ADAMS™

Flea Collar
for Dogs and Puppies

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION:

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Do not use on puppies under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, pregnant, animals on medication, or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur remove collar and bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID

If in eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
--------------------	---

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-234-2269 for emergency medical treatment information.

**READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS AND PUPPIES**

This collar contains an insect growth regulator and will not kill adult fleas; therefore, to control adult fleas on your pet, use another Adams™ flea control product in conjunction with this collar. Adams™ Flea Collar for Dogs and Puppies is specifically designed to kill flea eggs before they hatch. This collar is a ring of protection against fleas in your home - since the collar kills flea eggs on your dog/puppy, the eggs won't hatch in your carpet.

Manufactured for:
Farnam Pet Products

A Division of Farnam Companies, Inc.
P.O. Box 34820 • Phoenix, AZ 85067-4820

Product Code: 100504507 • RM #: 300507759 • 10-0713
Printed in U.S.A.

DIRECTIONS FOR USE - It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Buckle collar around dog's or puppy's neck. Fit collar snug enough to prevent placement of the dog's/puppy's leg or lower jaw through the collar, yet loose enough to be rotated about the neck. Leave 1-2 extra inches on the length of the collar for adjustment, cut off excess, and dispose of in trash. Check periodically and adjust fit, if necessary, especially when puppies are rapidly growing. May be used in addition to regular collar. When collar is first worn, observe neck area every few days for irritation. Remove collar at the first sign of irritation or adverse reaction. Replace collar every 8 months if necessary.

WHAT TO EXPECT: This collar is designed to kill flea eggs over the entire pet; this collar does not kill adult fleas.

This collar provides continuous protection against flea egg hatch for up to 8 months. Since flea eggs will not hatch, your dog's/puppy's flea population will gradually be eliminated. Replace collar every 8 months or sooner if needed.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in original, unopened container, away from children.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Do not reuse container or used collar. Dispose of in trash. If collar is temporarily removed, wrap in paper or plastic, do not allow children to have access to collar.

WARRANTY AND CONDITIONS OF SALE: To the extent consistent with applicable law, Seller makes no warranty, express or implied, concerning the use and handling of this product other than indicated on the label. Buyer assumes all risks of use and handling of this material when such use and handling are contrary to label instructions.

For product information or in case of emergency, call 1-800-234-2269.
