40 WET WIPES/TOALLITAS HÚMEDAS
8" x 10" (20.3 cm x 25.4 cm) 12.7 OZ (360 g)

Artwork shown at approximately 110%. PDF prints at approximately 100% from acrobat reader or when "Fit to printable area" settings are selected.

Organisms:

- Extended Spectrum Beta-Lactamase (ESBL) producing *Escherichia coli*
- Influenza A Virus
- *Klebsiella pneumoniae*
- Methicillin-Resistant *Staphylococcus aureus* (MRSA)
- Norovirus
- *Pseudomonas aeruginosa*
- Rhinovirus 37
- Rotavirus
- *Salmonella enterica*
- *Staphylococcus aureus*
- *Trichophyton mentagrophytes*

Kills *Clostridium difficile* spores in 5 minutes†

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. **FIRST AID: IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. If present, remove contact lenses after the first 5 minutes of rinsing, then continue rinsing eye. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. Poison Control Center: (800) 446-1014. **PHYSICAL OR CHEMICAL HAZARDS:** Do not use this product with ammonia or acids such as vinegar, rust removers or toilet bowl cleaners.

STORAGE AND DISPOSAL: Store this product in a cool, dry area away from direct sunlight and heat. Discard used towel and empty package in trash. Do not flush towels down toilet.

Germicidal* Bleach Wipes₁

Toallitas Germicidas con Blanqueador,*

- Kills 99.9% of Germs on Hard Surfaces
- Effective Against Methicillin-Resistant *Staphylococcus aureus* (MRSA) and *C. diff*

Open package. Pull out wipes as needed and reseal. When not in use, keep sealed to prevent moisture loss.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To clean, disinfect and deodorize in one step:

Wipe surface with towel until completely wet. Let stand for one minute. Wipe dry or allow to air dry. Gross soil must be removed prior to disinfecting.

To clean: Follow directions above, but no standing time is required. If streaking is observed, wipe with a clean, damp cloth or paper towel.

A disinfecting regimen is especially important in the weeks after a hospital discharge with symptoms or diagnosis of *Clostridium difficile* infection.

†Special Instructions for Cleaning Prior to Disinfection against *Clostridium difficile* spores. Personal Protection:

Wear appropriate barrier protection such as gloves, gowns, masks and eye covering. **Cleaning Procedure:** Fecal matter/waste must be thoroughly cleaned from surfaces/objects before disinfection by application with this product. Cleaning is to include vigorous wiping and/or scrubbing until all visible soil is removed. Special attention is needed for high-touch surfaces. Surfaces are to be cleaned in an appropriate manner, such as from right to left or left to right on horizontal surfaces and top to bottom on vertical surfaces, to minimize spreading of the spores. Bathrooms are to be cleaned last. Do not reuse soiled cloths. **Infectious Materials**

Disposal: Materials used in the cleaning process that may contain feces/wastes are to be disposed of immediately in accordance with local regulations for infectious materials disposal.

Disinfection Procedure: Wipe surface with towel until completely wet. Let stand for five minutes.

Wipe dry or allow to air dry. Gross soil must be removed prior to disinfecting. Gloves must be worn. **For use on hard, nonporous surfaces such as:** stainless steel, glazed ceramic tile, hard plastics, nonporous vinyl, glazed porcelain, sealed fiberglass surfaces, laminated plastic countertops and glass. Not recommended for use on aluminum, brass, chipped enamel, chrome, clear plastic, copper, natural marble, rubber, sealed granite, painted or paper surfaces, silver, fabric or unfinished wood.

USE SITES: Homes, kitchens, living rooms, bedrooms, bathrooms, dining rooms.
