**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Causes moderate eye irritation. Repeated exposure to etofenprox can cause skin irritation. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

FIRST AID	
IF IN EYES:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-234-2269 for emergency medical treatment information.

**PHYSICAL OR CHEMICAL HAZARDS
Extremely Flammable Ingredient
Ingrediente Extremadamente Inflamable**

This product contains an extremely flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully. Extremely flammable. Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130° F. may cause bursting.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
READ THE ENTIRE LABEL PRIOR TO USE. USE STRICTLY IN ACCORDANCE WITH ALL LABEL PRECAUTIONS AND DIRECTIONS.

Note: Do not allow children or pets to contact treated surfaces until spray has dried. Remove pets, birds, and cover fish aquariums before spraying. Cover all food processing surfaces and utensils during treatment or thoroughly wash before reuse. Cover or remove exposed food. Do not apply to classrooms when in use. Do not use in aircraft cabins. Do not apply to patient rooms in hospitals and nursing homes while occupied. For use in the non-food and non-feed areas of food and feed handling establishments. Do not use in food or feed areas of food or feed handling establishments, restaurants or other areas where food or feed is commercially prepared or processed. Do not use in serving areas while food is exposed or the facility is in operation. Serving areas are areas where prepared foods are served, such as dining rooms but excluding areas where foods may be prepared or held. Remove food from food serving areas of commercial establishments prior to treatment. Wash all exposed food serving/handling surfaces thoroughly with potable water following treatment and before use. In homes, remove all food and cooking utensils.

Non-food and non-feed areas of food and feed establishments are areas such as garbage rooms, lavatories, floor drains (to sewer entries and vestibules), offices, locker rooms, machine rooms, boiler rooms, garages, mop closets and storage (after canning and bottling).

Reaches fleas hidden in carpets, rugs, drapes, upholstery, pet bedding, and floor cracks. For best results, treat entire dwelling with

particular attention to kitchens and bathroom areas. Use only one fogger for each 750 sq. ft. (25' x 30' area or 6,000 cubic feet) of floor space.

Close outside doors and windows and turn off fans and air conditioners. DO NOT use more than one fogger per room. DO NOT use in small enclosed spaces such as closets, cabinets, or under counters or tables. Do not use in a room 5 ft. x 5 ft. or smaller; instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights.

Open interior doors and closets of area to be treated. Open all cupboards and drawers and remove contents. Remove pets and birds. Tightly cover fish aquariums.

SHAKE WELL BEFORE USE.

Place can in the middle of the room, on a stand, table, chair, or on the floor. Place several layers of unfolded newspaper, covering a 2 sq. ft. area directly under can to prevent marring of surface. Keeping at arm's length, point top of can away from face and press down actuator tab to lock into position and release fogging action. Set can in an upright position and leave treated area for at least two hours. Also, remove pets and keep out of treated area for at least two hours. After 2 hours, open all doors and windows, turn on air conditioners and fans and ventilate the treated area for 30 minutes.

NOTE: Asphalt tile and some plastics may be affected by this product. Place newspaper on asphalt tile before treatment and cover plastic items such as plastic furniture, stereo covers, eye glasses, etc.

Repeat treatments to infested areas as necessary at intervals of 14 days or greater. Do not make more than 6 applications per site per year.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area away from heat and open flame and preferably in a locked storage area inaccessible to children and pets.

DISPOSAL: Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

In case of emergency or for product use information, call 1-800-234-2269 or visit our Web site www.adamsfleacontrol.com
