill the container 1/4 full with water and recap. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times.

EnviroCON<sup>®</sup> may bleach some carpets or fabrics, especially if applied on top of a previously used chemical agent. Do not apply until a sample test has been tried and observed for at least 24 hours. The manufacturer accepts no liability for carpet or fabric bleaching.
