DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

In New York State, this product may NOT be applied to any grass or turf area (lawns) within 100 feet of a water body (lake, pond, river, stream, wetland, drainage ditch). In New York State, do make a single repeat application of this product if there are signs of renewed insect activity, but not sooner than two weeks after the first application.

WHERE TO APPLY

Around Home Foundations
(Perimeter Treatment)

WHEN TO APPLY

Apply early to prevent infestation. Otherwise, apply at the first sign of insect activity or damage.

HOW TO APPLY

Create a Barrier Around the Home:

Evenly apply a 2-foot wide band next to the home foundation. Granules should be spaced like the ones pictured.

For best results, treated area should be thoroughly watered immediately after application.

For 3 month/season long control, apply 2 lbs of product for every 500 sq ft (2 ft x 250 ft).

** Food utensils such as tablespoons/teaspoons must not be used for food purposes after use in measuring pesticides.

STORAGE AND DISPOSAL

Prohibitions: Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Keep out of reach of children and animals. Store in original containers only. Store in a cool, dry place and avoid excess heat. Carefully open containers. After partial use replace lid and close tightly.

PESTICIDE CONTAINER DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

Caution: Harmful if absorbed through the skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse.

FIRST AID

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Hotline Number: Have the product container or label with you when calling poison control center or doctor, or going for treatment. You may also contact 1-800-225-2883 for emergency assistance.

Note to Physician: This product is a pyrethroid. If large amounts have been ingested, the milk, cream or other digestible fats and oils may increase absorption and so should be avoided.

ENVIRONMENTAL HAZARDS: This pesticide is extremely toxic to fish and aquatic invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

NOTICE

Buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

THE ORTHO GUARANTEE

If for any reason you are not satisfied with this product, mail us proof of purchase to obtain a full refund of your purchase price.
