### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear a suitable dust mask approved by NIOSH/MSHA when using this product during prolonged exposure. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

#### FIRST AID

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**Common name of active ingredient:** amorphous silica, diatomaceous earth.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Diatomaceous Earth is a mechanical insect killer. Insects cannot become immune to its action. Insects come in contact or ingest this powder and die within 48 hours.

#### OTHER USES (INDOOR AND OUTDOOR APPLICATIONS)

This product is intended for application with a hand duster, power duster or other similar means for application to areas where crawling insects are found. Apply this product to cracks and crevices with the use of a bulbous duster or other suitable equipment. Apply lightly and uniformly.

**Indoor Use:** Cockroaches, Ants, Earwigs, Millipedes and Centipedes, Crickets and Silverfish: Lightly coat a thin layer of this product in areas where these pests are found and may hide including cracks and crevices, behind and beneath refrigerators, cabinets, stoves, garbage cans and in and around sewer pipes and drains, window frames and in attics and basements. Dust insects directly, if possible. Repeat treatment regularly.

**Fleas:** Thoroughly treat floor and bedding in and around pets' sleeping quarters. Treat surrounding cracks and crevices, baseboards, carpeting and wherever fleas are suspected.

**Carpet Beetles:** Dust along baseboards, carpet edges, under carpeting, furniture, in closets and shelving where these insects are seen or suspected.

**Bedbugs:** Dismantle bed. Use this product in joints, crevices and where rungs are inserted. See that all interior areas are dusted. Dust mattresses, especially folds and edges. All cracks and crevices in the bedroom should be treated.

**Outdoor Use:** Cockroaches, Earwigs, Grasshoppers, Ants, Crickets and other crawling insects: Lightly coat a thin layer of this product in areas where these insects are found including patios, outdoor sills, window and door frames. Dust around foundations, along ant trails and around sewer pipes and drains. Repeat treatment as necessary.

Manufacturer makes no warranty, expressed or implied, regarding the performance of this product in the absence of control over how it is used.

## STORAGE AND DISPOSAL

**STORAGE:** Store in a cool, dry area.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** If empty: Non-refillable container. Do not reuse this container. Place in trash or offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
