## HARRIS EGG KILL & RESISTANT BED BUG KILLER

### FIRST AID

#### IF SWALLOWED:

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or a doctor.
- Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide concerns), you may call 1-888-740-8712.

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

#### CAUTION

Harmful if swallowed. Wash hands thoroughly with soap and water after handling and before eating, drinking and chewing gum, using tobacco or using the toilet. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wear long-sleeved shirt and long pants, socks and shoes.

#### PHYSICAL OR CHEMICAL HAZARDS

Do not apply this product around electrical equipment due to the possibility of shock hazard.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### STOP; READ ENTIRE LABEL BEFORE USE.

#### USE RESTRICTIONS:

##### **This product is not for use on humans or animals.**

In the home, all food preparation and eating surfaces and utensils should be covered during treatment, or thoroughly washed before use. Exposed food should be covered or removed. Remove pets, birds and cover fish aquariums before spraying.

Do not apply as a broadcast surface spray.  
Not intended for commercial applications.

#### SHAKE WELL BEFORE EACH USE.

**APPLICATION:** Use only as a spot treatment or crack & crevice application in residences. Spray in an inconspicuous area to test for the unlikely possibility of staining or discoloration. Evaluate test area after drying. Hold with applicator aimed away from you. Twist nozzle on sprayer tip to adjust spray pattern. Spray

surfaces from a distance of 8 to 10 inches until slightly damp. Do not allow children or pets to contact treated areas until surfaces are dry. Allow sprayed articles and surfaces to dry thoroughly before using or replacing bedding.

**TO KILL BED BUGS AND BED BUG EGGS:** Apply as a spot treatment to cracks and crevices and/or harborages, where evidence of bed bugs occurs, including bed frames, box springs, inside empty dressers, furniture and clothes closets, carpet edges, high and low wall moldings, behind headboards, pictures, wallpaper edges and luggage. Spray bed bugs directly when possible. **Do not make surface applications to mattresses or bedding. Mattress treatments must be limited to seams, folds and edges only. Do not treat pillows, bedding or clothing.** Remove linens and wash before reuse. Allow treated mattress to dry thoroughly before remaking bed. Remove all clothes and other articles from dressers or clothes closets before application. For luggage, be sure to spray seams and pockets. Allow all treated areas to dry thoroughly before use.

### STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

**PESTICIDE STORAGE:** Protect from freezing. Always store this pesticide product in the original container. Store in a cool, dry (preferably locked) place that is inaccessible to children and animals, and in a safe area away from food and pet food.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Non-refillable container. Do not reuse or refill this container.

**If empty:** Place in trash or offer for recycling, if available.

**If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTICE:** To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
