Net Contents 12 fl oz (355 ml)

Bio Spot® Flea & Tick Shampoo for Puppies plus PRECOR® Insect Growth Regulator (IGR)

READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON PUPPIES.

Bio Spot® Flea & Tick Shampoo for Puppies is a concentrated lathering shampoo enriched with oatmeal, coconut extract, lanolin, and aloe. It leaves the coat soft, shining, and manageable. The shampoo removes loose dandruff, dirt, and scales. PRECOR® Insect Growth Regulator provides 28 days of control of pre-adult fleas before they become biting adults.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR TOPICAL USE ONLY. DO NOT INGEST.

Bio Spot® Flea & Tick Shampoo for Puppies may be used full strength or diluted with 2 parts water. Thoroughly wet puppy with warm water. Do not apply shampoo around eyes. Apply shampoo on head and ears, then lather; repeat procedure with neck, chest, middle and hind quarters, finishing legs last. Continue to work lather in for 3 to 5 minutes (this is an important part of the grooming procedure), then rinse puppy thoroughly. For extremely dirty or scaly puppies, the above procedure may be repeated. Repeat every 7 to 10 days, if necessary, for adult flea relief. Flea egg hatch inhibition will last for 28 days. Do not use on puppies under 12 weeks old.

PRECAUTIONARY STATEMENTS - CAUTION - HAZARDS TO HUMANS AND DOMESTIC ANIMALS: HUMANS: Causes moderate eye irritation. Harmful if absorbed through skin. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling. **ANIMALS:** Do not use on pets less than 12 weeks old. Consult a veterinarian before using this product on debilitated, aged, animals on medication, or pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID: Call a poison control center or doctor immediately for treatment advice.

If in eyes • Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

If on skin or clothing • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-234-2269 for emergency medical treatment information.

STORAGE AND DISPOSAL: Storage: Store in a cool area. **Disposal: If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Satisfaction guaranteed or your money back.
