# ORTHO® GROUND CLEAR®

## COMPLETE VEGETATION KILLER

OPEN  
Resealable Label  
for Directions &  
Precautions

- One application kills and prevents weeds for up to one year!
- Rainproof in 1 hour!
- You're always ready to spray!

### HOW IT WORKS

If the area is not evenly covered, there may be some regrowth of weeds.

### Dual-Action Formula Works Two Ways

Kills weeds and grasses, roots and all.

Prevents new growth for up to 1 year.

### WHERE AND HOW TO USE

Apply Ortho® GroundClear Complete Vegetation Killer only where no plant growth is desired for at least a year, such as driveways, sidewalks, patios, gravel paths, and along fences.

Yellow color represents area to be sprayed to keep weeds from growing for up to one year.

Driveway & Sidewalk Cracks

Patios & Gravel Paths

Along Fence Lines

Tennis Courts & Play Areas

**NOTE:** Yellow highlight shown for illustration purposes only. Made in USA (See inside booklet for details.) **Treats up to 80 sq. ft.**

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### WHERE TO USE

Apply only where no plant growth is desired for at least a year, such as driveways, sidewalks, patios, gravel paths, and along fences. In heavy clay soil, plant growth may be prevented for more than one year. In areas of heavy rainfall, applications every 6 to 8 months may be necessary. **IMPORTANT:** Do not use on lawns, on or around fruits, vegetables, flowers, or other plants, or over the root zone of shrubs or trees. For weeds in your lawn use Ortho® Weed-B-Gon® Max™ Weed Killer for Lawns.

### WHEN TO APPLY

- Water the day before application if soil is dry.
- Apply to bare ground or when weed growth is small. If weeds are taller than 6 inches, cut down and remove before application.
- Apply when daytime temperature is at least 60° F.
- To prevent the growth of weeds under asphalt driveways, tennis courts, play areas and parking areas, apply before laying surfacing materials.
- Rain or watering 1 hour after application will not reduce effectiveness.

### HOW TO APPLY

**Follow illustrations and instructions above.**

- Twist nozzle at end of sprayer to give a coarse spray.
- Point sprayer away from body and press sprayer button to begin spraying.
- Allow to soak into ground, avoiding runoff to nearby desirable plants.
- For cracks in sidewalks and between bricks and paving stones, spray weeds and soil in the crack until completely wet. To cover a whole area, measure area to be treated. Calculate square feet by multiplying length times width.
- Spray evenly over 80 sq. ft. If the area is not evenly covered, there may be some regrowth of weeds. These can easily be retreated with another application.
- Pull ring at sprayer bottom again as needed to continue spraying.

### REFILL INSTRUCTIONS

Add 1 qt. (32 fl. oz.) of Ortho® GroundClear® Complete Vegetation Killer Concentrate to the empty container. Then add 1 gal. (128 fl. oz.) of clean water. Use as directed.

To avoid damage to desirable plants do not apply over their root systems. For shrubs and trees do not apply closer than twice the distance from the trunk to the drip line (the area shaded in color) as roots may be within this area.

Do not apply to slopes (the area shaded in color) as movement on soil surface may damage desirable plants down the slope.

Do not apply next to a fence if desirable plants are growing on the other side or if future planting is intended.

Do not use before planting lawns, fruits, vegetables, flowers or other plants because Ortho® GroundClear® Complete Vegetation Killer remains active in soil for up to one year. In heavy clay soil, weed control may exceed one year.

## STORAGE & DISPOSAL

**PESTICIDE STORAGE:** Keep from freezing. Keep pesticide in original container. Do not put into food or drink containers. Avoid contamination of feed and foodstuffs. Store in a cool, dry place, preferably in a locked storage area.

**CONTAINER STORAGE:** Completely discharge/dispense product in sprayer prior to storage. Flip down red spout on cap. DO NOT DISCONNECT SPRAYER HOSE FROM CAP. Place sprayer back inside carrier on bottle with the nozzle facing down.

**CONTAINER DISPOSAL:** If empty: Do not reuse this container except to refill in accordance with the refill instructions listed in the directions for use. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS & DOMESTIC ANIMALS

**CAUTION:** Causes moderate eye injury. Avoid contact with eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

People & pets may enter treated areas after spray has dried.

## FIRST AID

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center, or doctor, or going for treatment.

**ENVIRONMENTAL HAZARDS:** Do not apply directly to any body of water. Do not contaminate water when disposing of equipment washwaters.

**NOTICE:** Buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

### The ORTHO Guarantee

If for any reason you are not satisfied with this product, mail us proof of purchase to obtain a full refund of your purchase price.
