bio SPOT®
 FLEA & TICK CONTROL
 FOR PUPPIES UNDER 15 LBS

PUPPIES | 6 MONTHS & OLDER

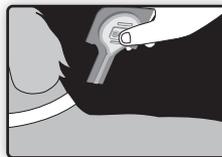

IMPORTANT! Intended for Use on Puppies 6 Months of Age or Older
 READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON PUPPIES.
DO NOT USE ON CATS!
DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
 BIO SPOT® Spot On® Flea & Tick Control for Puppies prevents eggs from developing into adult fleas for up to 30 days. This product also kills and repels ticks and mosquitoes for up to 30 days.
DO NOT USE ON CATS! May be toxic and potentially fatal if applied to contact with recently treated dogs may be at risk of serious harmful effects.
DO NOT USE ON CATS! Cats that actively groom or engage in close physical contact with recently treated dogs may be at risk of serious harmful effects.
1. Bend at perforation and tear off first month's applicator. **2.** Hold applicator and bend area of plastic at perforation, tear off and discard. **3.** Hold applicator upright and snap tip back, away from face and body. **4.** Position the tip of the applicator on the dog's back between the shoulder blades. Apply 1/2 of the contents of the applicator to an upright position.
5. Invert the applicator to an upright position and move to the dog's hindquarters. Position the tip of the applicator at the base of the tail and apply the remaining contents of the applicator. **6.** Do not reapply product for 30 days.
NOTE: DO NOT APPLY BIO SPOT® SPOT ON® FLEA & TICK CONTROL FOR PUPPIES TO CATS. This product is intended for dogs only!
 Although BIO SPOT® Spot On® Flea & Tick Control for Puppies is applied only between the shoulder blades and at the base of the tail, the dog's skin and hair oils carry the product over the entire body for protection against fleas, ticks, and flea eggs. BIO SPOT® Spot On® Flea & Tick Control for Puppies is most effective when used as part of a total flea and tick management program. Use other BIO SPOT® products registered for residential area control of these pests in conjunction with this treatment.
PRECAUTIONARY STATEMENTS - HAZARDS TO HUMANS & DOMESTIC ANIMALS - CAUTION-HUMANS: Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling. **DOMESTIC ANIMALS: DO NOT USE ON PUPPIES LESS THAN 6 MONTHS OF AGE.** Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with a mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian IMMEDIATELY. In the event of an emergency, contact 1-800-234-2269.
FIRST AID
 If on skin or clothing • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
 Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-234-2269 or a poison control center for emergency medical treatment.
ENVIRONMENTAL HAZARDS: This product is toxic to fish.
PHYSICAL OR CHEMICAL HAZARDS: Combustible. Do not use or store near heat or open flame.
 In case of emergency, or for product information call 1-800-234-2269.
