## Precautionary Statements

### CAUTION

Hazards to humans and domestic animals Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin or clothing. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing dust. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

#### FIRST AID

##### If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

##### If swallowed:

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything to an unconscious person.

##### If inhaled:

- Move the person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-328-0026 for emergency medical treatment.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

The Hydris Dispenser is designed to use electricity to convert water and the Hydris Mineral Activator Tablet into an alkaline bleach solution. This conversion is accomplished using a three-chambered electrolytic cell. During normal operation, the Hydris Dispenser will refill a day tank automatically and only require operator input when an alarm indicates that more Hydris Mineral Activator Tablets are needed in the brine tank.

1. Insert Hydris Mineral Activator Tablet into slot on the Hydris Dispenser indicated by "Insert Tablet Here."
2. Close front panel.

#### STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store this product in a cool, dry area, away from direct sunlight and heat.

**Pesticide Disposal:** Waste resulting from use of this product must be disposed of onsite or at an approved waste disposal facility.

**Container Disposal:** Offer for recycling if available.
