DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Not for re-sale. For ease of application, allow product to warm to room temperature. Place dispensing cartridge in *ECO2000* applicator and break off tip. Apply pea-sized or smaller portions of bait and deposit behind and under stoves, ovens, refrigerators and freezers, dishwashers, sinks and openings around drains and plumbing, pantries, cabinets, cupboards and closets, washing machines and dryers, bedroom dressers and chests of drawers. Reapply if necessary. Remove any deposits of bait from exposed surfaces. Avoid contamination of feed and foodstuffs.

Manufactured for:

ECOLAB®

FOOD AND FEED HANDLING ESTABLISHMENTS: Establishments such as restaurants; dairies; packaging, bottling and canning plants; bakeries; mills or anywhere food and feed is stored, prepared, processed and packaged. *ECO2000-XP FreshBait* may be used in federally inspected meat and poultry plants.

FOOD AREA – LIMITED TO CRACK AND CREVICE TREATMENTS ONLY: Includes areas where food or feed is received, stored, prepared, served, packaged, handled in an enclosed system and where edible waste is stored. Place dispensing cartridge in *ECO2000* applicator and break off tip. Apply pea-sized or smaller portions of bait directly into cracks and crevices, where equipment meets floors and walls; equipment and counter legs; bases, motors and conduits; holes and openings leading to wall voids where insects may hide. Avoid contamination of feed and foodstuffs and exposed surfaces where feed and food is prepared, processed and served.

NON-FOOD AREAS: Includes garbage rooms, rest rooms, laboratories, offices, locker rooms, boiler and equipment rooms, garages, mop closets and storage. Apply to baseboards, around water and drain pipes, underneath and behind sinks, lockers, tables and similar areas where insects may hide.

SERVING AREAS: Includes dining rooms, mess halls and other areas where prepared food is served. Apply pea-sized or smaller placements to selected surfaces such as baseboards, underneath booths and into cracks and crevices. Avoid contamination of exposed surfaces where food contact can occur.

STORAGE AND DISPOSAL:

PESTICIDE STORAGE: Store in a cool, dark, dry place in the original container. Keep container closed when not in use.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or an approved waste disposal facility.

CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. Offer for recycling, if available, or discard in trash.
