#### FOR FLEAS:

A light, even coverage of the hair coat will provide effective flea control. Do not allow spray from application or damp cat to come into contact with painted or finished surfaces, including wood floors/furniture, leather/vinyl materials, or other surfaces of concern. For best results, ruffle the coat while spraying against the natural lay of the hair. Cover cat's/kitten's eyes with hand. With a firm, fast stroke, spray head, ears, and chest. If you see a tick, spray it directly. With cloth, rub on face around mouth, nose, and eyes. Then spray the neck, middle and hind quarters, finishing with legs and tail last. Avoid spraying rectum and genitals. For all cats/kittens, spray until damp, not saturated. Do not allow cats/kittens to become chilled. If your cat/kitten becomes reinfested with adult fleas or ticks, Adams™ Flea & Tick Spray for Cats may be reapplied every two weeks after the initial application. Continue treatments for prevention of flea infestation.

**TREATMENT DOSAGE:** Treatment dosage is based on pet weight, so pet should be weighed before treatment. Note that the labeled dose is about 4 squeezes of the trigger sprayer per pound of body weight. In all cases, spray until the coat is damp, not saturated. Adams™ Flea & Tick Spray for Cats is most effective when used as part of a total flea and tick management program. Use other Adams™ products registered for residential premise control (carpets, upholstery and pet bedding) of these pests in conjunction with this treatment. Monthly premise treatments are required for optimal control and prevention of fleas.

The successive feeding activity of fleas on pets may elicit a hypersensitivity skin disorder known as flea allergy dermatitis (FAD). Treatment of cats with Adams™ Flea & Tick Spray for Cats kills fleas and may reduce the incidence of this condition.

**STORAGE and DISPOSAL:** **Storage:** Do not store near heat or open flame. Store away from children and animals. **Disposal: Nonrefillable container.** Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

#### PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS – CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Repeated exposure to etofenprox can cause skin irritation.

**HAZARDS TO ANIMALS - CAUTION:** Do not use on kittens less than 12 weeks of age. For external use only. Consult a veterinarian before using this product on debilitated, aged, pregnant, nursing, or animals on medication. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. In some cases, excessive salivation and ear and paw flicking may occur; however, these effects are temporary and not harmful.

#### FIRST AID

|            |   |
|------------|---|
| If in eyes | <ul style="list-style-type: none"><li>• Call a poison control center or doctor for treatment advice.</li><li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li><li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li></ul> |
|------------|---|

Have the product container or label with you when calling a poison control center, doctor or veterinarian, or going for treatment. You may also contact 1-800-234-2269 for emergency medical treatment information.

**PHYSICAL HAZARDS:** Combustible. Do not use or store near heat or open flame.

**WARRANTY AND CONDITIONS OF SALE:** Seller warrants that this product conforms to the chemical specifications expressed on the label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, seller's liability for default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
