PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
WARNING

Humans: Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Harmful if swallowed or inhaled. Avoid contamination of food. Wash hands with soap and water after using.

Animals: Do not use on puppies or kittens less than 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult veterinarian immediately.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not add directly to water. Do not apply where runoff is likely to occur.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE EACH USE

DOGS AND CATS: To kill fleas, ticks and lice, thoroughly mix 1/2 oz (1 tablespoon) of Adams™ Plus Pyrethrin Dip with 1 gallon of warm water. For outdoor animals in areas of severe infestations, 2 oz (4 tablespoons) per gallon may be used. Make fresh solution daily. If animal's coat is very dirty, bathe first with an Adams shampoo. Dip should be applied to dry or damp (not wet) coat. Sponge or dip animal with diluted Adams Plus Pyrethrin Dip making sure all areas are soaked to the skin. Let dip dry on animal. Do not rinse off! Repeat treatment every 7 days if necessary. Dependent on reinfestation levels in the animal's environment, extended insecticide and repellent activity has been demonstrated with Adams Plus Pyrethrin Dip.
