JUN 23 2005

FIRST AID: In case of medical emergencies or health and safety inquiries, or in case of fire, leaking or damaged containers or for product use information, call 1-800-234-2269. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. See complete First Aid statement on booklet label.

STORAGE AND DISPOSAL: Call 1-800-CLEANUP for disposal instructions.

EPA REG. NO. 270-253 • EPA EST. NO. 47258-TX-01 • FARNAM COMPANIES, INC.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not use on horses or foals intended for slaughter. To protect horses from house flies, face flies, horse flies, stable flies, black flies, deer flies, lice and ticks and from biting gnats such as punkies and no-see-ums: thoroughly brush the horse's coat prior to application to remove loose dirt and debris. For best results shampoo and rinse; wait until coat is completely dry and apply Endure® Roll-On for Horses. Remove cap from bottle. May be applied around superficial wounds and abrasions or spot treat areas of the horse where flies gather. May also be applied around animal's nose, eyes, ears and mouth. Avoid direct application to eyes, nose and mouth. Replace cap after use. Repeat application as necessary but no more often than once every 5 to 7 days. Wash hands with soap and water after use.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store in a cool, dry place inaccessible to children and pets. **DISPOSAL: If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or call 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

For use on horses and ponies only. Not for use on humans. Harmful if absorbed through skin or inhaled. Contact with this product may cause transitory tingling sensation. Avoid contact with skin, eyes or clothing. Avoid breathing vapors. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash before reuse.

FIRST AID: IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. **IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **IF SWALLOWED:** Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. In case of medical emergencies or health and safety inquiries, or in case of fire, leaking or damaged containers or for product use information, call 1-800-234-2269. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
