Wasp & Hornet Killer

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Outdoors: Shake twice only before using. Hold can upright. Apply in short bursts.
• Do not use inside the home.

PRODUCT FACTS

TO KILL HORNETS Unless you can clearly see the opening at the bottom of the hornet's nest, never use a hornet spray (on the nest) as hornets may escape and attack you. Hornets usually make their nests in trees, shrubs and under eaves.
1. During daylight hours, determine location of nest entrance.
2. Wait until dusk or early morning when insects are at rest. Direct foam spray into entrance hole.
3. As hornets fall out, continue spraying until no more are visible or the can is empty.
4. Leave area immediately.

TO KILL WASPS Application should be made at dusk or early morning when insects are least active.
1. Hold can upright.
2. Point valve opening away from face.
3. With wind at back, aim at nests in trees, bushes, under eaves, chimneys, cracks or crevices.

TO KILL YELLOW JACKETS Yellow jackets make their nests in the ground, dead tree stumps, railroad ties, walls or similar structures.
1. During daylight hours, watch them closely to determine location of nest entrance.
2. Wait until dusk or early morning when insects are at rest.
3. Empty entire can down hole from a close enough distance to direct 100% of spray into hole.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place (preferably locked) inaccessible to children and pets, and away from heat, open flame or other sources of ignition. **DISPOSAL: CONTAINER:** This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the directions (DO NOT PUNCTURE!). If recycling is not available, replace cap and discard in trash. **PRODUCT:** Unused product may be disposed of by wrapping the container in several layers of newspaper and discard in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors. Avoid contact with eyes, skin or clothing.

FIRST AID

(Statement of Practical Treatment): IF SWALLOWED: Immediately contact a physician or poison control center. Do not induce vomiting due to aspiration hazard. IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated. Contact a physician if warranted. IF ON SKIN: Immediately remove contaminated clothing and wash skin with plenty of water. Contact a physician if irritation persists. Wash clothing prior to reuse. IF IN EYES: Immediately flush with plenty of water. Contact a physician if irritation persists.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Incineration of container may cause explosion. DO NOT USE IN OR AROUND ELECTRICAL EQUIPMENT DUE TO THE POSSIBILITY OF SHOCK HAZARD.

ENVIRONMENTAL HAZARDS: Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

NOTICE: Buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

The ORTHO Guarantee: If for any reason you are not satisfied with this product, mail us proof of purchase to obtain a full refund of your purchase price.
